# MINUTE BOOK

The Chairman, after welcoming the shareholders present, gave his keynote address:

QUOTE:

Dear Ladies and Gentlemen,

On behalf of the Board of Directors, I am delighted to welcome you all to the 45<sup>th</sup> Annual General Meeting of your Company.

The Financial Year 2016-17 has been a year of consolidation and bringing the economy and businesses back on growth track. India's GDP grew at 7.1% in FY17, witnessing a marginally lower growth as compared to 7.6% in FY16 primarily due to demonetization of higher currencies in the month of November, 2016 by the Indian government.

To give strength to the economy and augment the ease of doing business, various initiatives such as Insolvency & Bankruptcy Code and Goods & Services Tax (GST) have been undertaken by the Government of India. The Central government's major focus on the development of infrastructure and rural economy has led to a tremendous growth in demand for construction and Farm Equipment. Better monsoon in 2016 further enhanced the tractor sales which increased by 18% as compared to the previous year.

The gross revenue of the company stands at Rs. 435.33 crores in FY 17 marginally higher than previous year as higher demand from domestic OEMs was offset by the negative impact of demonetization on Automotive Components segment. The company has incurred a net loss of Rs. 1.26 Crores for the year ended 31 March 2017 vis-a-vis net profit of Rs. 0.24 Crores in the corresponding previous year including an impact of incremental VRS of Rs. 1.34 crores in the current year.

Efficiency and Quality improvement remain our main focus areas. We have initiated many de-bottlenecking processes at all our plants, which has released additional capacity.

In order to strengthen the long term financial position of the company as well as to enable the company to take effective steps towards achieving its long term objectives, we have raised funds by way of a term Loan from a NBFC i.e. KKR India Financial Services Private Limited. Management is confident that this will help the company to substantially improve company's performance in the coming years.

This loan shall be utilized for repayment of a large part of existing long term debt, investment in new technologies and balancing equipment, implementation of Voluntary Retirement Scheme as well as strengthening long term working capital position of the company.

To further strengthen our market position in Bevel Segment, we are adding some state-of-the-art machinery such as C30 Dry Cutting Machine and P40 Gear Measuring Machine. We have also added a Viper 500 Gear Grinding Machine for transmission shafts & Gears. We have also relocated some critical machinery among the Company's Plants which is helping in quality

enhancement, better throughput, reduction in manpower cost and enhanced customer service.

Various initiatives such as total quality management, safety audit, Kaizen, periodic machine health check-up and machine risk assessment audit have increased efficiency and enhanced savings at plant level.

We have developed several products for our domestic and global clients which have received good acceptance with more orders coming in the near future.

We are committed to continue our operational excellence journey in the coming financial year. We will take various initiatives at strategic and ground level to continue with the same.

I would like to take this opportunity to thank to our shareholders, partners, employees, customers and other stakeholders for their firm belief in the Company.

Regards,

**Surinder P. Kanwar**  
Chairman & Managing Director
