Dear Sir(s),

This is in continuation of our earlier communication dated September 5, 2017, we would like to inform you that the Company has received the copy of petition filed by IDBI Trusteeship Services Limited in Bombay High Court in which the Company also has been made a party.

Details as required in terms of Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations) are as follows:

Name(s) of Opposing party	IDBI Trusteeship Services Limited
Court/Tribunal/Agency where litigation is filed	Bombay High Court
Brief details of dispute/litigation	IDBI Trusteeship Services Limited has filed a petition against certain shareholders of the Company challenging their voting rights with respect equity shares of the Company held by them and pledged to IDBI Trusteeship Services Limited. The Company was not a party to the financing transaction and the pledge of equity shares thereof which was executed between those certain shareholders and IDBI Trusteeship Services Limited but still IDBI Trusteeship Services Limited has made the Company as a party to the petition just because the Company is currently conducting a postal ballot to seek approval of shareholders. Date of hearing of petition is September 8, 2017
Expected financial implications, if any, due to compensation, penalty etc	No compensation has been claimed by IDBI Trusteeship Services Limited in the petition from the Company.
Quantum of claims, if any	N.A

The Company strongly believes that IDBI Trusteeship Services Limited has wrongly made the Company as party to its petition against certain shareholders of the Company and the Company will strongly oppose this and defend itself.
