Dear Sir,

Reg: Notice for Core Banking Solution (CBS) Up-gradation.

The Exchange is hereby informed that Bank is upgrading to the latest version of CBS software from Monday 29th January 2018. This upgrade will help the Bank to provide better services with enhanced features to Bank's customers.

The preparatory activities for this up-gradation will start from late evening on Thursday, 25th January, 2018

Change of such magnitude in banking technology may entail some delay in providing normal customer services, in the initial phase from 29th January 2018 onwards. However our Alternate Delivery Channels are expected to function normally.

Communication is being sent to all customers also to intimate them about this maintenance activity.

Kindly take the above intimation on record.

Thanking you

Yours faithfully,

(Balbir Singh)

Company Secretary
