**United Spirits Limited**  
**Statement of Standalone Unaudited Financial Results for the quarter and nine months ended**  
**December 31, 2017**

**Notes:**

1. United Spirits Limited (hereinafter referred to as the 'Company' or 'USL') is engaged in the business of manufacture, purchase and sale of beverage alcohol (spirits and wines), including through tie-up manufacturing and through strategic franchising of some of its brands. The Company classifies the business principally based on the Company's brands in two segments namely 'Prestige and Above' brands and 'Popular' brands. Since both these segments meet the aggregation criteria as per the requirements of Ind AS 108 on 'Operating segments', the management considers these business activities as a single reportable segment. Accordingly, segment information has not been furnished.
2. This statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extent applicable.
3. As disclosed in the financial statements for the year ended March 31, 2017, pursuant to the findings of the Board's initial inquiry into past improper transactions ('Initial Inquiry'), which was completed in April 2015, the Company had executed settlement agreements with ten parties identified in the Initial Inquiry and settlements with four parties were pending. During the quarter ended June 30, 2017, the Company had reached settlements with two of such remaining parties. Discussions with one of the remaining parties have turned adverse and the matter remains likely to manifest itself into a dispute. The last remaining party identified in the Initial Inquiry has ceased to be in business and therefore it is not possible to reach any settlement with this party. All amounts relating to the said two parties that remain unsettled have been fully provided for. Therefore, there is no further material exposure to the Company. There were no further developments in this matter during the quarters ended September 30, 2017 and December 31, 2017.
4. As disclosed in the financial statements for the year ended March 31, 2017, upon completion of the Initial Inquiry which identified references to certain additional parties and certain additional matters, the MD & CEO, pursuant to the direction of the Board of Directors, had carried out an additional inquiry into past improper transactions ('Additional Inquiry') which was completed in July 2016 and which prima facie identified transactions indicating actual and potential diversion of funds from the Company and its Indian and overseas subsidiaries to, in most cases, Indian and overseas entities that appear to be affiliated or associated with the Company's former non-executive chairman, Dr. Vijay Mallya, and other potentially improper transactions. All amounts identified in the Additional Inquiry have been previously provided for or expensed in the financial statements of the Company or its subsidiaries in prior periods and hence there is no impact on the financial results for the quarter and nine months ended December 31, 2017. Pursuant to a detailed review of each case of such fund diversion, and after obtaining expert legal advice, the Company has, where appropriate, filed civil suits for recovery of funds from certain parties, including the Company's former non-executive chairman, Dr. Vijay Mallya, before the appropriate courts. Further, at this stage, it is not possible for the management to estimate the financial impact on the Company, if any, arising out of potential non-compliance with applicable laws in relation to such fund diversions.

5. As disclosed in the financial statements for the years ended March 31, 2015, March 31, 2016 and March 31, 2017, the Company had pre-existing loans/ deposits/ advances/accrued interest that were due to the Company and its wholly-owned subsidiaries from United Breweries (Holdings) Limited ('UBHL') and its subsidiaries aggregating Rs.13,374 million and that were consolidated into, and recorded as, an unsecured loan by way of an agreement entered into between the Company and UBHL on July 3, 2013 ('Loan Agreement'). The Company has already made provision in prior financial years for the entire principal amount due, of Rs. 13,374 million, and for the accrued interest of Rs. 846 million up to March 31, 2014. The Company has also not recognised interest income on said loan aggregating to Rs. 4701 million for the period from April 1, 2014 to December 31, 2017 (including Rs. 317 million and Rs. 953 million for the quarter and nine months ended December 31, 2017, respectively). The Company has offset payable to UBHL under the trademark agreement amounting to Rs.90 million and Rs. 302 million for the quarter and nine months ended December 31, 2017 respectively (cumulatively Rs. 841 million up to December 31, 2017) against the aforesaid interest receivable from UBHL and consequently corresponding provision for interest receivable has been reversed to 'Other Income' in the relevant periods.

The Company is seeking redressal of these disputes and claims through arbitration under the terms of the Loan Agreement and the arbitration proceedings have commenced. On February 7, 2017, the Hon'ble High Court of Karnataka ordered, *inter alia*, that UBHL be wound up, and that the Official Liquidator be appointed as the liquidator of UBHL. The Company has subsequently secured leave from the Hon'ble High Court of Karnataka to continue the arbitration proceedings which are presently ongoing.

6. The managerial remuneration for the financial year ended March 31, 2015 aggregating Rs. 63 million and Rs. 153 million to the Managing Director & Chief Executive Officer ('MD & CEO') and the former Executive Director and Chief Financial Officer ('ED & CFO'), respectively, was approved by the shareholders at the annual general meeting of the Company held on September 30, 2014. The aforesaid remuneration includes amounts paid in excess of the limits prescribed under the provisions of Schedule V to the Companies Act, 2013 ('Act') by Rs. 51 million to the MD & CEO and Rs. 134 million to the former ED & CFO. Accordingly, the Company applied for the requisite approval from the Central Government for such excess remuneration. The Central Government, by letters dated April 28, 2016 did not approve the Company's applications. On May 24, 2016 the Company resubmitted the applications, along with detailed explanations, to the Central Government to reconsider approving the waiver of excess remuneration paid. In light of the findings from the Additional Inquiry, the Company withdrew its application for approval of excess remuneration paid to the former ED & CFO by its letter dated July 12, 2016 and filed a civil suit to recover the sums from the former ED & CFO. The Company is awaiting response from the Central Government to its resubmitted application in respect of the MD & CEO.
7. The Company had received letters and notices from various regulatory and other government authorities as follows:
- as disclosed in the financial statements for the years ended March 31, 2016 and March 31, 2017, from the Securities Exchange Board of India ('SEBI'), in relation to the Initial Inquiry, Additional Inquiry, and matters arising out of the Agreement entered into by the Company with Dr. Vijay Mallya to which the Company has responded and no further communications have been received thereafter;
  - as disclosed in the financial statements for the years ended March 31, 2016 and March 31, 2017, from the Ministry of Corporate Affairs ('MCA') in relation to its inspection conducted under section 206(5) of the Companies Act, 2013 during the year ended March 31, 2016 and subsequent show cause notices alleging violation of certain provisions of the Companies Act, 1956 and Companies Act, 2013 to which

the Company had responded. The Company has received a letter dated October 13, 2017 from the Registrar of Companies, Karnataka (the 'Registrar') inviting the Company's attention to the compounding provisions of the Companies Act, 1956 and Companies Act, 2013 following the aforesaid show cause notices. The Company during the quarter/ subsequent to the end of the quarter, has filed applications for compounding of offences with the Registrar in relation to three show cause notices, applications for adjudication with the Registrar in relation to two show cause notices and has requested the Registrar to drop one show cause notice based on the expert legal advice received. The management is of the view that the financial impact arising out of compounding/ adjudication of these matters will not be material to the Company's results;

- c) as disclosed in the financial statements for the years ended March 31, 2016 and March 31, 2017, from the Directorate of Enforcement in connection with agreements entered into with Dr. Vijay Mallya and investigations under the Foreign Exchange Management Act, 1999 and Prevention of Money Laundering Act, 2002 to which the Company has responded and no further communications have been received thereafter; and
- d) as disclosed in the financial statements for the year ended March 31, 2017, from the Company's authorised dealers in relation to certain queries from Reserve Bank of India ('RBI') with regard to: i) remittances made in prior years by the Company to its overseas subsidiaries; ii) past acquisition of the Whyte and Mackay group; (iii) clarifications on Annual Performance Reports ('APR') submitted for prior years; and (iv) compliances relating to the Company's overseas Branch office, all of which the Company has responded to. During the nine months ended December 31, 2017, the Company has received further queries from authorised dealers in connection with:
- I. item iii) above to which the Company is in the process of responding; and
  - II. item iv) above to which the Company has responded.
8. As disclosed in the financial statements for the years ended March 31, 2015, March 31, 2016 and March 31, 2017, during the year ended March 31, 2014, the Company decided to prepay a term loan taken from a bank in earlier years under a consortium arrangement, secured by assets of the Company and pledge of shares of the Company held by the USL Benefit Trust (of which the Company is the sole beneficiary) with the security trustee. The Company deposited a sum of Rs. 6,280 million, including prepayment penalty of Rs. 40 million, with the bank and instructed the bank to debit the amount from its cash credit account towards settlement of the loan and release the assets and shares pledged by the Company. The bank, however, disputed the prepayment. The Company has disputed the stand taken by the bank and its writ petition is pending before the Hon'ble High Court of Karnataka. On completion of the loan tenure on March 31, 2015, the bank demanded an amount of Rs. 474 million towards principal and interest on the said loan, which the Company contested in the Hon'ble High Court of Karnataka. As per the order of the Hon'ble High Court of Karnataka directing the parties to consider a negotiated settlement, the Company engaged with the bank to commence discussions towards settlement. In August 2015, the bank obtained an *ex parte* injunction in proceedings between the bank and KFA, before the Debt Recovery Tribunal, Bangalore ('DRT'), restraining the USL Benefit Trust from disposing of the pledged shares until further orders. The Company and USL Benefit Trust, upon receiving notice of the said order, filed their objections against such *ex parte* order passed in proceedings in which neither the Company nor the USL Benefit Trust were enjoined as parties. In December 2015, the Hon'ble High Court of Karnataka issued a stay order restraining the bank from dealing with the above mentioned pledged shares until further orders. Thereafter in February 2016, the Company received a notice from the bank seeking to recall the loan and demanding a sum of Rs. 459 million, and the Company also received a subsequent notice in March 2016 issued under section 13(2) of SARFAESI Act in relation to the same loan. Pursuant to an application filed by the Company before the Hon'ble High Court of Karnataka, in the writ proceedings, the Hon'ble High Court of Karnataka directed

that if the Company deposited the sum of Rs. 459 million with the bank, the bank should hold the same in a suspense account and should not deal with any of the secured assets including shares pledged with the bank till disposal of the original writ petition filed by the Company before the Hon'ble High Court of Karnataka. During the quarter ended June 30, 2016, the Company accordingly deposited the said sum and replied to the bank's various notices in light of the above. The aforesaid amount has been accounted as other non-current financial asset. On January 19, 2017, the DRT dismissed the application filed by the bank seeking the attachment of USL Benefit Trust shares. The Company on March 13, 2017 issued a legal notice to the bank asking them to provide the 'no-objection' for the release of the pledged shares, withdrawing the notices under SARFESI and also to pay compensation on account of loss of interest, value of differential share price, loss of reinvestment opportunity, reputational damage etc. to which the bank has responded denying the claim. During the quarter ended June 30, 2017, the Company issued a rejoinder denying the incorrect averments of the bank and issued notice to each member of the board of directors of the bank informing them of the issue and the '*mala-fide*' actions of the Bank, to which the bank has responded denying the claim. The bank has, during the quarter ended September 30, 2017 filed an *ex-parte* appeal before the Debt Recovery Appellate Tribunal ('DRAT'), Chennai against the order of the DRT. The DRT has subsequently ordered the bank to make the Company a party in the Appeal. During the quarter ended December 31, 2017, the Bank accordingly has filed an application before DRAT, imploding the Company in the proceedings.

9. Consequent to a voluntary disclosure made by the Company to a customer regarding prices historically charged by the Company to said customer being inconsistent with trading terms that apply between the Company and the said customer, the Company received a claim during the quarter ended September 30, 2016 and thereafter a debit note for the period up to December 31, 2016, in the quarter ended March 31, 2017 and a revised debit note for the period up to April 30, 2017, in the quarter ended June 30, 2017. After considering an accrual of Rs. 250 million which was made on this account in the financial year ended March 31, 2016, an additional liability had been recorded for the balance amount of Rs. 3,030 million (including potential liability of Rs. 130 million for the period January to March 2017) during the quarter and year ended March 31, 2017 of which Rs. 460 million related to claims for sales made during the year ended March 31, 2017 which had been recorded as reduction from Revenue from Operations and Rs. 2,570 million pertaining to sales made in earlier years which had been disclosed as an exceptional item in the financial results. In respect of some of the specific products the prices demanded by the Customer resulted in the Company incurring a foreseeable loss and accordingly a provision for the onerous element in such contracts amounting to Rs. 75 million had been made and included in exceptional item for the quarter and year ended March 31, 2017. The aggregate amount included in exceptional items was therefore Rs. 2,645 million for the quarter and year ended March 31, 2017. For the quarter ended June 30, 2017, the estimated potential liability of Rs.47 million on account of price differences has been utilised from onerous provision and the remaining excess onerous provision no longer required of Rs. 28 million had been reversed as exceptional item. During the quarter, company has utilized Rs. 3,200 million out of the existing provision of Rs. 3,327 million and offset receivable of equivalent amount from the said customer. The customer and the Company have agreed on the revised price and trading terms for future supplies.
10. The Government of Bihar by its notification dated April 5, 2016 imposed a ban on trade and consumption of Indian Made Foreign Liquor and foreign liquor in the state of Bihar with immediate effect. Writ petitions were filed with the Hon'ble High Court of Patna challenging the said notification and seeking payment for supplies made by the Company and its tie-up manufacturing units to Bihar State Beverages Corporation Limited ('BSBCL'). By an order dated September 30, 2016, the Hon'ble High Court of Patna set aside the notification dated April 5, 2016 and held Section 19(4) of the Bihar Excise Act, 1915, as ultra vires the

Constitution of India. Subsequently, the Government of Bihar re-imposed prohibition by notifying a new legislation i.e. The Bihar Prohibition and Excise Act, 2016, on October 02, 2016. The Government of Bihar also preferred a special leave petition ('SLP') before the Hon'ble Supreme Court against the judgment of the Hon'ble High Court of Patna pursuant to which the Hon'ble Supreme Court has stayed the order of the Hon'ble High Court of Patna. During the quarter ended December 31, 2016, the Company filed an application seeking compensation from the Government of Bihar towards losses suffered as a result of arbitrary imposition of prohibition.

On January 24, 2017, the Government of Bihar issued a Notification prohibiting the manufacture of alcoholic beverages in the State (w.e.f April 1, 2017) the consequences of which criminalises the continued storage of all stock of raw material and finished goods in the State of Bihar (including the stock lying at BSBCL). Pursuant to an application by Confederation of Indian Alcoholic Beverage Companies (CIABC) in the Supreme Court, the Government of Bihar extended this timeline to April 30, 2017 and the Hon'ble Supreme Court had further extended this to July 31, 2017, to allow additional time for companies to transfer said materials out of the state of Bihar.

The Company has since transferred substantial stocks of raw materials and finished goods outside the state of Bihar including the 'billed stocks' supplied by the Company pursuant to valid orders for sales which were in the possession of BSBCL and has destroyed such stocks which could not be transferred. In relation to certain raw materials lying in the State of Bihar, the Company during the quarter has received an approval from the Department of Liquor Prohibition, Bihar for sale of such raw material to entities outside the State of Bihar, before January 31, 2018.

The Company had sought from the Government of Bihar refund of statutory duties i.e. VAT and Excise duty paid in respect of the said stocks aggregating to Rs. 553 million (including statutory duties paid by the Company's tie-up manufacturers) which is considered good and receivable and is classified as other non-current financial assets. The Company had made a provision of Rs. 267 million towards inventory reprocessing charges for the year ended March 31, 2017. Further, a provision of Rs. 110 million had been made towards employee retrenchment during the year ended March 31, 2017. The total provision in respect of the above items aggregating to Rs. 377 million for the year ended March 31, 2017 had been disclosed as an exceptional item. For the six months ended September 30, 2017, an additional provision of Rs. 180 million had been made towards inventory reprocessing charges which had been disclosed as an exceptional item. During the quarter ended September 30, 2017, the Company had received a letter from the Government of Bihar, stating that it is not liable to refund the aforesaid statutory duties under the Bihar Prohibition and Excise Act, 2016. The Company has on October 17, 2017, filed a writ petition before the Hon'ble High Court of Patna seeking refund of aforesaid statutory duties i.e. VAT & Excise Duty paid by the Company to the Government of Bihar which is presently pending adjudication.

11. On January 15, 2016, the Company entered into an agreement for sale of its entire holding in United Spirits Nepal Private Limited of 67,716 equity shares (constituting 82.46% of the paid up equity share capital of United Spirits Nepal Private Limited). The sale is subject to various regulatory approvals (both in India and Nepal) and other conditions precedent which are normal for such transactions, and which the Company is in the process of seeking. The Company has during the quarter ended December 31, 2017 secured the approval of Reserve Bank of India under the Foreign Exchange Management Act, 1999 without prejudice to any action that may be taken by the Directorate of Enforcement [Refer Note 7(c)] or any other investigating agency as a result of the ongoing investigation. Pending other approvals, no effect has been

### Introduction

1. We have reviewed the unaudited financial results of United Spirits Limited (the "Company") for the quarter ended December 31, 2017 which are included in the accompanying 'Statement of Standalone Unaudited financial results for the quarter and nine months ended December 31, 2017' (the "Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations, 2015"), which has been initialled by us for identification purpose. The Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.

### Scope of Review

2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.
3. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

### Conclusion

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies, and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

### Emphasis of matter

5. We draw attention to the following matters:
  - a) As explained in Note 6 to the Statement, the Managerial remuneration for the year ended March 31, 2015 included amounts paid to managerial personnel in excess of the limits prescribed under the provisions of Schedule V to the Companies Act, 2013 by Rs. 51 million to the Managing Director and Chief Executive Officer (MD & CEO) and by Rs. 134 million to the erstwhile Executive Director and Chief Financial Officer (ED & CFO). With regard to excess remuneration paid to MD & CEO the Company has made the necessary application, along with the required clarifications, for Central Government approval, response to which is awaited. Further, in respect of excess remuneration paid to the erstwhile ED & CFO the Company has initiated steps, including by way of filing a suit for recovery before the jurisdictional court, to recover the excess remuneration.
