PRESS RELEASE

Gravita started Commercial Production of Red Lead Oxide from its Plant at Jaipur

Jaipur 5th January, 2018: Gravita India Limited, a leading recycling company having its manufacturing presence around the globe, is glad to inform that company has started commercial production of Lead Tetra Oxide (commercially known as Red Lead Oxide) by installing new state of art continuous process production plant at its Jaipur unit with a capacity of 7500 MTPA. The production of Red Lead Oxide is a value added product and it will help company to cater new segments like ceramic tiles, crystal glass, anti-corrosive paints and inverter & solar batteries.

The Company has made an investment of approx Rs 183 lacs for procuring and commissioning of this New Modern Plant which is invested from internal accruals of the company.

Gravita Group is among top most recycling companies across the globe and installation of this plant will help company to gain the advantage of diversified product portfolio coupled with increase in top line and bottom-line of the company.
