### INDEPENDENT AUDITORS' REVIEW REPORT

To,  
The Board of Directors  
Jayaswal Neco Industries Limited

1. We have reviewed the accompanying statement of Unaudited Financial Results ("the statement") of **Jayaswal Neco Industries Limited** ("the Company") for the quarter and half year ended 30<sup>th</sup> September, 2018, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5<sup>th</sup> July, 2016. This statement is the responsibility of the Company's Management and approved by the Board of Directors. Our responsibility is to issue a report on the statement based on our review.
2. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatements. A review is limited primarily to inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. **Basis for Qualified Opinion**

*As mentioned in Note no.4 to the statement, Non-current borrowings include an amount of Rs. 242,689 lakhs due to certain banks. As per the arrangements with these banks, the Company is required to comply with certain covenants as referred in the said note and non-compliance with these covenants may give rights to the banks to demand repayment of the loans. As at 30<sup>th</sup> September, 2018, the Company has not complied with certain covenants and they have not been provided with any confirmation from the banks for extension of time to comply with these covenants. Further the Company has also received loan recall notice from one of the secured lenders in respect of non current borrowings. The Company has not classified these liabilities as current liabilities as required by Ind AS.*

#### 4. **Emphasis of Matter**

We draw your attention to the:

- a) Note no. 2 to the statement regarding the attachment of the properties of the Company to the extent of Rs. 30758 lakhs by the Directorate of Enforcement, which has been contested by the Company.

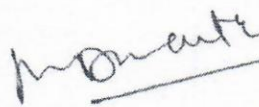

- b) Note no. 3 to the statement regarding preparation of financial results of the Company on going concern basis, notwithstanding the fact that the Company has been incurring cash losses, its net worth has been eroded as on 30<sup>th</sup> September, 2018, loans have been called back by few of the secured lenders, application has been made to National Company Law Tribunal (NCLT), Mumbai, under section 7 of the Insolvency and Bankruptcy Code 2016 by State Bank of India, one of the secured lenders which has been contested by the Company, for the reasons stated in the said note. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as going concern. The appropriateness of assumption of going concern is critically dependent upon the Company's ability to raise requisite finance / generate cash flows in future to meet its obligations and approval of its resolution plan.

Our conclusion is not modified in respect of these matters.

**5. Qualified Conclusion**

Based on our review conducted as stated above, *except for the possible effects of the matter described in the Para 3 above 'Basis for Qualified Opinion'*, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5<sup>th</sup> July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

## Notes:

1. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 30th October, 2018. The Statutory Auditors of the Company have carried out a Limited Review of the above results.
2. In previous year, the Directorate of Enforcement had provisionally attached the Plant and Machinery under installation at Dagori Integrated steel plant situated at Bilha, Bilaspur (Chhattisgarh) to the extent of Rs. 20616 lakhs for alleged misuse of coal raised from Gare Palma IV/4 coal block at Chhattisgarh. The Company challenged the provisional order before the Adjudicating Authority. The Adjudicating Authority dismissed the appeal filed by the Company and confirmed the Provisional Attachment. The Company has filed an appeal before the Appellate Authority. The Appellate Authority issued notice to Directorate of Enforcement and also directed Directorate of Enforcement not to take any coercive steps and also directed the Company not to create any third party interest in the property. The matter is now listed for hearing on 8th January, 2019.

Further, during the quarter, the Company has received another provisional attachment order dated 13th July, 2018 from the Directorate of Enforcement for an amount of Rs. 10142 lakhs for a period of 180 days. The attached properties include the Freehold Land situated at Dagori Project, Bilha, Bilaspur (Chhattisgarh) valuing Rs. 2092 lakhs and Office and Factory Building and Plant and Machinery of the Sponge Iron Plants (350 TPD + 500 TPD) at Steel Plant Division, Siltara, Raipur to the extent of Rs. 8050 lakhs. The Order inter-alia alleging that the benefits to the extent of Rs. 10142 lakhs accrued to the Company in the form of fresh share capital issuance for setting up end use projects related to captive coal mine of Gare Palma IV/4 coal block constitutes as part of Proceeds of Crime (POC) and it also directed the Company to not remove, part with or otherwise dealt with, the said properties so attached, without prior permission of the authority. Presently the matter is pending before the Adjudicating Authority. The matter is listed for hearing with the Adjudicating Authority on 5th November, 2018.

The Company has a good case on merits, is likely to succeed in refuting the allegations and does not expect any material liability on the Company on this account.

3. The Company underwent significant financial stress in the last four years due to cancellation of its three captive coal mines, payment of additional levy on mined coal as per the Hon'ble Supreme Court order and various other reasons which have resulted in financial constraints to the Company, losses in the operations, erosion of net worth and calling back of loans by few of the secured lenders. The Company had approached its secured lenders for an appropriate Debt Restructured Plan, which was approved by the super majority of the secured lenders. The Company had complied with the conditions of Debt Restructuring Scheme including getting Independent Evaluation Committee recommendation to the scheme, infusion of stipulated additional funds as Promoters Contribution as per the scheme and signing of its Master Restructuring Agreement by the Lenders.

However on the directions of Reserve Bank of India (RBI), which had not agreed to the approved Debt Restructuring Scheme being fully implemented within the stipulated time line of 13th December, 2017, State Bank of India (SBI), the lead secured lender, had filed an application under section 7 of the Insolvency and Bankruptcy Code, 2016, against the Company, claiming an amount of Rs. 51383 lakhs as default as on 30th November, 2017. The matter has now been listed for hearing on 12th November, 2018 before the National Company Law Tribunal (NCLT), Mumbai. In view of the Status Quo order issued by the Hon'ble Supreme Court, the matter is still at pre admission stage in NCLT.

Being aggrieved by the non-implementation of the approved Debt Restructuring Scheme, the Company had filed Writ Petition (WP) before the Hon'ble Bombay High Court, Mumbai, against RBI, which got dismissed. The Company has challenged the order of the Hon'ble Bombay High Court before the Hon'ble Supreme Court of India and on 16th April, 2018 the Hon'ble Supreme Court was pleased to issue notice and directed the parties to maintain status quo. The matter is now likely to be listed there on 1st April, 2019.

During the recent past the steel sector in India has improved, the margins and orders of the Company have improved, further all the lenders of the Company are continually supporting the operations of the Company; accordingly the Management is of the view that the above circumstances will not affect the operations of the Company and it continues to prepare the books of account on Going Concern basis.

4. The agreements in respect of non-current borrowings as at 30th September, 2018 of Rs. 242689 lakhs contains certain restrictive covenants including non-adherence of initial Rupee Term Loan repayment schedule and non-payment of interest thereon, as stipulated and debt service facility ratio. The Company has not complied with the terms of these covenants. Further, one of secured lenders had given loan recall notice in respect of non-current borrowings but allowing regular operations to the Company. The Company has not classified the said non-current borrowings to current liabilities as required by Ind AS 1 - "Presentation of Financial Statements". In respect of the above, the auditors have issued modified reports for the quarter and half year ended 30th September, 2018 and also the reports on the financial statements of earlier years.

5. The Ministry of Corporate Affairs (MCA), on 28th March, 2018 notified Ind AS 115 "Revenue from Contracts with Customers" as part of the Companies (Indian Accounting Standards) Amendment Rules, 2018 and the same is effective for the accounting periods beginning on or after 1st April, 2018. The Company has applied modified retrospective approach in adopting the new standard and accordingly the revenue from operations for the quarter and half year ended 30th September, 2018 is not comparable with previous year's periods reported. The adoption of this standard did not have any material impact to the financial results of the Company.
6. The figures for the corresponding previous periods / year have been regrouped / reclassified wherever necessary, to make them comparable.
