Dear Sirs,

We wish to disclose for information of the investing public that one of our production units which is located at Kathikudam, Thrissur District, Kerala, where we manufacture the product Ossein, is facing production disruption initially due to the flooding in Kerala and subsequently due to shortage of river water on which our plant operations are dependent. The damage caused to equipment and material due to the flooding is covered under Insurance and our claim is under process.

We will be able to quantify the resultant loss of production only after there is clarity on water availability from the river.

Thanking you,
Yours faithfully

For NITTA GELATIN INDIA LTD
