Leaders achieve greatness, because they persist on the path to success, no matter how tough the odds. Emerging from the challenging business environment of last year, we have realigned our growth journey this year, ascending to new levels of achievement, inspiration and impact.

In spite of the challenging business environment and structural reforms, your Company delivered strong double digit growth performance as committed during this financial year. Our various initiatives have made us more agile, customer centric and responsive to the diverse and rapidly evolving marketplace. Leaving behind negative impact of previous fiscal in the FY 2017-18 we have attained both topline growth and margin improvement.

In the year under review, our business turnover on comparable basis, grew by 16.73 % driven by volume growth of 10.18 % (42744 vehicles in FY 18 against 38795 vehicles in FY 17). And despite the uphill circumstances, profit after tax grew by 24.67% to Rs.46.19 crores and a strong track record of cash generation was also sustained.

The Company also made a sizeable progress in international market with an increase of export sales from 2288 vehicles to 3411. We foresee that efforts seeded are in the right direction and it as an important contribution for the future growth of the Company

As a forward looking company we are planning for the future today and continue to differentiate ourselves from others with our strong R&D tradition and foundations. With strong R&D support, the company has upgraded its manufacturing set up and made the required strategic tie-ups to firmly move towards transforming the product compliance with BS VI norms. The introduction of Green 3Wheeler last year was the beginning of a new era for the industry as well as for us. We have accelerated to innovate and invest behind these emerging categories with excellent results and believe that the electric vehicles are the future of automobile sector.

During FY 2018, the Company could enter in newer locations like Ecuador, Guatemala, Ethiopia, Iraq, Somalia, Afghanistan etc. with increasing its sales in existing markets like Nigeria, Mexico, Bangladesh, Kenya, Honduras, Peru etc.

Our presence

India presence

Within India, we are creating a stronger distribution network towards pan India presence. We are also creating a greater push towards the urban markets of our country with the product range of Diesel, Petrol, LPG, CNG and E-Rickshaw variants in addition to rural and semi urban markets.

Overseas presence

Our petrol/CNG variant not only widens our product basket and plugs a long-standing gap in our product portfolio, it also enables us to gain access to major export markets across the globe.

chairman's letter

Dear Shareholders,

This has been a year of 'Resilience in the face of headwinds'. This was a transformative year with the introduction of the Goods and Services Tax (GST), though trade conditions remained volatile during early implementation, they have since stabilised with an improvement in overall demand. The 3wheeler industry also moved in a positive direction with sales growing by 24% while exports recorded a whopping growth of 40%.

We at Atul have the benefit of a large portfolio that includes the economic pyramid with brands that have a relatively strong presence across the various categories. Our various initiatives have made us more agile, customer centric and responsive to the diverse and rapidly evolving marketplace. Our brands are driven by a low cost operative economy, making them more relevant to the consumers.

Accelerating Pace

Atul Auto was born from an unwavering belief that by following our inner voice and convictions, we can make our presence felt across the three wheeler landscape, in India and across shores. That is why even as our operating environment changed dramatically, our unwavering philosophy of placing clients at the heart of everything helped us deliver strong double digit growth.

Leaving behind negative impact of previous fiscal in the FY 2017-18 we have attained both topline growth and margin improvement. Our business turnover on comparable basis, grew by 16.73% driven by volume growth of 10.18% (42,744 vehicles in FY 18 against 38,795 vehicles in FY 17). And despite the uphill circumstances, profit after tax grew by 24.67% to Rs.46.19 crores along with strong and sustained cash generation. We also continued our proud tradition, as we have since 2009, of maintaining our Debt Free Status during FY 2017-18.

In alternative fuel three wheelers, we accelerated our growth momentum and further strengthened our competitive position. Export volume delivered outstanding performance primarily driven by volume growth as our exports reached 3411 vehicles as against 2288 vehicles in FY 17. We also spread our wings across the globe as we entered in newer locations during FY 2018 like Ecuador, Guatemala, Ethiopia, Iraq, Somalia, Afghanistan etc. This performance was further backed up by increasing sales in existing markets like Nigeria, Mexico, Bangladesh, Kenya, Honduras, Peru etc.

Emerging as a Strong Brand

At Atul we always look at the long arch of growth, planning moves today to create greater strategic leaps for tomorrow. Towards this we have continued focus on strong brand and market building initiatives. Our sales and distribution system, with national presence across urban and rural channels, remains a key competitive advantage.

Looking to achieve true transformation instead of just incremental growth, we continue to expand our direct coverage and leverage technology and intelligent analytics to significantly enhance our customer service. We have also continued to make significant investments in building capabilities to expand our product range and distribution channels for the future and substantial progress.

Transformation through Innovation

Our transformation program is designed to provide greater flexibility in how we are positioned across our diverse markets and customer base. Our foundations and long tradition of R&D differentiates us from others and helps us to evolve products and upgrade existing ones, thus providing the resilience and agility that today's trading environment demands.

With strong R&D support, we have upgraded our manufacturing set up that can produce BS IV vehicles in FY 2017. From fiscal year 2018, we have also made the required strategic tie-ups and firmly moving towards transforming the product compliant with BS VI norms.

The introduction of Green 3Wheeler last year was the beginning of a new era for the industry as well as for us. We have accelerated to innovate and invest behind these emerging categories with excellent results and believe that the electric vehicles are the future of automobile sector.

Powered by People

The key driver in delivering these strong results has been the important role that each of our businesses and functions have played. Individually and collectively, every Atul employee, has risen to the challenge. Through their efforts, the team across Atul is navigating the testing times in a robust way. Moreover, the Board and management are laying the foundations to make the Company more resilient and better able to capture the opportunities ahead.

Towards a Brighter Future

Atul is accelerating on a path towards new horizons of growth, just as a New India is taking shape. This transformative direction we are taking is reflected in our theme "Naye Bharat ka Humsafar" We have a proven business model that supports long-term, compounding growth and sustainable value creation. Growing the core, evolving the portfolio and developing distribution channels remain at the heart of our future strategy.

I would like to thank all our stakeholders for standing strong by us through our journey. As we head towards the future and beyond, I assure you of our keen enthusiasm to take on new challenges and an unflinching commitment to deliver consistent growth, in any market environment.

Our Core
Focus Areas

BS VI NORMS

As a responsible corporate citizen, Atul is striving to promote environmental stewardship through its practices and products. We recognize the importance of balancing growth with our goal to protect the environment.

DELIVERING
PRODUCTS
GOOD FOR PROFIT
& THE PLANET

Bharat stage emission standards (BSES) are emission standards instituted by the Government of India to regulate the output of air pollutants from internal combustion engines and Spark-ignition engines equipment, including motor vehicles. The standards and the timeline for implementation are set by the Central Pollution Control Board under the Ministry of Environment & Forests and climate change.

Since October 2010, Bharat Stage (BS) III norms have been enforced across the country. Bharat Stage IV emission norms have been in place since April 2010 and it has been enforced for entire country since April 2017. In 2016, the Indian government announced that the country would skip the BS-V norms altogether and adopt BS-VI norms by 2020.

BS IV norms stipulate only 50 parts per million Sulphur compared with up to 350 parts per million under BS III. Also, Hydrocarbon, Nitrogen Oxide and particulate matter emissions are lower under BS IV.

With strong R&D support, the Company has upgraded its manufacturing set up that can produce BS IV vehicles in FY 2017 and from fiscal year 2018, the Company has also made the required strategic tie-ups and firmly moving towards transforming the product compliant with BS VI norms. Understanding the feedback from the market and implement the learning is need of the hour, the Company has been improving its product on continuous basis.

We are committing to adhering to the new emission free norms of a new India.

Our Core Focus Areas

ELECTRIC VEHICLE GREEN VEHICLE

Rising pollution levels in Indian cities and target to become energy independent are the major factors for push towards greener mobility. The Union government extended the Faster Adoption and Manufacturing of (Hybrid) and Electric Vehicles (FAME) scheme by six months or till the time the second phase of the scheme is approved by it.

As India aims to reduce 35% of its carbon footprint by 2030 under the Paris Climate Summit 2017, Atul is aiming to contribute in achieving the goal by developing electric vehicles that are 'Made in India'. As part of its commitment towards a greener tomorrow, it has focused towards improvement of Green 3wheelers run on electric energy, which have been introduced last year.

The belief that electric vehicles are the future of automobile sector was the prime motivation behind introducing E-vehicles during FY 2016-17. Called the "Elite" range, these vehicles straddle both the passenger and cargo segments and come in customizable configurations. With a running cost of just Rs. 0.3/km and Yearly Maintenance Cost of Rs. 6,500 only, these vehicles not only provide great value and savings for customers but also deliver zero carbon emissions and greener future for India.

The Board considers the introduction of Green 3Wheeler as beginning of new era for the industry as well as the Company.

DRIVING INNOVATION ⚡ DELIVERING DELIGHT

This is a moment of great transformation in the 3wheeler industry and Atul aspires to be a leading partner that of India towards the realization of a zero-emission society. This is our opportunity to address unprecedented challenges facing the planet and humanity.

Our Core
Focus Areas

RESEARCH AND DEVELOPMENT

TRANSFORMING TRANSPORTATION ON THREE WHEELS

At Atul our resolve to power ahead into the future is fuelled by the same innovation and the will to push boundaries. Since the 1970's we have been a trailblazer in the 3 wheeler auto category. Today, we are emerging with new vibrancy and energy as a powerful Company with 3 wheeler vehicles across the entire fuel range - Petrol, Diesel, CNG, LPG and Electric.

Your Company continues to derive sustainable benefit from the strong foundation and long tradition of R&D which differentiates it from others. We are focusing heavily on research and development to meet customer requirements, customer comfort, safety, mileage, technology upgradation, improving production quality etc. Towards this the R&D expenditure ramped up to Rs. 583.37 lakhs in FY 2017-18 as compared to Rs. 271.04 lakhs in FY 2016-17. With modern facilities and technology culture, we attracts the best talent to provide a significant technology differentiation to its products and processes.

Our vehicles are designed to navigate the toughest terrains and yet deliver the most efficient returns. Incorporating global standards and requirements in the design of new vehicles we are enhancing design efficiency with industry-standard technology- with each new vehicle being exposed to rigorous and extensive physical testing.

New products, processes and benefits flow from work done in various area of product development. This is the result of engineers and designers at Atul working closely with the 'front line' dealers and customers, receiving valuable first hand feedback. Thus inspiring relevant and exciting design solutions.

Atul is emerging stronger from the design table and accelerating faster towards a brighter future.

Our Core Focus Areas **EXPANDING EXPORT MARKET**

India is among the top 20 exporting countries and has emerged as the largest three-wheeler industry with a large domestic market and export base on the back of strong demand from local as well as international markets.

The reason behind export boom was higher demand for the last-mile connectivity in emerging markets of Africa and Southeast Asia.

Atul's export volume delivered outstanding performance driven by volume growth, with the number of vehicles exported reaching to 3411 vehicles in FY 18 as against 2288 vehicles in FY 17. As a part of long term approach we will continue to explore new locations as well as keep on penetrating deeply in the existing locations with proven strategies. During FY 2018, the Company could enter in newer locations like Ecuador, Guatemala, Ethiopia, Iraq, Somaliya, Afghanistan etc. with increasing its sales in existing markets like Nigeria, Mexico, Bangladesh, Kenya, Honduras, Peru etc.

Atul's strengths of quality, durability, reliability and innovation are help it leap across shores.

The Atul brand today is synonymous with crossing milestones that others thought was not possible. No wonder then that the innovation, quality and performance of Atul vehicles is making a difference to lives across landscapes, Indian and overseas.

TRAVELLING FURTHER ACROSS SHORES

MANAGEMENT DISCUSSION AND ANALYSIS

ECONOMY

The business environment for Indian companies and trade has been challenging over the last three years. Although India continues to be one of the fastest growing largest economies in the world, FY 18 begun with stiff challenges for business community. Structural changes like demonetisation and transformative changes like the Goods and Services Tax (GST) had an impact across all the sectors. The year witnessed the implementation of GST across the country on from 1st July, 2017, followed by the second round of GST slab reductions implemented by the Government in November. This was a year of uncertainty in the market and hence, there was a careful sentiment in trade. While your Company was prompt and smooth in transitioning to the new tax regime, given the framework of this large transition that the country experienced, the functional environment for your Company during the year remained challenging.

The result of these two reforms was evident as the Gross Domestic Product (GDP) growth came crashing down to a three-year low of 5.7 per cent in the first quarter of 2017-18. It was largely because of pre-GST jitters and lingering effects of demonetisation.

The Indian economy seems to have started on the road to recovery from second quarter. GDP increased to 6.5 per cent in the second quarter and to 7.2 per cent in the third quarter. The second advance estimate of national income released by the Central Statistical Organisation (CSO) of the Government of India on February 28, 2018 has pegged India's real GDP growth for 2017-18 at 6.6% - which represents a deceleration of 50 basis points compared to 7.1% of the previous year. World Bank and International Monetary Fund (IMF) had also projected India's economy to grow a tad higher at 6.7 per cent for 2017-18. So, the growth for 2017-18 should to be around the figure projected by second advance estimates, depending on the fourth quarter GDP numbers.

This has been exacerbated with the Twin Balance Sheet problem in Indian Economy. As on December 31, 2017, gross non-performing loan assets (NPAs) of all banks in the country amounted to Rs.8,40,958 Crore. Of this, gross NPAs on loans to industry were at Rs.6,09,222 Crore which is 20.4% of the gross advances. Provisioning for these loans in line with increasingly stringent prudential norms prescribed by the Reserve Bank of India (RBI) has severely affected bank profits, eroded balance sheets and led to a state where most, if not all, banks are reluctant to offer term loans as well as working capital advances. This has choked off funding for many companies which, in turn, has compromised growth.

The rise in GDP from the second quarter of 2017-18 suggests that the initial negative impact of the GST and Demonetisation may be waning.

THREE WHEELER INDUSTRY

The Indian automotive industry accounts for more than 8% of the country's GDP. The three-wheeler segment is the second fastest growing industry after two-wheeler. India has emerged as the largest three-wheeler industry with a large domestic market and export base on the back of strong demand from local as well as international markets. Moving in positive direction and opposite to economy growth trend in the year 2017-18, domestic 3 Wheeler sales grew by 24.19% to end the fiscal with the sale of 6,35,698 units as against 5,11,879 units sold in FY 2017. This was a much needed shot in the arm after a 4.9% decline in domestic sales in FY 2017. Moreover, exports were at 3,81,002 units during fiscal 2018 as against 271,894 units, recording a whopping growth of 40.13%. Riding high on the export front, the total three-wheeler industry ended FY 2018 with a 29.72% growth by hitting million units marks. The growth has been majorly led by surge in sales of passenger application. Passenger 3Wheeler sales grew @ 33.26% to end the fiscal with 8,94,234 units (6,71,189 units in FY17), the goods carrier saw a growth of 8.78% only to end at 1,22,466 units (1,12,584 units in FY17)

Geographically, Tier-II cities accounted for the highest revenue share of three wheelers as the major sales of e-rickshaw and CNG powered three wheelers are growing significantly in Tier-II cities. Tier-III cities and rural India are the most opportunistic and fastest growing markets and are expected to dominate the market in coming years.

In urban markets, replacement demand has also been an important growth driver where in improving network of CNG fuel stations is driving replacement of older petrol or diesel powered 3Ws with ones based on CNG. Despite the fact that the usage of CNG is only mandatory in limited urban part of the country, the acceptance for CNG-based 3Ws has caught up in other cities as well primarily on back of favorable operating economics. The cargo variants face tough competition from small CVs but certain attributes like ease of operating and low cost operating economy support their sales.

The reason behind export boom was higher demand for the last-mile connectivity in emerging markets of Africa and Southeast Asia.

The Chart A shows the growth in 3Wheeler Industry vis-à-vis growth in performance of the Company.

COMPANY'S OPERATIONAL PERFORMANCE

It gives us great pleasure to share with you an update on the performance of your Company for the year 2017-18. It was a transformative year with the introduction of the Goods and Services Tax (GST), an important development that has created a single national market and will benefit both consumers as well as the industry. While trade conditions remained volatile during early implementation, they have since stabilised and there is an improvement in overall demand.

In this challenging business environment, your Company delivered a strong performance, could deliver the double digit growth as committed. Our various initiatives have made us more agile, customer centric and responsive to the diverse and rapidly evolving marketplace. Leaving behind negative impact of previous fiscal, in the FY 2017-18 we have attained both topline growth and margin improvement. In the year under review, our business turnover on comparable basis, grew by 16.73 % driven by volume growth of 10.18 % (42744 vehicles in FY 18 against 38795 vehicles in FY 17). EBITDA margin on a comparable basis, expanded by 21.23 % (Rs. 7512 lacs in FY 18 as against Rs. 6196 in FY 17). EBDITA Margin of the Company remained 13.51%. Profit after tax grew by 24.67% to Rs.46.19 crores. The strong track record of cash generation was sustained. The Board of Directors have proposed a final dividend of Rs.2.50 per share, subject to the approval of the shareholders at the Annual General Meeting. Together with an interim dividend of Rs.2.75 per share, the total dividend for the financial year ended March 31, 2018 amounts to Rs. 5.25 per share. Each of our businesses and functions played an important role in delivering these strong results. In alternative fuel three wheelers, we accelerated our growth momentum and further strengthened our competitive position. Export volume delivered outstanding performance driven by volume growth. Number of vehicles exported reached to 3411 vehicles as against 2288 vehicles in FY 17.

We also continued to innovate and invest behind emerging categories like electric 3 wheelers with excellent results. We have continued focus on strong brand and market building initiatives. Our sales and distribution system, with national presence across urban and rural channels, remains a key competitive advantage. We continued to expand our direct coverage and leverage technology and intelligent analytics to significantly enhance our customer service. The Company also continued to make significant investments in building capabilities to expand its product range and distribution channels for the future and substantial progress. Savings in costs and cash helped the business to invest behind growth and still deliver a healthy margin improvement. We remain committed to drive growth and at the same time, create overall positive impact.

INTERNATIONAL BUSINESS

As per International Monetary Fund (IMF) data, the global economy grew at an average of 3.7% (2017) as compared to 3.2% (2016), and is expected to accelerate to 3.9% in 2018 and 2019. Amongst developed economies, there is a significant upward projection for US economy (2.7% in 2018 as compared to 2.3% in 2017), 2.2% growth in Euro zone and 1.2% in Japan. Emerging Asia as a group is unchanged at around 6.5% in 2018, broadly the same as 2017. Growth in Middle East & North Africa region is expected to remain subdued at 3.5% in 2018, while sub-Saharan Africa is expected to improve from 2.7% (2017) to 3.3 % (2018).

With increase of export sales from 2288 vehicles to 3411, the

Company foresees that efforts seeded are in right direction and it as an important contribution for the future growth of the Company. As a part of long term approach we will continue to explore new locations as well as keep on penetrating deeply in the existing locations with proven strategies. During FY 2018, the Company could enter in newer locations like Ecuador, Guatemala, Ethiopia, Iraq, Somaliya, Afghanistan etc. with increasing its sales in existing markets like Nigeria, Mexico, Bangladesh, Kenya, Honduras, Peru etc.

PRODUCT AND PRODUCT DEVELOPMENT

Your Company continues to derive sustainable benefit from the strong foundation and long tradition of R&D which differentiates it from others. New products, processes and benefits flow from work done in various area of product development. With modern facilities and technology culture, we attracts the best talent to provide a significant technology differentiation to its products and processes.

Our continuous focus on developing and evolving various products and upgrading existing one which provides the resilience and agility that today's trading environment demands. This has helped the company to create a business that is more consumer and customer-centric, faster, more efficient and empowered to enable faster decision-making. Given below are some of the key changes that are taking place and how your Company is preparing itself to turn them into opportunities.

Vehicles:

1. Development of all new alternative fuel 3 wheelers
2. Small cargo carrier
3. New designed Front Engine 3 wheelers
4. E auto

Technology:

1. Higher capacity gasoline engine
2. Preparing to meet with requirement for BS VI norms for entire range of product

With strong R&D support, the company has upgraded its manufacturing set up that can produce BS IV vehicles in FY 2017 and from fiscal year 2018, the Company has also made the required strategic tie-ups and firmly moving towards transforming the product compliant with BS VI norms. Understanding the feedback from the market and implement the learning is need of the hour, the Company has been improving its product on continuous basis.

The Company is also focused for improvement of Green 3wheeler run by electric energy which has been introduced last year. The Company is determined to explore this segment and believe that the electric vehicles are the future of automobile sector. The Board considers the introduction of Green 3Wheeler as beginning of new era for the industry as well as the Company.

OPPORTUNITIES AND THREATS

Our success as an organisation depends on our ability to identify opportunities and leverage them while mitigating the risks that arise while conducting our business. Your Company is constantly aligning its products, processes and strategies to the changing market conditions to stay ahead of competition. The key thrust areas under the strategic pillar of continuous improvement are achieving profitable growth, improving customer service and quality, and building back-end

capabilities to improve our processes.

In India, favorable demographics, rise in incomes, growing awareness due to technology, easier access to products & services, improvisation in legislation and changing lifestyles are contributing to major shifts in consumer behavior and offering immense potential for the auto industry. This presents significant opportunities and headroom for growth for your Company. Your Company has the benefit of a large portfolio that includes the economic pyramid with brands that have a relatively strong presence across the various category and type of the vehicles on 3 wheelers platform. Our brands are driven by a low cost operative economy, making them more relevant to the consumers. To harness the opportunities in India, your Company is making significant investments in the categories of the future.

Auto companies are subjected to strict environmental regulations in India. The Bharat Stage regulations are constantly upgraded in India and hence the companies have to constantly modify their products in order to fall in line with the regulations which need constant and continuous investment to upgrade. This may affect the bottom-line of the Company.

Rising pollution levels in Indian cities and target to become energy independent are the major factors for push towards greener mobility. The Union government extended the Faster Adoption and Manufacturing of (Hybrid) and Electric Vehicles (FAME) scheme by six months or till the time the second phase of the scheme is approved by it. The Government is yet to freeze the contours of phase-2 of the FAME. Further clarity on government policies in this sector is awaited. The time when the Company is ready with its Green Vehicles variants, the clarity in this matter will be positive for the Company.

The Company is committed towards green tomorrow. With support of strong R & D, Dealer Network and Proven Strategies, the Company would overcome the barriers to come in a way and would excel in the industry in coming years.

OUTLOOK

From a fundamental and medium-term perspective, automobile industry and within that 3 wheeler industry will continue to offer sizeable headroom for growth by increasing penetration as well as consumption. India continues to be one of the fastest growing economies in the world and this is expected to continue in financial year 2018-19, as per the latest economic survey. With GST having been successfully implemented, trade conditions have stabilised and we are witnessing a gradual improvement in demand. With announcement of budgetary allocation of Rs.14.34 Lakh Crores in the rural area for fiscal year 2018-19, the demand from rural sector will probably go up. We expect government spending plans such as increases to Minimum Support Price (MSP), provision of health insurance, etc. to bolster rural development and drive consumption. Normal monsoon, as forecasted, will help the overall economy. Crude oil led inflation, emerging global events and disruptions, if any, from state elections are potential headwinds which need to be managed carefully.

Considering the growth potential and downside risks, the government expects India's GDP to expand at a growth rate between 7.0 - 7.5 per cent during 2018-19.

Your company, with its brands, talent and investment in capabilities, is well placed to leverage these opportunities. Your Company's strategy to lead market development while keeping the sustainable living plan

its core, will enable it to create long-term value for all stakeholders.

Your company has a proven business model that supports long-term, compounding growth and sustainable value creation. Growing the core, evolving the portfolio and developing distribution channels are at the heart of our strategy to deliver long-term, compounding growth and sustainable value creation.

RISK AND CONCERN

Crude prices have been rising over last one year and this trend is expected to continue in 2018. Rising commodity prices will put some cost pressures in the year 2018-19. In addition to that the intensifying competition with price led marketing actions remain concern for bottom-line. Any increase in interest rate may also affect the spending decisions of the buyer.

INTERNAL CONTROL SYSTEMS

The Company has satisfactory internal control systems, which are continuously evaluated by professional auditors of repute. The company continues to improve the present internal control systems by implementation of appropriate policy and processes. The Company is focused on incorporating the controls and checks in ERP system of SAP. An increased emphasis has been laid on Internal Control Systems and Vigilance Systems to ensure efficacy and monitoring of the Company's operations.

HUMAN RESOURCES & INDUSTRIAL RELATIONS

Human Resource Development activity includes workforce planning, employee engagement, performance & compensation management, learning and development, career & succession planning and organization development. Towards sustenance and delivering improved results, these activities have a structured approach, policies and standard operating procedures which are reviewed and updated periodically. The Company is committed to nurturing, enhancing and retaining top talent through superior Learning & Organizational Development.

As on March 31, 2018, the number of employees working with the Company was 868.

Continuously, the Company maintains good industrial relations without any disruption in work.

APPOINTMENT/RE-APPOINTMENT OF DIRECTORS & TENURE

The Directors of the Company are appointed / re-appointed by the Board on the recommendations of the Nomination and Remuneration Committee and approval of the Members at the General Meetings. All Directors, except the Managing Director and Independent Directors of the Company, are liable to retire by rotation at the AGM each year and, if eligible, offer themselves for re-appointment. The Executive Directors on the Board have been appointed as per the provisions of the Companies Act, 2013 and serve in accordance with the terms of their contract of service with the Company.

Pursuant to section 152(6) of the Companies Act, 2013, the term of office of Mr. Mahendra J Patel is liable to retire by rotation. Being eligible, he offers himself for reappointment. This has been put up as one of the agenda items in the Notice of ensuing Annual General Meeting for the voting by shareholders.

The Company has adopted the provisions with respect to appointment and tenure of Independent Directors which are consistent with the Companies Act, 2013 and the Listing Regulations. The Independent Directors will serve a maximum of two terms of five years each, after the introduction of the Companies Act, 2013. Ms. Margie S Parikh has been appointed as Independent Director of the Company at Twenty Seventh Annual General Meeting of the Company for an initial period of 3 (Three) years with effect from August 31, 2015 and this term expires on August 30, 2018. On the basis of recommendations of the Nomination and Remuneration Committee, the Board of Directors has decided to extend her term for two years more as permissible under the Act. This is subject to approval of the shareholders at the ensuing Annual General Meeting.

The terms of office of all three Executive Directors of the Company namely Mr. J J Chandra, Mr. Mahendra J Patel and Mr. Niraj J Chandra are expiring in coming months. Considering their performance, the Nomination and Remuneration Committee has recommended the Board to re-appoint them for further three years and also to revise the remuneration with performance of the Company. The Board has decided to do so with approval of the shareholders in ensuing Annual General Meeting.

The brief profile of all Directors whose reappointment is sought in ensuing Annual General Meeting is annexed to the Notice.

BOARD INDEPENDENCE

Our definition of 'Independence' of Directors is derived from Section 149(6) of the Companies Act, 2013 and Regulation 16 of the Listing Regulations. Based on the confirmation / declarations received from the Directors and on evaluation of the relationships disclosed, all Non-Executive Directors other than Mr. Vijay Kedia are Independent.

BOARD MEETINGS

The Board meets at regular intervals to discuss and decide on Company / Business policy and strategy apart from other Board business. The tentative date of the Board and Committee Meetings is circulated to the Directors well in advance to facilitate them to plan their schedule and to ensure meaningful participation in the meetings. However, in case of a special and urgent business need, the Board's approval is taken by passing resolutions by circulation, as permitted by law, which are noted and confirmed in the subsequent Board Meeting.

Five Board Meetings were held during the year, as against the minimum requirement of four meetings. The details of Board meetings held are given below:

Date of Meeting	Strength of Board	No. of Directors Present
May 13, 2017	8	8
August 12, 2017	8	5
December 02, 2017	8	7
February 10, 2018	8	7
March 12, 2018	8	7

The maximum interval between any two meetings was well within the maximum allowed gap of 120 days.

BOARD PROCEDURES

The Board has complete access to all information of the Company and is regularly provided advanced detailed information as a part of the agenda papers or is tabled therein. In addition, detailed quarterly performance report by CFO is presented in the quarterly Board meeting, encompassing all facets of the Company's operations during the quarter, including update of key projects, outlook and matters relating to environment, health & safety, corporate social responsibility etc. The Company provides the information as set out in Regulation 17 read with Part-A of Schedule II of Listing Regulation to the Board and the Board Committees to the extent it is applicable and relevant.

The Company Secretary attends the Board and Committee meetings and advises the Board on Compliances with applicable laws and governance. The important decisions taken at the Board/ Committee meetings are communicated to the concerned departments/ divisions. The draft minutes of the Board and its Committees are sent to the members for their comments and then the minutes are entered in the minutes book within the time period provided in the Secretarial Standard.

SEPARATE INDEPENDENT DIRECTORS' MEETINGS

The Independent Directors meet at least once in a year, without the presence of Executive Directors or Management representatives. During the financial year ended March 31, 2018, the Independent Directors met two times on May 12, 2017 and February 10, 2018. All Independent Directors were present in both the meetings. They review the performance of non-Independent Directors and the Board as a whole and the performance of the Chairperson of the Company, taking into account the views of Executive Directors and Non-Executive Directors. They have also assessed the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

In addition to this formal meeting, interactions outside the Board meetings also take place between the Chairman and Independent Directors.

FAMILIARISATION PROGRAMME

At the time of appointing a Director, a formal letter of appointment is given to him/ her, which inter alia explains the role, function, duties and responsibilities expected of him/ her as a Director of the Company. The Director is also explained in detail the Compliance

required from him/ her under the Companies Act, 2013, Listing Regulation and other various statutes and an affirmation is obtained. The Chairman and Managing Director also has one to one discussion with the newly appointed Director to familiarize him/ her with the Company's operations.

On an ongoing basis, the familiarization activities are done in the separate session on the day of meeting of board of directors, preferably after the completion of the meetings. Three such sessions around two hours each have been held during the year. The sessions have been conducted by Mr. Paras Viramgama, Company Secretary and Mr. J V Adhia, President – Finance. All Independent Directors have attended the same.

The details of familiarization programme have been posted on the website of the Company and can be accessed through the following link: https://atulauto.co.in/upload/investor-relation/attachment/53/1425983604_atulauto_id-familiarization-programme.pdf

BOARD EVALUATION

In terms of applicable provisions of the Companies Act, 2013 read with Rules framed thereunder and Part D of Schedule II of the Listing Regulations and on the recommendation of the Nomination and Remuneration Committee, the Board of Directors has put in place performance evaluation policy to formally evaluate the effectiveness of the Board, its Committees along with performance evaluation of each Director to be carried out on an annual basis. The same can be accessed through web-link: https://atulauto.co.in/upload/investor-relation/attachment/47/1431604614_performance-evaluation-policy_atulauto.pdf

Accordingly, the annual performance evaluation of the Board, its Committees and each Director was carried out for the financial year 2017-18. A structured questionnaire was prepared after circulating the draft forms, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of specific duties, obligations and governance. The performance evaluations of all the independent directors have been done by the entire Board of Directors, excluding the director being evaluated. Independent Directors have evaluated the performance of non-independent directors and Board as a whole at the separate meeting of Independent Directors. Independent directors have also reviewed the performance of the Chairperson of the company, taking into account the views of executive directors, non-executive directors, President - Finance and President - Marketing. The guidance note issued by SEBI on Board Evaluation was duly considered while conducting the evaluation exercise.

The Board of Directors at its meeting held on February 10, 2018, has noted the overall feedback on the performance of the Directors and the Board as a whole and its Committees. Based on the outcome of the Evaluation, the Board and Committees have agreed on the action plan to improve on the identified parameters.

As an outcome of the above exercise, it was noted that the Board as a whole is functioning as a cohesive body which is well engaged with different perspectives. The Board Members from different backgrounds bring about different complementarities that help Board discussions to be rich and value adding. It was also noted that the Committees are functioning well and besides the Committee's terms of reference as mandated by law, important issues are brought up and discussed in the Committee Meetings. The evaluation exercise

also suggested that the Board succession planning exercise has been embedded well in the Board processes.

COMMITTEES OF THE BOARD

The Board Committees play a crucial role in the governance structure of the Company and have been constituted to deal with specific areas / activities as mandated by applicable regulation; which concern the Company and need a closer review. The Board Committees are set up under the formal approval of the Board to carry out clearly defined roles which are considered to be performed by Members of the Board, as a part of good governance practice. The Chairman of the respective Committees informs the Board about the summary of the discussions held in the Committee Meetings. The outcomes of the meetings of all Committees are placed before the Board for review. The Board Committees can request special invitees to join the meeting, as appropriate.

The Board has established the following statutory Committees:

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit of standalone Ind AS financial statement in accordance with the Standards on Auditing specified under section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial

statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

ANNEXURE B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls over financial reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the act')

We have audited the internal financial control over financial reporting of ATUL AUTO LTD ('the company') as of March 31, 2018 in conjunction with our audit of the standalone Ind AS financial statement of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, and accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the

reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of the management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018 based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. FIRST TIME ADOPTION OF IND AS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES FOLLOWED BY THE COMPANY

1.1 Basis of preparation

These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) [the Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements up to year ended March 31, 2017 were prepared in accordance with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act.

These financial statements are the first financial statements of the Company under Ind AS. Refer note 1.2 for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III (Division II) to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

1.2 First-time adoption of Ind AS Transition to Ind AS

These are the Company's first standalone financial statements prepared in accordance with Ind AS.

The accounting policies set out in note 1.3 have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of an opening Ind AS Balance Sheet at April 01, 2016 (the Company's date of transition). In preparing its opening Ind AS Balance Sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP).

1.2.1 Exemptions and exceptions availed

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS, which are considered to be material or significant by the Company.

Ind AS optional exemptions

- (i) Deemed cost for Investment in Associate

Ind AS 101 provides a one time option to a first-time adopter either to measure its investment in Associate as per previous GAAP carrying value or at fair value on the date of transition. The Company has elected to measure its investment in Associate as per previous GAAP carrying value.

Ind AS mandatory exceptions

- (i) Estimates

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error. Ind AS estimates as at April 01, 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Company made estimates for following item in accordance with Ind AS at the date of transition as this was not required under previous GAAP :-

- Investment in mutual funds carried at Fair value through profit or loss.
- Provision for expected credit loss on risk sharing arrangement.

- (ii) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS and apply requirements in Ind AS 109 prospectively for transactions occurring on after the date of transition to Ind ASs.

- (iii) Fair valuation of Government grant/loan

Ind AS 101 requires that a first-time adopter shall classify all Government loans received as a financial liability or an equity instrument in accordance with Ind AS 32. Except as permitted by paragraph B11, a first-time adopter shall apply the requirements of Ind AS 109 and Ind AS 20, prospectively to Government loans existing at the date of transition to Ind AS and shall not recognise the corresponding benefit of the Government loan at a below-market rate of interest as a Government grant. Consequently, if a first-time adopter did not, under its previous GAAP, recognise and measure a Government loan at a below-market rate of

interest on a basis consistent with Ind AS requirements, it shall use its previous GAAP carrying amount of the loan at the date of transition to Ind ASs as the carrying amount of the loan in the opening Ind AS Balance Sheet.

In line with above mandatory exception, Company has continued previous GAAP value for Central Government Capital Subsidy in the opening Ind AS Balance Sheet.

1.2.2 Reconciliations between previous GAAP and Ind AS

Impact of Ind AS adoption on the Statement of Cash Flows for the year ended March 31, 2017

- There are no material adjustments of transition to the Statement of Cash Flows to conform to Ind AS presentation for the year ended March 31, 2017.
- Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following tables represent the reconciliations from previous GAAP to Ind AS.

1.3 Notes to first-time adoption**Note 1: Investments**

Under the previous GAAP, investments in mutual funds were classified as cash & cash Equivalent based on the intended holding period and realisability. Investments were carried at fair value. Under Ind AS, these investments are required to be measured at fair value and presented as current Investment, so there is no adjustment required for Investment in Mutual Fund.

Note 2: Investment Property

Under the previous GAAP, investment properties were presented as part of Fixed Assets. under Ind AS, investment properties are required to be separately presented on the face of the Balance Sheet. There is no impact on the total equity or profit as a result of this adjustment.

Note 3: Proposed dividend and tax thereon

Under the previous GAAP, dividends proposed by the Board of Directors after the Balance Sheet date but before the approval of the financial statements were considered as adjusting events. Accordingly, provision for proposed dividend and tax thereon was recognised as a liability. Under Ind AS, such dividends are recognised when the same is approved by the shareholders in the general meeting. Accordingly, the liability for proposed dividend and tax

thereon, included under provisions has been reversed with corresponding adjustment to retained earnings.

Note 4: Excise duty

Under the previous GAAP, revenue from sale of products was presented inclusive of excise duty. under Ind AS, revenue from sale of goods is presented inclusive of excise duty for the first quarter. The excise duty paid is presented on the face of the Statement of Profit and Loss as part of expenses. There is no impact on the total equity and profit.

Note 5: Remeasurements of post-employment benefit obligations

Under Ind AS, remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss. under the previous GAAP, these remeasurements were forming part of the Statement of Profit and Loss for the year. There is no impact on the total equity.

Note 6 : Unpaid Dividend & Expense Payable

Under Indian GAAP these are presented as current liabilities but under Ind AS these are presented as other Financial liabilities so, there is no impact on the total equity and profit.

Note 7 : Deferred Tax Liability

Under Indian GAAP, deferred tax accounting was done using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under Indian GAAP. According to the accounting policies, the Company has to account for such differences. Deferred tax adjustments are recognised in correlation to the underlying transaction in retained earnings on the date of transition.

Note 8 : Provision for expected credit loss

Under Ind AS provision for expected credit loss on financial assets which measured at amortized cost is required to be made but there is no provision in Indian GAAP for this so, as per Ind AS 101 provision for ECL is recognized and corresponding effect is recognized in retained earning.

Note 9 : Other comprehensive income

Under Ind AS, all items of income and expense recognised in a period should be included in the Statement of Profit and Loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the Statement of Profit and Loss as 'other comprehensive income' includes remeasurements of defined benefit plans. The concept of other comprehensive income did not exist in Indian GAAP.

1.4 Summary of significant accounting policies followed by the Company**1.4.1 System of Accounting**

- (i) The Company follows the mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties.
- (ii) Financial statements are prepared under the historical cost convention, except for certain financial assets that are measured at fair value.
- (iii) Estimates and assumptions used in the preparation of these financial statements and disclosures made therein are based upon Management's evaluation of the relevant facts and circumstances as of the date of the financial statements, which may differ from the actual results at a subsequent date. The following are items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about basis of calculation for each affected line item in the financial statement.
 - (a) Provision for warranty claims
 - (b) Valuation of employee benefits
 - (c) Provision for tax expenses
 - (d) Provision for expected credit loss on risk sharing arrangement
 - (e) Provision for after sales activities

1.4.2 Revenue recognition

- (A) sales
 - (i) Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of value added taxes, returns, discounts, after rolling out of Goods & Services tax in India Revenue is presented exclusive of tax. The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.
 - (ii) Domestic sales are accounted for on dispatch from the point of sale corresponding to transfer of significant risks and rewards of ownership to the buyer.
 - (iii) Export sales are recognised on the date of the shipped on board signifying transfer of risks and rewards of ownership to the buyer as per terms of sale and initially recorded at the relevant exchange rates prevailing on the date of the transaction.
- (B) Export incentives

Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.
- (C) Other income

The Company recognises income (including rent etc.) on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

1.4.3 Property, plant and equipment and depreciation

- (i) Property, plant and equipment except land are carried at historical cost of acquisition, construction or manufacturing cost, as the case may be, less accumulated depreciation and impairment thereon if any. Freehold land is carried at cost of acquisition. Cost represents all expenses directly attributable to bringing the asset to its working condition capable of operating in the manner intended.
- (ii) Costs incurred to manufacture property, plant and equipment and intangible are charged to particular Property plant & equipment. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.
- (iii) Buildings acquired/constructed which is rented out by the company are categorised as investment property.

Transition to Ind AS

On Transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 01, 2016 measured as per previous GAAP which in case of the Company, corresponds with carrying costs measured in accordance with Ind AS 16 Property, plant and equipment.

- (iv) Depreciation and amortisation methods, estimated useful lives and residual value

On Tangible assets

- (a) Depreciation is provided on a pro rata basis on the straight line method to allocate the cost, net of residual value over the estimated useful lives of the assets.
- (b) Useful life of assets are determined by the Management by internal technical assessments and such useful life is in conformity with Schedule - II of the Companies act. Depreciation on additions is being provided on pro rata basis from the month of such additions.
- (c) Depreciation on assets sold, discarded or demolished during the year is being provided up to the month in which such assets are sold, discarded or demolished.
- (v) Impairment of assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash generating units).

1.4.4 Intangible assets

Product Development Cost

Product Development Cost incurred on new vehicles platforms, variants on existing platforms and new vehicles aggregates are recognized as intangible assets and are included under fixed assets. These amounts are amortized over sixty months from the commencement of commercial production.

SAP Implementation Charges

Expenses incurred for implementation of SAP are recognized as intangible assets and are included under fixed assets. The amounts are amortized over sixty months from the implementation of SAP.

Transition to Ind AS

On Transition to Ind AS, the Company has elected to continue with the carrying value of all of intangible assets recognised as at April 01, 2016 measured as per previous GAAP which in case of the Company, corresponds with carrying costs measured in accordance with Ind AS 38 Intangible assets.

1.4.5 Investment Property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Depreciation on investment property is provided on a pro rata basis on straight line method over the estimated useful lives. Useful life of assets, as assessed by the Management,

corresponds to those prescribed in Part 'C' Schedule II of the Companies act.

Transition to Ind AS

On Transition to Ind AS, the Company has elected to continue with the carrying value of investment property recognised as at April 01, 2016 which in case of the Company, corresponds with carrying costs measured in accordance with Ind AS 40 Investment Properties.

1.4.6 Investments, Financial Assets and Financial Liability

(a) Investment in Associate

Interest in Associate is recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments. The Company assesses at the end of each reporting period, if there are any indications that the said investments may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

Transition to Ind AS

On Transition to Ind AS, the Company has elected to continue with the carrying value of investment property recognised as at April 01, 2016 which in case of the Company, corresponds with carrying costs measured in accordance with Ind AS 27 'Separate Financial Statements'

(b) Investment in Subsidiary

Interest in Subsidiary is recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments. The Company assesses at the end of each reporting period, if there are any indications that the said investments may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

(c) Other investments and financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortised cost.
- The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will be recorded in profit or loss.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value.

Fair value through profit or loss: Assets that do not meet the criteria for amortised cost, are measured at fair value through profit or loss e.g. investments in mutual funds.

(iii) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.

(iv) Derecognition of financial assets

A financial asset is derecognised only when Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

(v) Income recognition

Dividend

Dividend are recognised in the statement of profit & loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the company and the amount of the dividend can be measured reliably.

Interest Income

Interest income from fixed deposits, corporate guarantee and from dealers deposits are recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

(d) Financial Liability

(i) classification as debt or Equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of a financial liability and an equity instrument.

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

(ii) Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables.

(iii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Trade and other payable

These amounts represent obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. These payable are classified as current liabilities if payment is due within one year or less otherwise they are presented as non-current liabilities. Trade

and payables are subsequently measured at amortised cost using the effective interest method.

Derecognition

Liability is removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/ (losses).

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Liability is classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

1.4.7 Foreign currency transactions

- (i) Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.
- (ii) On initial recognition, all foreign currency transactions are recorded at foreign exchange rate on the date of transaction.
- (iii) Monetary items of current assets and liabilities in foreign currency outstanding at the close of financial year are revalued at the appropriate exchange rates prevailing at the close of the year.
- (iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates, in case of monetary current assets and liabilities in foreign currency, are recognised in the Statement of Profit and Loss.

1.4.8 Inventories

Cost of inventories have been computed to include all costs of purchases (including materials), cost of conversion and other costs incurred, as the case may be, in bringing the inventories to their present location and condition.

- (i) Finished stocks of vehicles are valued at cost of manufacturing or net realisable value whichever is lower.
- (ii) Raw materials, Stores, Packing Materials tools and components are valued at cost arrived at on weighted average basis or net realisable value, whichever is lower, as circumstances demand. However, obsolete and slow moving items are valued at cost or estimated realisable value whichever is lower.

1.4.9 Research & Development expenditure

Research & Development expenditure is charged to revenue under the natural heads of account in the year in which it is incurred. Expenditure on development which does not meet the criteria for recognition as an intangible asset is recognized as an expense when it is incurred.

1.4.10 Taxation

Provision for tax is made for the current accounting period (reporting period) on the basis of the taxable profits computed in accordance with the Income-tax Act, 1961 and the Income Computation and Disclosure Standards prescribed therein.

Deferred taxes are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

1.4.11 Provisions and contingent liabilities

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation such as product warranty costs. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.4.12 Operating lease including on investment properties

As a Lessor

The company has leased out its assets and such leases where the company has substantially retained all the risks and rewards of ownership are as operating leases. Lease income on such operating leases are recognised in the statement of profit & loss on a straight line basis over the lease term in a manner which is representative of the time pattern in which benefit derived from the use of the leased asset is diminished. Initial direct costs are recognised as an expense in the statement of profit & loss in the period in which they are incurred.

As a Lessee

leases in which a significant portion of the risks and rewards of ownership are retained by lessor are classified as operating leases. Payments made under operating leases are charged to the statement of profit & loss on a straight line basis over the period of the lease in a manner which is representative of the time pattern in which benefit derived from the use of the leased asset is diminished.

1.4.13 Government Grants

Grants and subsidies from the government are recognized when there is reasonable assurance that

(i) the company will comply with the conditions attached to them, and

(ii) the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognized as deferred income and transfer to income in equal amounts over the expected useful life of the related asset.

Where the company receives non-monetary grants, the asset is accounted for on the basis of its acquisition cost. In case a non-monetary asset is given free of cost, it is recognized at a nominal value.

1.4.14 Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

1.4.15 Cash and cash equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, balance with banks.

1.4.16 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period. The weighted average number of equity shares outstanding during the period and all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.4.17 Segment Reporting

The company is engaged mainly in the business of automobile products. These, in the context of Indian Accounting Standard 108 on Segment Reporting, as specified in the Companies (Indian Accounting Standards) Rules, 2015, are considered to constitute one single primary segment. Further, there is no reportable secondary segment i.e. Geographical segment.

(v) Estimation of fair value

The best evidence of fair value is current prices in an active market for similar properties. Since investment properties leased out by the Company are cancellable, the market rate for sale/purchase of such premises are representative of fair values. Company's investment properties are at a location where active market is available for similar kind of properties. Hence fair value is ascertained on the basis of market rates prevailing for similar properties in those location determined by an independent registered valuer and consequently classified as a level 2 valuation.

Note - 34 Employee Benefits**(a) Gratuity**

Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully covers the same under Cash Accumulation Policy of the Life Insurance Corporation of India (LIC). However, any deficit in plan assets managed by LIC as compared to the liability on the basis of an independent actuarial valuation is recognised as a liability.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method in conformity with the principles and manner of computation specified in Ind AS 19.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Sensitivity Analysis

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Particulars	Current Period	Previous Period
Projected Benefit Obligation on Current Assumptions	394.65	361.33
Delta Effect of +1% Change in Rate of Discounting	-44.25	-44.71
Delta Effect of -1% Change in Rate of Discounting	53.66	54.67
Delta Effect of +1% Change in Rate of Salary Increase	49.04	54.30
Delta Effect of -1% Change in Rate of Salary Increase	-41.30	-45.22
Delta Effect of +1% Change in Rate of Employee Turnover	5.94	1.03
Delta Effect of -1% Change in Rate of Employee Turnover	-6.85	-1.32

(b) Provident Fund

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund.

(ii) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair value of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed the Indian Accounting Standards. Explanation of each level as follows :

- Level - 1** Hierarchy includes financial instruments measured using quoted price. This includes mutual funds & listed Equity shares that have quoted price. The mutual funds are valued using the closing NAV.
- Level - 2** The fair value of financial instruments that are not traded in an active market (for example trade bond, over-the-counter derivatives) is determined using valuation technique which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level-2.
- Level - 3** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Financial Assets Measured at Fair Value Measurements Recurring:

(Rs. in Lacs)

Particulars	March 31, 2018	March 31, 2017	March 31, 2016
Level -I

Level -II	-	-	-
Level -III	-	-	-
Total	4,533.83	1,588.85	0.03

Valuation Techniques used to determine fair value :

Opened ended Mutual funds are valued at closing NAV's declared by its Assets Management Companies .

Fair Value of Financial Assets and Liabilities measured at amortised cost:

The carrying amounts of trade receivables, trade payable, other financial assets/liabilities, loans and cash & cash equivalents are considered to be the same as their fair values.

The company's activities expose it to credit risk, liquidity risk and market risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and Cash Equivalents, financial assets and trade receivables	Aging analysis/ Credit Rating	Analysis of no. of overdue days and track record of debtors in past. The Company has taken insurance against default risk from trade receivable.
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash / cash equivalents and marketable investments
Market Risk- Foreign Exchange	Trade receivable from export transaction and trade payable from import transaction	Sensitivity analysis	Export of goods shall be made after receiving payments from customer and in other case original Bill of landing is held by company till payment received.

The Board provides guiding principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, credit risk and investment of surplus liquidity. The Company's risk management is carried out by a finance department as per the policies approved by the Board of Directors.

Credit Risk :

Credit risk arises from cash and cash equivalents, financial assets measured at amortised cost and fair value through profit or loss and trade receivables.

Credit Risk Management

For other financial assets the Company has an investment policy which allows the Company to invest only with counterparties having credit rating equal to or above AA+ and P1+. The company reviews the creditworthiness of these counterparties on an ongoing basis. Another source of credit risk at the reporting date is from trade receivables as these are typically unsecured. This credit risk has always been managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to whom credit is extended in the normal course of business. The Company estimates the expected credit loss on the basis of past data and experience. Expected credit losses of financial assets receivable in the next 12 months are estimated on the basis of historical data provided the Company has reasonable and supportable data. On such an assessment the expected losses are nil or negligible, as evidenced in the table below, and hence no further provision than that already made is considered necessary.

- **Credit Insurance Policy**

During the year company has taken credit insurance policy for covering default risk from trade receivable which reduces default risk at reasonable level.

Review of outstanding trade receivables and financial assets is carried out by Management at every month end. Company has a practice to provide for doubtful debts on a case to case basis after considering inter-alia customer's credibility etc. Provision is made in the books if they are considered to be doubtful.

- **Liquidity Risk:**

The Company's principal sources of liquidity are cash and cash equivalents and cash flows that are generated from operations. The Company has no outstanding term borrowings. The Company believes that its working capital is sufficient to meet its current requirements. Additionally, the Company has sizeable surplus funds invested in fixed income securities or instruments of similar profile ensuring safety of capital and availability of liquidity if and when required. Hence the Company does not perceive any liquidity risk.

Note - 37 Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the following new and amendments to Ind ASs which the Company has not applied as they are effective for annual periods beginning on or after April 01, 2018:

Ind AS 115 Revenue from Contracts with Customers

Ind AS 21 The Effect of Changes in Foreign Exchange Rates

Ind AS 115 – Revenue from Contracts with Customers

Ind AS 115 establishes a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers. Ind AS 115 will supersede the current revenue recognition standard Ind AS 18 – Revenue, Ind AS 11 – Construction Contracts when it becomes effective.

The core principle of Ind AS 115 is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Specifically, the standard introduces a 5-step approach to revenue recognition :-

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligation in contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations in the contract
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Under Ind AS 115, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e. when 'control' of the goods or services underlying the particular performance obligation is transferred to the customer.

The Company has completed its evaluation of the possible impact of Ind AS 115 and will adopt the standard with all related amendments to all contracts with customers retrospectively with the cumulative effect of initially applying the standard recognised at the date of initial application. Under this transition method, cumulative effect of initially applying Ind AS 115 is recognised as an adjustment to the opening balance of retained earnings of the annual reporting period. The standard is applied retrospectively only to contracts that are not completed contracts at the date of initial application. The Company does not expect the impact of the adoption of the new standard to be material on its retained earnings and to its net income on an ongoing basis.

Ind AS 21 – The Effect of Changes in Foreign Exchange Rates

The amendment clarifies on the accounting of transactions that include the receipt or payment of advance consideration in a foreign currency. The appendix explains that the date of the transaction, for the purpose of determining the exchange rate, is the date of initial recognition of the non-monetary prepayment asset or deferred income liability. If there are multiple payments or receipts in advance, a date of transaction is established for each payment or receipt. Company is evaluating the impact of this amendment on its financial statements.

INDEPENDENT AUDITORS' REPORT

on the Consolidated Indian Accounting Standards (Ind AS) Financial Statements

To the Members of ATUL AUTO LTD

Report on the Consolidated Ind As Financial Statements

We have audited the accompanying consolidated financial statement of ATUL AUTO LTD ('the Holding Company') and its Subsidiary (collectively referred to as 'the Company' or 'the Group') and its associate; (refer no. 1 to the attached consolidated financial statement) comprising of the consolidated balance sheet as at March 31, 2018, the consolidated statement of profit and loss (including other Comprehensive income), the consolidated statement of cash flow for the year then ended and the consolidated statement of change in equity for the year ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated Ind As financial statements').

Management's responsibility for the consolidated financial statements

The Holding Company's Board of Directors is responsible for the preparation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013 ('the Act') that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flow and change in equity of the group including its associate in accordance with accounting principles generally accepted in India including the Indian accounting standards specified in the companies (Indian Accounting Standards) Rule, 2015 (as amended) under section 133 of the act. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and of its associate and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on the consolidated Ind As financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the

audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind As financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Ind As Financial Statement that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor in terms of their reports referred to in other matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditor on separate financial statements and other financial information of the subsidiary, the aforesaid consolidated Ind As financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company, as at March 31, 2018, and their consolidated profit and their consolidated cash flow and consolidated change in equity for the year ended on that date.

These financial statements and other financial information have been audited by other auditor, whose audit report together with the financial statement, and other financial information have been furnished to us by the Management. Our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of such subsidiary, and our report in terms of sub-sections (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the report of other auditor.
2. Associate Company is Non - Banking Financial Company and as per Rule 4(1)(iv) of The Companies (Indian Accounting Standards) Rules, 2015 read with Companies (Indian Accounting Standards)

(Amendment) Rules, 2016 companies (Indian accounting standards) rules, NBFCs shall comply with the Indian Accounting Standards (Ind AS) for accounting periods beginning on or after April 01, 2018, with comparatives for the periods ending on March 31, 2018, or thereafter but as per explanation to Rule 4(1)(iv) of Companies (Indian Accounting Standards) Rules, 2015 read with Companies (Indian Accounting Standards) (Amendment) Rules, 2016 such companies need to provide relevant financial statement data which is in accordance with accounting policies followed by parent company. Consolidation of Associate is made on the basis of relevant financial statement data provided by associate which is in accordance with accounting policies followed by the parent company for consolidation purposes.

3. The financial information of the Company for the year ended 31 March 2017 and the transition date opening Balance Sheet as at April 01, 2016 included in these consolidated Ind AS financial statements, are based on the previously issued statutory financial statement for the year ended March 31, 2017 and financial information as at March 31, 2016 presented as comparative figures in financial statement for the year ended March 31, 2017 in accordance with the Companies (Accounting Standards) Rules, 2006 (as amended) which were audited by predecessor auditor, on which they expressed an unmodified opinion dated May 13, 2017. The adjustments to those financial statements for the differences in accounting principles adopted by the Company on transition to the Ind AS have been audited by us, on which we have expressed an unmodified opinion vide our report dated May 19, 2018.

Our opinion on the consolidated Ind AS financial statement and our report on other legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and reports of the other auditor and the financial statement/financial information certified by the management.

Report on other legal and regulatory requirements

As required by section 143 (3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiary and associate, as noted in the 'other matter' paragraph we report, to the extent applicable, that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
- b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
- c. The consolidated balance sheet, the consolidated statement of profit and loss including other comprehensive Income, consolidated statement of cash flow and consolidated statement of changes in equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
- d. In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standard) Rules, 2015 as amended;
- e. On the basis of the written representations received from the directors of the Holding company as on March 31, 2018 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its Subsidiary and associate company incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on March 31, 2018 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in 'Annexure A; and
- g. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. Refer to Note 9 to the consolidated financial statements;
 - ii. The company does not have any long-term contracts including derivative contracts, hence the question of any material foreseeable losses does not arise;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, subsidiary company and associate company incorporated in India.

ANNEXURE A TO THE AUDITORS' REPORT

Report on the Internal Financial Controls over financial reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the act')

In Conjunction with our audit of the consolidated financial statements of Atul Auto Limited as of and for the year ended March 31, 2018, we have audited the internal financial controls over financial reporting of the group and its associate company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Group and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, and accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors in terms of their report referred to in other matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of the management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group and its associate which are companies incorporated in India have, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018 based on the internal control over financial reporting criteria established by the Group and its associate company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Sr. No	Name of Company	Country of Incorporation	% Holding of AAL	% of Holding by others	Consolidated as
1	Atul Green Automotive Private Limited	India	100	-	Subsidiary
2	Khushbu Auto Finance Limited	India	30	70	Associate

* Consolidated Balance Sheet of Khushbu Auto Finance Limited Includes Sanand Home Finance Limited as subsidiary.

1.2 These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The financial statements up to year ended March 31, 2017 were prepared in accordance with the Accounting Standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act. These financial statements are the first financial statements of the Company under Ind AS. refer note 1.4 for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III (Division II) to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

1.3 Accounting policies applicable in Consolidated Financial Statements

- 1.3.1 The Company combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Inter-company transactions, balances and unrealised gains on transactions between group companies are eliminated.
- 1.3.2 Investments in associates are accounted for using the equity method of accounting, after initially being recognised at cost. Under the equity method of accounting, the investments are adjusted thereafter to recognise the Company's share of the post-acquisition profits or losses of the investee in profit and loss, and the Company's share of other comprehensive income of the investee in other comprehensive income.
- 1.3.3 Khushbu Auto Finance Limited is Non Banking Financial Company and as per Rule 4(1)(iv) of The Companies (Indian Accounting Standards) Rules, 2015 read with Companies (Indian Accounting Standards) (Amendment) Rules, 2016 companies (Indian accounting standards) rules, NBFCs shall comply with the Indian Accounting Standards (Ind AS) for accounting periods beginning on or after the 1st April, 2018, with comparatives for the periods ending on March 31, 2018, or thereafter but as per explanation to Rule 4(1)(iv) of Companies (Indian Accounting Standards) Rules, 2015 read with Companies (Indian

Accounting Standards) (Amendment) Rules, 2016 such companies need to provide relevant financial statement data which is in accordance accounting policies followed by parent company. Consolidation of Khushbu Auto Finance Limited is made on the basis of relevant financial statement data provided by associate which is in accordance with the accounting policies followed by the parent company for consolidation purposes.

Accounting policies followed by Associate :

Company has recognized its income by effective interest method, amortized processing fees and made provision for expected credit loss on its outstanding which is in accordance with Ind AS - 109.

1.4 First-time adoption of Ind AS

1.4.1 Transition to Ind AS

These are the Company's first consolidated financial statements prepared in accordance with Ind AS. The accounting policies set out in note 1 of standalone financial statements have been applied in preparing the financial statements for the year ended March 31, 2018, the comparative information presented in these financial statements for the year ended March 31, 2017 and in the preparation of an opening Ind AS Balance Sheet at April 01, 2016 (the Company's date of transition). In preparing its opening Ind AS Balance Sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the Accounting Standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP). An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following tables and notes.

1.4.2 Reconciliations between previous GAAP and Ind AS

Please refer Note to first time adoption as mentioned in Standalone Financial Statements when 'Note to first time adoption' is mentioned in above tables of reconciliation.

- 2 The accounting policies, notes and disclosures made by the parent are best viewed in its standalone financial statements to which these consolidated financial statements are attached. Accounting policies specifically related to consolidated financial statements are mentioned in note 1. Differences in accounting policies followed by the other entities consolidated have been reviewed and no adjustments have been made, since the impact of these differences is not significant.

3 Notes to first time adoptionChange in Share of Profit / (loss) in Associate

On the date of transition, Associate's previous GAAP net worth was considered for equity method of accounting. Under Ind AS, the share of net worth and profit under Ind AS is considered for the purpose of consolidation.

Gain on deemed dilution of ownership interest

Under previous GAAP gain on deemed dilution of ownership interest is recognized in consolidated Profit & Loss statement however in Ind AS such should be transfer to other Comprehensive Income.
