

**LINCOLN PHARMACEUTICALS LIMITED.**  
**Announcement under Regulation 30 (LODR)**

Ahmedabad, 15.10.2018, Lincoln Pharmaceuticals Ltd. is a Public Limited Company with a large Shareholder base. It has its own manufacturing facilities, covering all the major dosage forms like Tablets, Capsules, Injectables, Syrups, Ointments, Etc. Its present manufacturing facilities are located near Ahmedabad.

The Company has plan to set up a new Solar Plant of 1 Mega Watt at Factory's rooftop. That plant will produce nearly 15 Lakhs Power Unit P.A.. This plant will start in Last quarter of current year..

The Company has announced that, Company has applied to Pollution Control Board for permission of APIs unit. After getting this approval, the Company will set up a API unit. So, before the next Financial Year the Company will set up and produce the API. This will save the price fluctuation and due to that API source the company can be able to apply the products in U.S. and in other regulatory market.

The Company's business is going on very well. The Company has done the expansion in modernization of Plant in last two years and invested money for the same. The Company had installed a two windmill for saving of Power Bill. Looking to all these parameters, the performance for the Financial Year 2018-19 will be increase. The Company has adopted new Accounting norms as per the Ind AS. The company's Domestic and International business is growing well and in coming times also.
