INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF AMBUJA CEMENTS LIMITED

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **AMBUJA CEMENTS LIMITED** ("the Company"), which includes a Joint Operation consolidated on a proportionate basis for the quarter and nine months ended 30th September, 2018 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016.

This Statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
3. Based on our review conducted as stated above and based on the consideration of the review report of the other auditors referred to in paragraph 5 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. We draw attention to Note 2 to the Statement which describes the following matters:
 - a. In terms of the order dated 31st August, 2016, the Competition Commission of India (CCI) had imposed a penalty of Rs.1,163.91 crores for alleged contravention of the provisions of the Competition Act, 2002 by the Company. On Company's appeal, National Company Law Appellate Tribunal (NCLAT), which replaced the Competition Appellate Tribunal (COMPAT) effective 26th May, 2017, in its order dated 25th July, 2018 had upheld the

**Deloitte
Haskins & Sells LLP**

CCI's Order. The Company's appeal against the said judgement of NCLAT before the hon'ble Supreme Court was admitted vide its order dated 5th October, 2018 with a direction that the interim order passed by the Tribunal would continue.

- b. In a separate matter, pursuant to the reference filed by the Director, Supplies and Disposals, State of Haryana, the CCI vide its order dated 19th January, 2017 had imposed penalty of Rs.29.84 crores for alleged contravention of the provisions of the Competition Act, 2002 by the Company. On Company's filing an appeal together with application for interim stay against payment of penalty, COMPAT has stayed the penalty pending hearing of the application. The matter is listed before the NCLAT for hearing.

Based on the Company's assessment on the outcome of these appeals, supported by the advice of external legal counsel, the Company is of the view that no provision is necessary in respect of these matters.

Our report is not modified in respect of these matters.

5. We did not review the financial information of a joint operation included in the Statement whose results reflect total revenues of Rs.0.01 crores and Rs.0.03 crores for the quarter and nine months ended 30th September, 2018 respectively, as considered in this Statement. The results of the joint operation have been reviewed by other auditors whose report has been furnished to us, and our report in so far as it relates to the amounts and disclosures included in respect of the joint operation, is based solely on the report of such other auditors.

Our report is not modified in respect of this matter.

“Our continued focus on growing the topline with our well-defined marketing and commercial strategies focusing on the retail consumer, value added portfolio of products and services and selling more in our core markets helped deliver a good net sales growth of 10.4%. Sharp cost management helped mitigate the impact of headwinds coming from oil/fuel and rupee volatility and enabled us to deliver good results” said Ajay Kapur, MD & CEO, Ambuja Cement.

Performance

Cement volumes grew ~9% in Q3 2018 backed by a favourable demand trend. Net Sales increased to ₹ 2,522 crore from ₹ 2,284 crore in the same quarter of the previous year.

Operating EBITDA for the quarter was ₹ 358 crore against ₹ 354 crore in the corresponding quarter of the previous year. While the company reported good topline growth, there were pressures on account of rising costs especially for power & fuel, diesel, packing bags (impacted by increase in crude prices) coupled with volatility in the exchange rates. The company has focused on internal cost saving initiatives to contain the cost pressures.

PAT like for like is up by 6%. In the previous year Net Profit after Tax included ACC dividend of ₹ 103 crore. Adjusted for the same PAT stands at ₹ 179 crore against ₹ 169 crore in the corresponding quarter of the previous year.

Cement sales volumes grew by 10% during the quarter spurred by higher demand. Net sales during the quarter rose by 10% to ₹ 3364 crore compared to ₹ 3054 crore in the corresponding quarter of the previous year. The company's Ready Mix concrete sales volumes grew 12% driven by an increase in the sale of value added products and the addition of 8 new plants across the country.

Outlook

GDP growth in the last quarter was encouraging backed by good monsoon. Continued focus on GDP growth and infrastructure projects by the Government and a strong push on Housing for All and affordable housing led to good demand growth in the cement sector. Going forward we expect this to continue and accelerate further.

The Company is well placed to benefit from the above initiatives taken by the Government.
