Dear Sir,

This is regarding the news clarification sought by the exchange about "Indian tea firm strikes \$1 million export deal with Chinese Company COFCO". We shall like to clarify that besides domestic sale of tea the Company is a regular exporter of teas to various Countries in the World. It exports every year tea amounting to US \$ 12 to 15 Million. In the usual course of its regular business this Chinese Contract was signed with COFCO, which was advertised by them in their perspective. The said export will not have any material impact on the working of the Company.

Hope you find the same in order.

Thanking you,

Yours Faithfully,
For Jay Shree Tea & Industries Ltd.
