## PRESS RELEASE

### Kabra Extrusiontechnik - Battenfeld Cincinnati : Strengthen Cooperation

Kabra Extrusiontechnik Limited, India's largest extrusion machinery manufacturer & Battenfeld Cincinnati, Germany; world's leading extrusion machinery manufacturer are excited to announce that the partners have paved the way to further extend their cooperation beyond 2026.

The two companies have been in partnership since 1983 and the existing technology agreement, valid until the year 2026 has been extended further by enlarging the scope and making it more comprehensive and inclusive. Mr. Gerold Schley – CEO and Dr. Henning Stieglitz – CTO of Battenfeld Cincinnati along with Mr. S.V Kabra - Chairman & Mr. Anand Kabra Managing Director of Kabra Extrusiontechnik Ltd were in discussion for the last few months, on the ways to create a platform and understanding between the two Companies, so that the cooperation extends beyond 2026 & be mutually beneficial to both the Companies.

Mr. Schley said, "The new agreement with Kabra, will be a win win situation for both companies. I am very happy and satisfied with the relationship and the long cooperation we share with Kabra based on mutual trust, understanding and transparency. India is a very fast growing market and has always been an important region for BC, we look forward to bringing new technologies to India"

Mr. Anand Kabra said " I am very excited that Kabra will continuously bring in the best and latest technology for the Indian plastic processing Industry. The relationship between two companies is an perfect example of a long lasting successful Indo-German cooperation .Since the last three decades both Kabra and BC have considered each other as strong strategic partners and today are jointly the most trusted brands having the highest number of installations in India.
