Notes:

1. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 14th November 2018. Statutory Auditors of the Company have conducted Limited Review of these Financial Results.
2. The Company has adopted revenue recognition in accordance with Ind AS 115 'Revenue from Contracts with Customers' which is effective from April 1 2018. This did not have any material impact on the financial results for the period upto March 31, 2018 and for the quarter / half year ended September 30, 2018.
3. Management's response to the observations of the auditors on the financial statements for the year ended 31.03.2018:
 - a. The investments in and debts / advances due from Bombay Forgings Limited (BFL) was at Rs.89.86 Crore (Gross) as at 30th September 2018 as against Rs.86.49 Crore (Gross) as at 31st March 2018. Adequate provision of Rs.43 Cr (approx.) against trade receivables has been made in the accounts by way of expected credit loss. The management, considering its long-term view on the 'net exposures', the valuation of unencumbered fixed assets and value of current assets of BFL, considers the balance 'net exposures' to be 'Good' and adequately covered and barring unforeseen circumstances expects full realisability of the same in future.
 - b. The Company in previous years executed road construction projects in the state of Uttar Pradesh with National Highway Authority of India (NHAI) along with Centrodorstroy (CDS), Russia. The exposure on this account as at 30th September 2018 aggregated Rs.121.49 Crore as compared to Rs.123.97 Crore as at 31st March 2018. The amount of total claims now aggregates Rs.287.98 Crore (as at 31.03.2018: Rs.288.23 Crore). Arbitration hearings for various claims have been concluded and the award(s) are expected by January 2019. As all the losses expected are already recognized till the close of the period, in the opinion of the management, exposures of Rs.121.49 Cr at 42% of the claims are fully realizable, as also opined by a legal Consultant. These exposures are likely to be realized progressively over a period of next 1 to 2 years.

4. Result for the quarter ended September 30, 2017 has been restated to give effect to the Scheme of Arrangement & Amalgamation for transfer of Alloy Steel Rolling & Finishing Business (ASRFB), as Company gave effect to the Scheme in the Financial Statements of FY 2017-18 with effect from January 1, 2017, being the Appointed date under the Scheme.
5. Figures in respect of the previous period have been regrouped / recast wherever necessary.

Limited Review Report on the Unaudited Financial Results for the quarter ended September 30, 2018 pursuant to the Regulation 33 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015

To the Board of Directors

Mukand Limited

1. We have reviewed the accompanying Statement of Unaudited Financial Results of Mukand Limited ('the Company') for the quarter ended September 30, 2018 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular No. CIR/CFD/FAC/ 62/2016 dated July 5, 2016. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" as prescribed under Section 133 of Companies Act, 2013 ("the Act") read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with aforesaid accounting standard and other recognised accounting practices and policies, have not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations

and Disclosure Requirements) Regulations, 2015 read with Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. We draw attention to the following:

(a) Note 3(a) to the Statement, relating to the Exposures in Bombay Forging Limited ("BFL") aggregating Rs. 89.86 crores (gross) as at September 30, 2018 (Rs. 86.49 crores as at March 31, 2018). The Management has created a provision of Rs. 43 crores (approximately) on this exposure following the expected credit loss principle and barring any significant uncertainties in future, has relied upon the valuation of unencumbered fixed assets and the value of current assets for the balance portion of exposure in BFL.

(b) Note 3(b) to the Statement, relating to the exposures aggregating Rs. 121.49 crores as at September 30, 2018 (Rs. 123.97 crores as at March 31, 2018), in respect of road construction activity, the claims for which are being processed at various appellate fora and our reliance on the management's expectation backed by the legal opinion, of its realisibility of balances over a period of next 1 to 2 years.

Our report is not modified in respect of these matters.
