Limited Review Report on Standalone Financial Results

To
The Board of Directors,
The Orissa Minerals Development Company Ltd.
Kolkata

1. We have reviewed the accompanying statement of Unaudited Standalone Financial Results for the quarter ended and period ended 30th Sept, 2018 (the Statement), of The Orissa Mineral Development Company Ltd (Company) pursuant to the requirement of Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as amended by circular no. CIR/CFD/FAC/62/2016 dated 5th July 2016. These results were reviewed by us except for the disclosures regarding 'Public Shareholding and Promoter and Promoter Group Shareholding' which have been traced from the disclosure made by the management and have not been reviewed by us.

This statement, which is the responsibility of the company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on the review.

2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free from material misstatement. A review is limited primarily to inquiries of company personnel, analytical procedures applied to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Attention is drawn to the following:

- i. Note 1 of the financial results, which states that company's mining operations are under suspension due to non availability of statutory clearances. Mining leases are in process of renewal and accordingly, the financial results have been prepared on going concern basis.
 - ii. Note 4 of the financial results, which states that impact of employee benefits to be determined pursuant to actuarial valuations on the comprehensive income/loss will be determined and accounted for at the end of the year.
 - iii. Out of 263.507 Acres of Land, Lease Deed / Title Deeds in respect of only 195.959 Acres were available with the Company out of which 3.663 Acres of private land has been occupied by the Company and 41.766 Acres of Patta Land had been occupied by outsider unauthorized.
4. Based on our review conducted as above, with the exception of matter described in preceding paragraphs nothing has come to our attention that causes us to believe that accompanying statements of Un-audited Financial results prepared in accordance with the aforesaid Indian Accounting Standards (Ind-As) and other recognized accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of regulations 33 of the SEBI (Listing Obligation and Disclosure Requirement) Regulations 2015, as modified by Circular no CRI/CFD/FAC/62/2016 dated 5th July 2016, including the manner in which it is to be disclosed or that it contain any material misstatement.
5. Interest on penalty payable to Govt. of Odisha to the tune of Rs. 173.63 Crores has not been provided for in the accounts.

Notes :

- The Company's mining operation are under suspension due to non-availability of statutory clearances. Mining Leases are in the process of renewal and accordingly, these Financial Results have been prepared on a 'Going Concern basis'.
- The figures for the quarter ended 30th Sept., 2018 are the balancing figures between the audited figures in respect of the quarter ended 30th June, 2018 and the half yearly ending 30th sept., 2018 of the financial year.
- The Company has identified business segment as the primary segment. The Company is engaged in production / Mining of Iron Ore, Manganese Ore and Sponge Iron. Though the mining operations are under suspension and there is no mining activity during the period under review, the Company still considers mining operations as its primary segment and the management effort is in process of resumption of mines. Information reported to the chief operating decision maker (CODM) for the purposes of resource allocation and assessment of segment performance focuses on mining of Iron Ore, Manganese Ore and processing of Sponge Iron for reportable segments for standalone results.
- Pending actuarial valuation of Employee Benefits, consequent effect thereof on the Comprehensive Income/Loss will be ascertained and accounted for, at the end of the year.
- Presently Company's only source of revenue is interest on surplus money deposited in the banks which has not been recognised as business segment. Moreover allocation of expenditure under identified segment has been made on the basis of average turnover ratios of different segment during the period from 2004-05 to 2008-09. The assets have been allocated directly which are identifiable to the respective segment and the balance is put in the un-allocated segment. The total liabilities have been allocated to un-allocated segment.
- The Statutory Auditors of the Company have carried out the audit of the Financial Results of the quarter ended 30th Sept., 2018 as required under Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
