**Review Report to
The Board of Directors
Simplex Infrastructures Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Simplex Infrastructures Limited ('the Company') for the quarter and six months ended September 30, 2018 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
2. The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard, Interim Financial Reporting (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013, read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016 is the responsibility of the Company's management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. We draw your attention to the following:
 - a) Note 1 regarding certain Unbilled Revenues aggregating Rs. 26,516 lakhs pertaining to earlier years, in respect of which, we have been informed that the management is in regular discussion with the concerned customers for completion of necessary certification and recovery thereof. Based on the information and explanations provided to us, we are unable to comment upon the extent of recoverability of these balances including the classification thereof as current and the expected time period considered by the Company for determination of their fair values.
 - b) Note 2 regarding certain old balances of trade receivables, retention monies, inventories at project sites and claims recoverable aggregating to Rs. 19,339 lakhs, Rs. 10,117 lakhs, Rs 2,919 lakhs and Rs. 1,533 lakhs respectively, considered good of recovery by the management due to the reasons mentioned therein. We are unable to comment upon the recoverability of these balances, including the classification thereof as current and the likely time period for collection of the aforesaid trade receivables, retention monies and claims recoverable, considered by the Company for determining their fair values.

S.R. BATLIBOI & Co. LLP

- c) Note 4 in respect of (i) certain projects relating to a customer wherein the management of the Company has considered inventories aggregating to Rs. 2,916 lakhs as good and fully recoverable although there are pending legal proceedings including liquidation proceedings against the customer; (ii) Advance to suppliers aggregating to Rs. 3,563 lakhs (as on March 31, 2018 – Rs. 1,063 lakhs) relating to completed projects and outstanding for a long period of time. In our opinion, these amounts are doubtful of recovery and hence should have been provided for.

Had the impact of the above matters been considered, the profit before tax for the six months and quarter ended September 30, 2018 would have been lower by Rs. 6,509 lakhs.

- d) Note 9 regarding unreconciled Value Added Tax Liability relating to the period before implementation of Goods and Services Tax, impact whereof is unascertained and will be considered upon completion of the reconciliation process. We are unable to comment on the impact thereof on these financial results.
- e) Note 5 in respect of current assets which includes certain balances of trade receivables, statutory advances pending assessment by relevant authorities, security deposits and other balances including those subject to arbitrations aggregating to Rs. 10,426 lakhs, Rs. 25,976 lakhs, Rs. 2,550 lakhs and Rs. 25,830 lakhs respectively which in our opinion should have been classified as non-current assets.
- f) Unbilled revenues and trade receivables aggregating Rs. 30,000 lakhs (Rs. 27,423 lakhs as on March 31, 2018) have been discounted with a bank and de-recognised in the balance sheet. Based on the information and explanation provided to us, we are of the opinion that such de-recognition is not in accordance with IndAS -109. Had the aforesaid receivables not been de-recognised, current portion of trade receivables, other current assets and other non-current assets as on September 30, 2018 would have increased by Rs. 1,944 lakhs, Rs. 9,733 lakhs and Rs. 18,323 lakhs from the reported amounts of Rs. 130,435 lakhs, Rs. 521,071 lakhs and Rs. 2,677 lakhs respectively, with a corresponding increase of Rs. 30,000 lakhs in the short term borrowings from the reported amount of Rs. 298,776 lakhs as on September 30, 2018. The current portion of trade receivables, other current assets and other non-current assets as on March 31, 2018 would have also increased by Rs. 14,380 lakhs, Rs. 620 lakhs and Rs. 12,423 lakhs respectively from the reported amount of Rs. 145,077 lakhs, Rs. 504,886 lakhs and Rs. 2,265 lakhs respectively.

The impact of the expected credit loss on such unbilled revenue on the financial results for the quarter and six months ended September 30, 2018 and also for the comparative period is presently not ascertainable.

- g) Bank balance aggregating Rs. 30,000 lakhs (As on March 31, 2018 – Rs. 7,458 lakhs) has been set-off against borrowings. In our opinion such adjustment is not in accordance with the requirement of Ind AS-109. Had such amount not been adjusted, the cash and cash equivalents as on September 30, 2018 would have increased by Rs. 30,000 lakhs from the reported amount of Rs. 7,014 lakhs and the short term borrowings would have increased by Rs. 30,000 lakhs from the reported amount of Rs. 298,776 lakhs. The cash and cash

equivalents as on March 31, 2018 would have also increased by Rs. 7,458 lakhs from the reported amount of Rs. 9,920 lakhs and short term borrowings would have increased by Rs. 7,458 lakhs from the reported amount of Rs. 294,391 lakhs.

Our audit report for the year ended March 31, 2018 was qualified in respect of matters mentioned in paragraph 4(a) to 4 (e) above and review report for the quarter ended June 30, 2018 was also qualified in respect of the matters mentioned in paragraphs 4(a) to 4(d) above.

5. The Statement includes interim financial information of one joint operation whose interim financial information reflects total assets of Rs. 5,377 lakhs as at September 30, 2018, total revenue of Rs. 820 lakhs and Rs. 334 lakhs for the six months and quarter ended September 30, 2018 respectively, total profit before tax of Rs. 16.75 lakhs and Rs. 15.02 lakhs for the six months and quarter ended September 30, 2018 respectively, which have not been reviewed by us. The interim financial information of the said joint operation has been reviewed by other auditor whose report has been furnished to us and our report on the standalone financial results of the Company, in so far as it relates to the amounts and disclosures included in respect of the said joint operation, is based solely on the report of other auditor. Our report on the Statement is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditor.
6. The Statement includes interim financial information of two joint operations which have not been subjected to review and reflect total assets of Rs. 815.39 lakhs as at September 30, 2018, total revenue of Rs. Nil lakhs for the quarter and six months ended September 30, 2018 and total loss before tax of Re. 0.04 lakh and Rs. Nil lakhs for the quarter and six months ended September 30, 2018 respectively. These interim financial information have been furnished to us by the management and our report on the standalone financial results of the Company, in so far as it relates to the amounts and disclosures included in respect of these joint operations, is based solely on such interim financial information as certified by the management. According to the information and explanations given to us by the management, these interim financial information are not material to the Company. Our report on the Statement is not modified in respect of above matter with respect to our reliance on the interim financial information as certified by the management.
7. Based on our review conducted as above, consideration of reports of other auditors on the unaudited interim financial information of the Joint Operations and consideration of interim financial information of Joint Operations as certified by the Management, except for the possible effects of our observations as stated in Paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results of the Company prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard "Interim Financial Reporting" (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. Emphasis of Matter

 - b) Note 2 regarding old balances of trade receivables of Rs. 19,339 lakhs and claims recoverable of Rs. 1,533 lakhs from customers against various projects, there are certain projects where the amount is outstanding for a considerable period but management is of the opinion that at this stage these are good and recoverable.

In respect of the retention money, it is receivable only after clearance of final bill by customer and after expiry of defect liability period after execution of contracts. In the opinion of the company the retention amounts of Rs. 10,117 lakhs due from customer of certain completed contracts as on September 30, 2018 are good and recoverable. We are in agreement with the opinion of the management regarding the above matters which is being followed consistently.

- c) Note 9 regarding VAT liability the company is in the process of reconciling VAT liability upto 30th June, 2017. The impact of difference, if any, in such VAT liability, which the management does not expect to be significant, will be considered thereafter and we are in the agreement with the views of the management as set out in the said Note.
- d) Note 4(ii) regarding advances to suppliers related to certain completed project sites, amounting to Rs. 3,563 lakhs on which the company is in active pursuit and confident of recovery / settlement of these advances within reasonable period of time and we are in the agreement with the views of the management as set out in the said Note.
- e) Note 5 in respect of reclassification of certain current assets into non-current assets, the Company provides adequate Expected Credit Loss (ECL) on these assets and as the operating cycle for all projects is not uniform, the Company has not made any reclassification of the current assets in respect of Trade Receivables, Statutory Advances pending assessment by relevant authorities, Security Deposits and other balances including those subject to litigations amounting to Rs.10,426 lakhs, Rs.25,976 lakhs, Rs.2,550 lakhs and Rs.25,830 lakhs respectively and we are in the agreement with the views of the management as set out in the said Note.

Our opinion is not qualified in respect of these matters.

Notes:

- Certification of unbilled revenue by customers and acceptance of final bills by customers often takes significant period of time and varies from project to project. At this stage, based on discussions with concerned customers, the management believes that old unbilled revenue of ₹ 25,516 lakhs (31st March,2018: ₹ 86,035 lakhs) as on 30th September, 2018 will be billed and realised in due course. The related records and documents are maintained at respective project sites spread across the country and also outside India.
Further on this issue, one of the joint auditors is in agreement with the views of the management. The above reasons explain the qualification by the other Joint Auditor on this issue in their limited review report on the Company's unaudited financial results for the quarter and half year ended 30th September, 2018.
- Trade receivables aggregating ₹ 19,339 lakhs (31st March, 2018: ₹ 43,890 lakhs) and claims recoverable aggregating ₹ 1,533 lakhs (31st March, 2018: ₹ 1,596 lakhs) from customers in respect of various project sites are outstanding for long period of time. At this stage, based on discussions and correspondence with customers, the management believes the above balances are good and recoverable.
Inventories aggregating ₹ 2,919 lakhs (31st March, 2018: ₹ 2,914 lakhs) as on 30th September, 2018 pertaining to certain completed project sites are readily usable and will be used in future for other projects.
Retention monies due from customers are receivable only after clearance of final bill, by customers and after expiry of defect liability period after execution of contracts. In the opinion of the management, such retention amounts aggregating ₹ 10,117 lakhs (31st March, 2018: ₹ 21,540 lakhs) of certain completed contracts as on 30th September, 2018 are good and recoverable.
On this issue, one of the joint auditors is in agreement with the views of the management. The above reasons explain the qualification by the other Joint Auditor on this issue in their limited review report on the Company's unaudited financial results for the quarter and half year ended 30th September, 2018.
