Media Release

New Export Order worth Rs. 933 Crores

Order to be manufactured in the state of the art facility of the world's only end to end integrated company.

Bangalore, November 21, 2018

Rajesh Exports Ltd. (BSE: 531500, NSE: RAJESHEXPO) has procured a prestigious order for its products for a value of Rs. 933 Crores. The order has been procured beating global competition from a well established and prestigious global white label importer from UAE. The said order is to be completed by March 2019.

Company will be executing the order from its manufacturing facility, which is the world's largest gold manufacturing facility. This facility has a processing capacity of 250 tons of jewellery and gold products per annum. Company is confident of executing this order well within the time frame on the back of its expertise, skilled craftsmen, artisans & its exceptionally strong backward integrated infrastructure.

The company had introduced new designs in the international markets which constitute a new range of jewellery. The order has its special significance for the acceptance of the new range of jewellery introduced by the company in the global markets. The company expects further significant orders for this range of jewellery from the international markets. The company will be manufacturing the entire requirement of this order at its own manufacturing facility and is confident of delivering the required order within the time frame based on the robust manufacturing infrastructure of the company.

Management Comment:
