**Limited Review Report On Quarterly and Year to Date Unaudited Standalone Financial Results of Reliance Communications Limited pursuant to Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

To the Board of Directors of  
Reliance Communications Limited

**Independent Auditor's Report on the Standalone Financial results**

1. We have reviewed the accompanying statement of unaudited standalone financial result of Reliance Communications Limited ('the Company') for the quarter and period ended September 31, 2018 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirement of Regulations 33 and regulations 52 read with regulations 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with relevant circulars issued by SEBI.

**Management's Responsibility for the Financial Result**

2. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on 3<sup>rd</sup> November, 2018. Our responsibility is to issue a report on these financial results based on our review.

**Auditor's Responsibility**

3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

**Basis for Qualified Opinion**

4. We draw attention to note 4 of the statement regarding non provision of interest on borrowings & foreign exchange losses including amortization of FCMTDA for the reasons stated therein . Had such interest and foreign exchange losses as mentioned above been provided, the reported profit for the quarter & half year ended 30 September , 2018 would have been Rs.4,907 Crore & Rs. 3,259 Crore respectively, and, the total equity of the Company as on 30<sup>th</sup> September, 2018 would have been of Rs. 9,520 Crore.

**Qualified Opinion**

5. Based on our review conducted as above and except for the matter explained in Paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement of un-audited standalone financial results prepared in accordance with applicable accounting standards i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with relevant circulars issued by SEBI including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Notes:**

1. Figures of the previous period have been regrouped and reclassified, wherever required.
2. Pursuant to strategic transformation programme, as a part of Monetization and Resolution Plan of the Company under consideration, inter alia of the Lenders, the Company and its subsidiary companies; Reliance Telecom Limited (RTL) and Reliance Infratel Limited (RITL), with the permission of and on the basis of suggestions of the Lenders, had for monetization of some specified Assets, entered into definitive binding agreements with Reliance Jio Infocomm Limited (RJio) on December 28, 2017 for sale of Wireless Spectrum, Towers, Fiber and Media Convergence Nodes (MCNs) ["Identified Assets"]. Further, the Company has also entered into a definitive binding agreement with Pantel Technologies Private Limited and Veecon Media and Television Limited for sale of its subsidiary company having DTH Business. The Company and its said subsidiaries expect to close these transactions in a phased manner. In the meanwhile, Hon'ble National Company Law Tribunal (NCLT), Mumbai had, overruling the objections of the Company as also its lenders represented by State Bank of India, the lead member, vide its order dated May 15, 2018 admitted applications filed by an operational creditor for its claims against the Company and its subsidiaries; RTL and RITL and thereby admitted the companies to debt resolution process under the Insolvency and Bankruptcy Code, 2016 (IBC). As a consequence, Interim Resolution Professionals (IRPs) were appointed vide NCLT orders dated May 18, 2018. The Company along with the support of the lenders filed an appeal with Hon'ble National Company Law Appellate Tribunal (NCLAT) challenging the said order of the NCLT and the NCLAT, vide its order dated May 30, 2018, has on the basis of a settlement between the Company and the operational creditor stayed the order passed by the NCLT. Consequently, the Board of Directors of the respective companies stood reinstated. The Company also filed a writ Petition before the Hon'ble Supreme Court to release the Company from the Corporate Insolvency Resolution Process (CIRP). In an interim order in the said writ Petition, which is pending, the Supreme Court, vide its order dated August 3, 2018, has permitted the Company to proceed with the sale of the Identified Assets. On account of delay in completing the sale of certain spectrum not forming part of the Identified Assets, the Company applied to the Supreme Court seeking extension of time for making payment of the settlement amount to the operational creditor. The Supreme Court vide its order dated October 23, 2018 has allowed the Company to pay dues to the operational creditor on or before December 15, 2018. Further, the petition filed by the minority shareholders holding 4.26% stake in RITL, before the NCLT under Section 230 of the Companies Act, 2013 (Section 397-398 of the Companies Act, 1956), stood dismissed as withdrawn vide NCLT order dated July 3, 2018. Consequently, the interim stay granted by the NCLT on the implementation of the resolution approving the sale of the assets of RITL no more survives. The Company is confident that it will fulfill its commitments in respect of settlements with the operational creditor and the minority shareholders as well as finalise and implement a suitable Comprehensive Monetisation and Resolution Plan (MRP), also incorporating strategic transformation programme. On finalisation and implementation of the MRP, the Company will carry out a comprehensive impairment review of its fixed assets, investments and other assets. Considering these developments, the financial results continue to be prepared on going concern basis. This matter has been referred to by the Auditors in their Limited Review Report.

3. The assets pertaining to discontinued operations referred to in Note 2 above, along with liabilities have been classified as assets held for sale and disclosed separately as discontinued operations in line with Ind AS 105 "Non-current Assets Held for Sale and Discontinued Operations". Assets held for sale are recorded at lower of carrying amount and fair value less cost as per Ind AS 105.

The financial result of discontinued operations is as under:

4. Considering all factors including admission of the companies to debt resolution process under the IBC and the Company's Comprehensive Monetisation and Resolution Plan (MRP) submitted to the lenders, for overall debt resolution including interest and fixation of exchange rate for determining the foreign currency loans, the Company and its subsidiary companies, with a view to reflecting fairly the position for the purpose of presentation in respect of the Company's obligation for interest and the principal rupee amount in respect of foreign currency denominated loans, without implying in any way that the terms of lending by the banks and other lenders are altered, has not provided interest of ₹ 968 crore and ₹ 1,877 crore for the quarter and half year ended September 30, 2018 respectively and foreign exchange losses including amortization of Foreign Currency Monetary Items Translation Difference Account (FCMITDA) aggregating to ₹ 832 crore and ₹ 1,429 crore for the quarter and half year ended September 30, 2018, respectively. Further, the auditors have drawn qualification for non provision of interest and foreign exchange variations in their Limited Review Report for the quarter and half year ended September 30, 2018. business taken up by Reliance Realty Limited (RRL), a subsidiary of the Company, it is necessary that control of RRL is conferred on ADA Group. Impact on profitability net of tax is ₹ 6,876 crore.

**Notes:**

1. Figures of the previous period have been regrouped and reclassified, wherever required.
2. Pursuant to strategic transformation programme, as a part of Monetization and Resolution Plan of the Company under consideration, inter alia of the Lenders, the Company and its subsidiary companies; Reliance Telecom Limited (RTL) and Reliance Infratel Limited (RITL), with the permission of and on the basis of suggestions of the Lenders, had for monetization of some specified Assets, entered into definitive binding agreements with Reliance Jio Infocomm Limited (RJio) on December 28, 2017 for sale of Wireless Spectrum, Towers, Fiber and Media Convergence Nodes (MCNs) ["Identified Assets]. Further, the Company has also entered into a definitive binding agreement with Pantel Technologies Private Limited and Veecon Media and Television Limited for sale of its subsidiary company having DTH Business. The Company and its said subsidiaries expect to close these transactions in a phased manner. In the meanwhile, Hon'ble National Company Law Tribunal (NCLT), Mumbai had, overruling the objections of the Company as also its lenders represented by State Bank of India, the lead member, vide its order dated May 15, 2018 admitted applications filed by an operational creditor for its claims against the Company and its subsidiaries; RTL and RITL and thereby admitted the companies to debt resolution process under the Insolvency and Bankruptcy Code, 2016 (IBC). As a consequence, Interim Resolution Professionals (IRPs) were appointed vide NCLT orders dated May 18, 2018. The Company along with the support of the lenders filed an appeal with National Company Law Appellate Tribunal (NCLAT) challenging the said order of the NCLT and the Hon'ble NCLAT, vide its order dated May 30, 2018, has on the basis of a settlement between the Company and the operational creditor stayed the order passed by the NCLT. Consequently, the Board of Directors of the respective companies stood reinstated. The Company also filed a writ Petition before the Hon'ble Supreme Court to release the Company from the Corporate Insolvency Resolution Process (CIRP). In an interim order in the said writ Petition, which is pending, the Supreme Court, vide its order dated August 3, 2018, has permitted the Company to proceed with the sale of the Identified Assets. On account of delay in completing the sale of certain spectrum not forming part of the Identified Assets, the Company applied to the Supreme Court seeking extension of time for making payment of the settlement amount to the operational creditor. The Supreme Court vide its order dated October 23, 2018 has allowed the Company to pay dues to the operational creditor on or before December 15, 2018. Further, the petition filed by the minority shareholders holding 4.26% stake in RITL, before the NCLT under Section 230 of the Companies Act, 2013 (Section 397-398 of the Companies Act, 1956), stood dismissed as withdrawn vide NCLT order dated July 3, 2018. Consequently, the interim stay granted by the NCLT on the implementation of the resolution approving the sale of the assets of RITL no more survives. The Company is confident that it will fulfill its commitments in respect of settlements with the operational creditor and the minority shareholders as well as finalise and implement a suitable Comprehensive Monetisation and Resolution Plan (MRP), also incorporating strategic transformation programme. On finalisation and implementation of the MRP, the Company will carry out a comprehensive impairment review of its fixed assets, investments and other assets. Considering these developments, the financial results continue to be prepared on going concern basis. This matter has been referred to by the Auditors in their Limited Review Report.

3.
