1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of RUCHI SOYA INDUSTRIES LIMITED ("the Company") for the quarter and six months ended 30th September 2018 ("the Statement") being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with Circular No. CIR/CFD/FAC/62/2016 dated 5th July 2016.
2. The Hon'able National Company Law Tribunal ("NCLT"), Mumbai Bench, admitted petition for initiation of Corporate Insolvency Process ("CIRP") u/s 7 of the Insolvency and Bankruptcy Code, 2016 ("the Code") filed by Standard Chartered Bank and DBS Bank Ltd, financial creditors of the Company vide order no. The Committee of Creditors ("CoC") of the Company, in its meeting held on 12th January 2018 confirmed the IRP as Resolution Professional ("RP") for the Company. In view of pendency of the CIRP the management of affairs of the Company and power of Board of Directors are now vested with RP. By an order dated 8th June 2018 NCLT has extended the CIRP time period by 90 more days with effect from 12th June 2018. Further, the CoC had approved the resolution plan submitted by one of the resolution applicants, which has been placed by the RP before Hon'ble NCLT and is pending approval of the Hon'ble NCLT. In terms of Sections 14(4) and 31(3) of the Code, until the resolution plan has been approved by the Hon'ble NCLT, moratorium shall continue to be in effect and accordingly, the RP shall continue to manage operations of the Company on a going concern basis during the CIRP. These Standalone Financial Results have been prepared by the management of the Company and Certified by Mr. Anil Singhal, Chief Financial Officer and approved by RP.
3. The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34) prescribed under section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 and SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July 2016 is the responsibility of the Company's management and approved by RP. Our responsibility is to issue a report on the Statement based on our review.
4. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

5. **Basis for Qualified Conclusion**

(i) For reasons mentioned in Note no. 2 of the Statement, the Company continues not to assess impairment of carrying value of tangible and intangible assets. Therefore, we are unable to comment on consequential impairment, if any, that is required to be made in carrying value of property, plant and equipment and intangible assets.

(ii) As mentioned in Note no.3 of the Statement:-

(a) In respect of Company's borrowings from banks and financial institutions aggregating Rs. 5,29,398.35 Lakh and bank (current account and term deposits) balances aggregating Rs. 25,498.32 Lakh, balance confirmations as at 30th September 2018 is not received.

(b) As a part of CIRP, creditors were called upon to submit their claims. In aggregate, claims submitted by the Financial Creditors and also by the operational creditors exceeded the amount as appearing in the books of account. Pending reconciliations and final outcome of the CIRP, no accounting impact in the books of accounts has been made in respect of excess, short, or non-receipts of claims for operational and financial creditors. Hence, consequential impact, if any, on the financial results is not currently ascertainable.

(iii) Attention is drawn to Note No. 4 of the Statement:-

(a) Regarding non-recognition of interest on borrowing from banks and financial institutions, customer advance, inter corporate deposits and security deposits received, subsequent to Insolvency Commencement Date i.e. 15th December 2017, amounting to Rs. 34,561.14 Lakh for the year ended 31st March 2018 and Rs. 39,675.99 Lakh and Rs. 74,947.60 Lakh for the quarter and six months ended 30th September 2018, respectively. Interest aggregating to Rs. 1,09,508.74 Lakh has not been recognised till date. The same is not in compliance with requirements of Ind AS - 23 on "Borrowing Cost" read with Ind AS - 109 on "Financial Instruments".

(b) The Company has not translated foreign currency trade payables, certain trade receivables and borrowings as at 30th September 2018 using closing exchange rate having an impact on exchange difference loss of Rs. 2,718.68 Lakh and Rs. 4,871.51 Lakh for the quarter and six months ended 30th September 2018, respectively (for the year ended 31st March 2018 is loss of Rs. 1,926.86 Lakh), having total impact of Rs. 6,798.37 Lakh till date. The same is not in compliance with Ind AS - 21 on "The Effects of Changes in Foreign Exchange Rates"

(c) Had provision for interest and exchange difference would be recognised, finance cost and total expenses, would have been higher while profit for the quarter and half year and total comprehensive income would have been lower by aggregate amount as mentioned above, having consequential impact on other current financial liability and other equity.

Continuation sheet...

- (iv) Attention is drawn to Note no. 9 Of the Statement, regarding non-availability of Demat Statement in respect of investments amounting to Rs. 1279.31 Lakh as at 30th September 2018. Accordingly, we are unable to comment on the possible financial impact, presentation and disclosures, related to those investments.
- (v) Attention is drawn to Note no. 10 of the Statement, wherein it is stated that trade receivables are higher by Rs. 1189.24 Lakh as at 30th September 2018 since equivalent amounts of funds remitted by the customer is not credited by bank in Company' accounts.
- (vi) We have been informed by Resolution Professional that certain information including the minutes of meetings of the Committee of Creditors and the outcome of certain procedures carried out as a part of the CIRP are confidential in nature and could not be shared with anyone other than the Committee of Creditors and NCLT. Accordingly, we are unable to comment on the possible financial impact, presentation and disclosures, if any, that may arise if we have been provided access to those information.

6. Emphasis of Matters

- (i) We draw attention to the Note no. 5 of the Statement regarding preparation of financial results on going concern basis, which states that the Company has incurred losses, its liabilities exceeded total assets and its net worth has been fully eroded. In view of the continuing default in payment of dues, certain lenders have sent notices/letters recalling their loans given and called upon the Company to pay entire dues and other liability, served invocation notices of corporate guarantees given by the Company, while also invoking the personal guarantee of promoter director. Few of the lenders also issued wilful defaulter notices and filed petition for winding up of the Company. Capacity utilization of manufacturing processing facilities is low and Corporate Insolvency Process against the Company is in process. Since the CIRP is currently in progress, as per the Code, it is required that the Company be managed as a going concern during the CIRP. The financial results is continued to be prepared on going concern basis. However there exists material uncertainty about the Company's ability to continue as going concern since the same is dependent upon the resolution plan as approved by the CoC, to be approved by NCLT. The appropriateness of preparation of financial results on going concern basis is critically dependent upon outcome of CIRP as specified in the Code.
- (ii) Attention is drawn to Note no. 6 of the Statement, regarding notice for impounding of three plants at Kandla Gujarat i.e. Edible Oil Refinery, Oleochem Division and Guargum Division by the Gujarat Commercial Tax Department against their VAT claim of Rs. 405.19 Crore.

Our conclusion is not modified in respect of the above said matters.

Continuation sheet..

7. Based on our review conducted as above, except for possible effects of our observations described in the Basis of Qualified Conclusion paragraph 5 above and read with our comments in paragraph 6 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the applicable Indian Accounting Standards ("Ind-AS") specified under section 133 of the Companies Act, 2013, read with relevant rules issued there under and other recognised accounting practices and principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
