POOR MID-TERM PERFORMANCE BY CLASS X, XII

# Education officials to sit in class to identify gaps in teaching

SUKRITA BARUAH  
NEW DELHI, NOVEMBER 14

WITH CONCERNS on teaching and learning arising in Delhi government schools, following low pass percentages in the mid-term examination, officials from the Directorate of Education (DoE) will attend classes that recorded poor performances in order to identify the need for additional resource persons.

In the mid-term examinations held in September, only 30% of students in class X and 50% of students in class XII passed. Thirty-two schools recorded zero pass percentage in classes IX-XII.

The DoE later stated that these numbers might have to be reassessed as some students were failed by accident, due to a totalling error while uploading the practical marks online. Their report cards showed they had passed. However, the results are still a cause of concern for the department.

"In a coordination meeting, it was recommended that the district and zonal deputy directors of education attend those classes which have recorded poor performances in their jurisdiction on a priority basis, with an aim of identifying if the teaching there is poor or not up to standard. If deficiency is found, they can recommend the hiring of additional resource persons using the School Management Committee (SMC) fund," said Director of Education Sanjay Goel.

Through the SMC fund — which was approved last month at Rs 5 lakh for schools with 1,500 students, Rs 6 lakh for those with 2,500 students and Rs 7 lakh for those with over 2,500 students — schools can hire additional resource persons for 20 hours.

Sisodia said the govt would increase funds, depending on feedback of its utilisation

Additionally, in the run up to board examinations, teachers and heads of schools have been instructed to identify those topics which carry more marks in problem subjects like economics, accounts, mathematics and science, and focus time and effort on those.

Meanwhile, on Wednesday, Education Minister Manish Sisodia commenced interactions with the heads of 1,000-plus Delhi government schools, in groups of 50, on efficient utilisation of SMC funds.

He stated that the government would consider increasing the SMC fund if they get "good feedback about proper utilisation".

"Till now, the heads of schools were dependent on the DoE for everything... You can now hire teachers for 200 hours, engage gardeners. Depending on the need for cleanliness and other sanitation issues, you can also hire additional labour. You can also innovate by getting resource persons or experts for different subjects and co-curricular activities. I also suggest that in case you feel that students of classes IX and X are facing difficulties in a particular subject or topic, you can get experts to help the students using this fund," he told the principals.

## Govt to assess learning levels of students next month

EXPRESS NEWS SERVICE  
NEW DELHI, NOVEMBER 14

THE LANGUAGE and mathematics comprehension of students from classes III-V and VI-VIII in Delhi government schools will be assessed next month to determine at what scale the government needs to carry out its basic learning interventions in the coming year.

The comprehension abilities of students in Hindi, English and Mathematics will be assessed by their class teachers between December 10-20, and the findings will be collated by the Directorate of Education (DoE).

"The aim of the exercise is to identify where we stand after two years of government intervention in these areas. On the basis of the findings and the magnitude of needs that we will identify through it, we will take a call about the scale at which the interventions will have to be carried forward next year," said Director of Education Sanjay Goel.

In July 2016, the Delhi government had found that only 44% of students of classes VI-VIII in their schools could read texts of their level. Subsequently, 'Chunauti 2018' was launched, dividing students into groups of 'readers' and 'non-readers'. The 'non-readers' had an extra hour of classes between September 5 and November 14, 2016.

In April this year, this intervention was carried forward in the form of Mission Buniyaad, which included students from classes III-VIII and those in MCD schools.

# Court convicts two men in '84 riots case

Special Judge says 'victims of mass genocide' cannot be left in the lurch

ABHISHEK ANGAD  
NEW DELHI, NOVEMBER 14

STATING THAT "victims of mass genocide" cannot be left in "the lurch" and that testimonies of witnesses clearly established murder by the intentional act of unlawful assembly, a special court Wednesday convicted two accused in an 1984 anti-Sikh riots case from Mahipalpur.

Special Judge Ajay Pandey said the accused, Naresh and Yashpal, were part of an unlawful assembly that murdered Hardev Singh and Avtar Singh.

"The common object of the unlawful assembly, among others, was to murder people of the Sikh community, which is clear from the slogans raised by its leaders and the manner in which the members carried out its object. Hence, prosecution has successfully proved the offence of murder against both accused persons," said the Special Judge.

The case dates back to October 31, 1984, when the victims were allegedly murdered in Mahipalpur following the assassination of the then PM Indira Gandhi. Court records reveal that a mob comprising 500 people, including the two accused, allegedly burnt shops and looted people in the area.

After the incident, a case was registered at Mehrauli police station in 1984. Following investigation, a chargesheet was filed

against one accused, who was acquitted in 1986.

Later, when the Justice Ranganath Mishra Commission was constituted, a "first informant", Santokh Singh, filed an affidavit stating that 500 people looted shops in Mahipalpur in 1984. Based on his affidavit, another FIR was registered in 1993, and an ACP-rank officer filed an "untrace report" in court. The Metropolitan Magistrate, however, had said, "Police were at liberty to file challan as and when accused persons were arrested."

In 2017, the chargesheet in the case was filed by a Special Investigation Team, constituted in 2015 to re-investigate "serious criminal cases" filed in Delhi after the anti-Sikh riots, which had since been closed.

During arguments, the defence counsel had said that registration of two FIRs for the same incident was illegal. The court said: "This case involves extraordinary circumstances justifying the registration of second FIR."

The defence had also pointed out that the witnesses were examined after 33 years and none of the accused persons were named correctly by them. The court, however, said that this was "immaterial" and recounted one instance involving the witness Sangat Singh, whose brother Hardev Singh was murdered.

"...During his evidence... the witness was profusely weeping..." the court said.

## Jewar airport: 7 teams to assess relief for farmers

Noida: The Noida administration said seven teams have been formed to hasten the process of asset evaluation and compensation to farmers for the upcoming Greenfield Airport in Jewar. The directive comes days after the UP government initiated the process of acquiring land for the project.

District Magistrate B N Singh said, "The administration is taking all steps to ensure that calcu-

lation of compensation is done on time. Authorities have been informed that it needs to be completed by November 30." The teams have been tasked with surveying the land for accurate dispensation of relief.

The government has begun acquiring 1,239 hectares for the first phase of the project, after it obtained the required 72% consent from farmers. ENS

# Auto driver held for 'molesting' US national, chargesheet filed

MAHENDER SINGH MANRAL  
NEW DELHI, NOVEMBER 14

DELHI POLICE has arrested a 31-year-old autorickshaw driver for allegedly molesting a US national. Police filed a chargesheet within 24 hours of the arrest, as the woman was leaving the city on November 10.

JCP (southern range) Devesh Srivastava said the accused, Gaurav Gupta, was picked up from his Sangam Vihar residence on November 7.

Police said the 24-year-old complainant had come to India on a study tour along with four other US nationals, including her teacher.

"The incident took place on November 7. They hailed the auto in south Delhi. While her four friends sat behind, she sat in front with Gupta," said a senior police officer.

The complainant alleged that he started touching her inappropriately while driving. "She initially thought it was accidental. But when he did not stop, she shouted and asked him to stop the auto. He apologized, but as soon as they got out of the vehicle, he sped away," the officer added.

Unable to find a PCR van, the woman went to Saket police station and lodged a complaint.

"The complainant's friend had managed to take a photo of the autorickshaw, which they

shared with police. Officers then scanned CCTV cameras in the area and identified the accused. With the help of their informers, they arrested the accused in the evening," the officer said.

Police said the investigation officer (IO) recorded the woman's statement under Section 164 of the CrPC before a magistrate at Saket court.

The chargesheet was filed on November 8.

This is the second incident in less than a fortnight where a foreign national was allegedly molested by an auto driver. On November 1, a 32-year-old driver was arrested from Vasant Kunj after he allegedly masturbated in his vehicle while ferrying a foreign national.

## Hours after kidnapping, police track missing baby

ALOK SINGH  
NEW DELHI, NOVEMBER 14

HOURS AFTER a seven-month-old baby was kidnapped from central Delhi and dumped on the tracks at Nizamuddin railway station, local and railway police reunited the boy with his family using ZIPNET (Zonal Integrated Police Network) — an integrated police network to fight trafficking.

According to police, the child's family lives on the streets near DB Gupta Road in central Delhi. While his mother is blind, the father is handicapped.

On the intervening night of November 9-10, police said they received a PCR call from the parents that their child had been kidnapped while they were sleeping. A team from the local police station lodged an FIR.

The central district police uploaded the child's details on ZIPNET, even as the railway police located the child on the tracks.

"We received a call around 2 pm on Saturday from a passerby, that a child was lying on the tracks at Nizamuddin station. Staff from Nizamuddin Railway police station was sent to recover the child. They admitted him to a shelter home and then produced him before a Child Welfare Commission," said DCP (railway) D K Gupta.

Staff of Nizamuddin station subsequently uploaded the photograph and details of the boy on ZIPNET and sent messages on their district's WhatsApp group.

"While scanning the portal, we found that a case about the same child was registered at DBG Road police station. We immediately, informed the DBG Road station about the child," said an officer from the railway police.

Police said the parents were taken to the shelter home to meet their child. "The boy will be handed over to the parents on Friday. The kidnappers are yet to be traced. We are questioning persons known to the family for clues," said an officer from the central district police.

# '84 के दंगों में दो दोषी करार, सजा पर फैसला आज जेएनयू की प्रवेश परीक्षा में होगी देरी

जनसत्ता संवाददाता  
नई दिल्ली, 14 नवंबर।

1984 के सिख विरोधी दंगों के दौरान यहां के महिपालपुर में दो लोगों की हत्या में दो लोगों को दोषी ठहराया गया है। वारदात के करीब 33 साल बाद गुरुवार को अदालत दोनों को सजा सुनाएगी। बुधवार को अतिरिक्त सत्र न्यायाधीश अजय पांडे ने नरेश सेहरावत और यशपाल सिंह को दंगों के दौरान दक्षिण दिल्ली के महिपालपुर में हरदेव सिंह और अवतार सिंह की हत्या का दोषी ठहराया। बुधवार को दोनों आरोपी दोषी

- वारदात के करीब 33 साल बाद अदालत दोनों को सुनाएगी सजा
- यह मामला हरदेव सिंह के भाई संतोष सिंह ने कराया था दर्ज

सिद्धि के एलान के समय खचाखच भरी अदालत में मौजूद थे।

यह मामला हरदेव सिंह के भाई संतोष सिंह ने दर्ज कराया था। इस मामले में सुनवाई दो बार हुई। दिल्ली पुलिस ने साक्ष्यों के अभाव में

1994 में यह मामला बंद कर दिया था, लेकिन दंगों की जांच के लिए गठित एसआईटी ने मामले को दोबारा खोला। 1992 में जस्टिस रंगनाथ मिश्र आयोग की सिफारिश पर पुलिस ने इस मामले की फिर से जांच की। अदालत ने दोनों आरोपियों को भारतीय दंड संहिता की अनेक धाराओं के तहत जैसे दोषी ठहराया। इसके तत्काल बाद दोनों को हिरासत में ले लिया गया। अब अदालत गुरुवार को सजा की अवधि पर सुनवाई करेगी। दोषियों को अधिकतम फांसी और न्यूनतम उम्रकैद की सजा सुनाई जा सकती है। इससे पहले अदालत में

दोनों पक्ष सजा पर बहस करेंगे।

31 अक्टूबर 1984 को तत्कालीन प्रधानमंत्री इंदिरा गांधी की हत्या के बाद भड़के दंगों में 3000 से ज्यादा लोगों की मौत हुई थी, जिसमें 2000 से ज्यादा लोग दिल्ली में मारे गए थे। यह वारदात भी इन्हीं में से एक है। बता दें कि महिपालपुर में हरदेव सिंह व अवतार सिंह की हत्या एक दुकान के सामने हुई थी। अवतार सिंह सेना में काम करता था व अवतार सिंह का पड़ोसी था। इसमें संगत सिंह व कुलदीप सिंह को भीड़ ने खर्ची कर दिया था। इनकी दुकानों को आग लगा दी गई थी।

जवाहरलाल नेहरू विश्वविद्यालय (जेएनयू) की प्रवेश परीक्षा कंप्यूटर आधारित होने की वजह से इस साल देर से आयोजित की जाएगी। विश्वविद्यालय में पहले ये प्रवेश-परीक्षा कागज-कलम माध्यम से हुआ करती थी लेकिन सत्र 2019-20 के लिए परीक्षाएं कंप्यूटर आधारित होंगी। इस फैसले का एलान विश्वविद्यालय ने पहले ही कर दिया था। जेएनयू के निदेशक (प्रवेश) दीपक गौड़ की ओर से जारी सूचना के मुताबिक, सत्र

2019-20 के लिए प्रवेश परीक्षा के ई-प्रॉस्पेक्टस और आवेदन की प्रक्रिया की जानकारी जल्द ही जारी की जाएगी। इसे अभी
