As a policy Company is spending constantly good amount on its Research and Development department from its resources including material and man power as ongoing process and policy and has been achieving success.

The samples of this unique product has been sent to our customers in USA, UK and Europe and the initial response is very good with all praises for our technical team for coming out with a solution required by market and its expected to result in Big orders at high price which will improve overall margin of your Company and boost the bottom line.

Further as informed earlier your Company is pioneer in this field and being 100% EOU, largest exporter and a Star Export House. It has established its name as a quality supplier in the international market as it is ISO 9001: 2008, ISO 14001:2004, OHSAS 18001:2007 and Oeko Tex Standard 100 Company.

The annualized EPS on Equity Shares of Rs. 10/- will be Rs. 10.60. The book value of shares is Rs. 55. The present Quarter was further progressive and we hope to continue better performance in future.

Mr. Bhavesh Sheth congratulated the whole team of Research and Development for their innovative approach, untiring efforts and ultimate success achieved by developing this unique product. This will provide a better marketing weapon to our marketing team and enhance the reputation of your Company as reputed innovative enterprise.

Thanking you,
Yours faithfully,
