Signet Industries Limited is one of the fastest growing company focused in manufacturing micro-irrigation systems and infrastructure pipelines with a motto of “Jal hai to Kalhai”. Signet, in past 5 years, has evolved as one of the major micro-irrigation player in the country and is recognized as a complete solution provider. Smiles of millions of associates across the country are evident proof of our product acceptability and excellent service levels. Our revenues exceeded 908 crores in the previous financial year. This year, Signet is also being recognized in the field of manufacturing of large diameter and high-pressure water transportation pipes being used in the projects of “Smart City” and “Amrut Yojna”. Signet has automated its manufacturing facilities by executive small and big ideas and now is one of the most efficient production facilities in the segment. Strong drive for minor improvements and elimination of problems from root has made Signet efficient and serves the moto of saving precious water and simultaneously increase crop yield from 20-100% depending upon the crop. Our backward integration of distribution of plastic raw-

material helps us to hedge our volatility and scarcity risks. Signet also interests in wind power generation.
