The government's flagship scheme, Ayushman Bharat, has provided health care to 600,000 people in first three months since its launch.

About 3,000,000 beneficiary e-cards have been generated facilitating access

to quality health care under the scheme to 3 million poor.

"Currently more than 16,000 hospitals have been empaneled or are in the process of empanelment. Out of these, 8,807 or 55 per cent are private hospitals," said a state-

ment released by the government.

The scheme aims at providing secondary and tertiary care for 500 million people. The beneficiaries are those who feature in the socio-economic caste census.
