Sub : News Clarifications

Dear Sir,

The articles referred in your mail dated December 19, 2018 and further articles in various newspapers today, pertains to the application for Trading of Spectrum in the 800 MHz band filed by Reliance Communications Limited, Reliance Telecom Limited and Reliance Jio Infocom Limited.

There was a letter received from DoT and Company is in discussion with DoT to seek further clarifications in this regard.

RCOM further clarifies:

1. RCOM being a continuing licensee remains committed to discharge any outstanding or disputed amount subject to final adjudication.
2. The requirement of giving the Bank Guarantee as per DoT demand has been substituted by the orders of the TDSAT and the Hon'ble Supreme Court with Reliance Realty Limited property non-disposal undertaking and corporate guarantee. Hence compliance with the Trading Guidelines is met.
3. We are sincerely hoping that DoT would comply with the order of the Hon'ble Supreme Court dated 14th December 2018 - in letter and spirit- and grant the long awaited NOC/Consent.
4. NCLAT has adjourned the Ericsson matter to 22nd January 2019 to take into consideration the outcome of the decision of the Hon'ble Supreme Court, where the related matter is pending consideration.
5. RITL Minority Investor matter has also been adjourned to 22nd January 2019, the copy of detailed order is awaited.
