Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statements are free of material misstatements. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

The consolidated financial results include the interim financial information of wholly owned subsidiary companies, whose interim financial information reflect total revenues of Rs. 1174.78 lakhs for the quarter and Rs. 5500.77 lakhs for the nine months ended 31st December, 2017 respectively and total profit after tax of Rs. 211.81 lakhs for the quarter and Rs. 585.36 lakhs nine months ended 31st December, 2017 respectively as considered in consolidated financial results. These interim financial results have been considered by the Management and our report on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the information submitted by the management.
