**Sub: - Disclosure under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Increase in Import duty on Crude Vegetable Oil and Refined Edible Oils.**

Dear Sir,

In a bid to protect the interest of farmers and the domestic oil processing industry, Government of India has raised import duty on crude vegetable oil from 12.5% to 30% and refined edible oil from 20 per cent and 35 per cent.

This initiative of Government will make Soya Oil extraction and refining segment more viable.

"SCL with the capacity of 2500 Metric ton per day for extraction and refining of soya seed, is ready to take the advantage of changed favorable market conditions. Further we shall be able to utilize the unutilized capacity of soya extraction which will have direct positive impact on top line and bottom line growth of the Company,"

Thanking You
