- 1. We have reviewed the accompanying statement of Unaudited Financial Results ("the statement") of Jayaswal Neco Industries Limited ("the Company") for the quarter and nine months ended 31st December, 2017, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016. This statement is the responsibility of the Company's Management and approved by the Board of Directors. Our responsibility is to issue a report on the statement based on our review.
- 2. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatements. ### 3. Emphasis of Matter

We draw attention to note no. 4 to the statement regarding application under section 7 of the Insolvency and Bankruptcy Code, 2016 against the Company by State Bank of India ("SBI") with National Company Law Tribunal, Mumbai ("NCLT") and the Company filed writ petition to Hon'ble Bombay High Court. Our conclusion is not modified in respect of the said above matter.

4. Based on our review conducted as stated above, read with our comments in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

- 1. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 12th February, 2018. The Statutory Auditors of the Company have carried out a Limited Review of the above results.
- 2. The Directorate of Enforcement vide its order dated 9th June. 2017 has provisionally attached, under sub-section 1 of section 5 of the Prevention of Money Laundering Act (PMLA), 2002, the plant and machinery under installation at Dagori integrated steel plant situated at Bilha, Bilaspur (Chhattisgarh) to the extent of Rs. 20616 lakhs for alleged misuse of coal raised from Gare Palma IV/4 coal block at Chhattisgarh. The Company had challenged the provisonal order before the adjudicating authority. The Adjudicating Authority vide its order dated 10th November, 2017, dismissed the appeal filed by the Company and confirmed the Provisional Attachment Order dated 9th June, 2017. The Company has filed appeal against the order dated 10th November, 2017 passed by the Adjudicating Authority, before the Appellate Authority. The matter is fixed for 12th February, 2018 for the first time. The Company has a good case on merits, is likely to succeed in refuting the allegations and does not expect any material liability on the Company on this account,
- 3. Exceptional Items for the quarter and nine months ended 31st December, 2017 represent the amount realised or written off in respect of Company's Coal Mines at Moitra Coal Block which was cancelled by the Hon'ble Supreme Court of India during the year 2014.
- The Company underwent significant financial stress in the last four years due to cancellation of its three captive coal mines which resulted in significant viability issues of the end use Iron and Steel making facilities, payment of additional levy on mined coal as per Hon'ble Supreme Court order, huge dumping of steel in the country which resulted in the low capacity utilisation of its new steel making facilities and unavailability of incremental working capital support due to Reserve Bank of India's (RBI's) Asset Quality review classifying the Company's accounts as technical Non-performing Asset from back date effect. Hence the Company had requested its lenders to restructure

Subsequently the Debt Restructuring Scheme of the Company's debts was approved by the super majority of bankers. The Company has complied with the conditions of Debt Restructuring Scheme including getting Independent Evaluation Committee recommendation to the scheme, infusion of stipulated additional funds as Promoters Contribution as per the scheme and concrete steps were already taken for conversion of Promoter Companies Unsecured Loans to the Company into Equity within the RBI stipulated time line of 13th December.

However on the directions of RBI, which has not agreed to the debt restructuring scheme being fully implemented within the stipulated time line of 13th December, 2017, State Bank of India (SBI) has filed an application under section 7 of the Insolvency and Bankruptcy Code, 2016, read with Rule 4 of the Insolvency and Bankruptcy (Application to Adjudicating Authority) Rules. 2016, against the Company, claiming that an amount of Rs. 51383 lakhs is in default as on 30th November, 2017. The matter has been listed for hearing on 13th February, 2018 before the National Company Law Tribunal, Mumbai. The matter is currently in pre-admission stage.

Being aggrieved by the non-implementation of the approved Debt Restructuring Scheme, the Company has filed Writ petition, before the Hon'ble Bombay High Court, Mumbai, against RBI and the other respondents, raising various questions of law and challenging various communications issued by RBI from time to time, which has adversely affected the implementation of the approved Debt Restructuring Scheme of the Company. In the instant Writ petition, the Company has sought directions for implementation of the executed Master Restructuring Agreement (MRA) dated 12th December, 2017. The matter has been fixed for 12th February, 2018 for hearing before the Hon'ble Bombay High Court.

- 5. Revenue from operations for periods up to 30th June, 2017 includes excise duty, which is discontinued effectively from 1st July, 2017 upon implementation of Goods and Service Tax (GST). In accordance with 'Ind AS 18 - Revenue', GST is not included in Revenue from Operations. In view of the aforesaid change in indirect taxes, Revenue from Operations for the quarter and nine months ended 31st December, 2017 is not comparable to the coresponding previous periods.
- 6. The Company's Project for enhancement of Iron making capacities for its DRI Plant and Captive Power Plant as part of the Integrated Steel Plant in Chhattisgarh are facing further time delay and presently the project is not into active development.

7. The figures for the corresponding previous period have been restated / regrouped / rearranged / reclassified wherever necessary, to make
