Dear Sir / Madam,

Re.: News clarification

As regards the recent news item which appeared in the Bloombergquint, we hereby convey that our manufacturing facility at Moraiya is being inspected by the USFDA beginning from February 5, 2018. However, we may mention that it is not a surprise inspection and the USFDA had intimated us about the same. The company has several manufacturing facilities which get inspected by health authorities of different countries, including the USFDA. So far as the inspection by the USFDA is concerned, as per our normal practice, we communicate to the stock exchanges the outcome of such inspection.

Thanking you,

Yours faithfully,

For, **CADILA HEALTHCARE LIMITED**
