Dear Sir/Madam,

Re: Installation of Rooftop Solar Plants

We wish to intimate your Exchange pursuant to Regulation 30(6) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, that APL Apollo Tubes Limited (APL Apollo), India's leading branded steel tubes manufacturer, has installed the rooftop solar plants at its manufacturing facilities at Murbad and Sikandrabad, with a total capacity of 1.30 MW and 1.20 MW, respectively. Post reviewing the solar plants' performance, APL Apollo will be installing rooftop solar plants at all its other manufacturing units.

In the longer term, the Company aims to reduce CO2 emissions and generate energy at a lower cost at its factories in India. This, is in-sync with the Company's approach towards building a sustainable ecosystem through efficient energy consumption and optimum utilization of natural resources such as solar power and wind energy. Furthermore, this project will also enable significant operating cost-savings for the Company such as lower energy loss, reduced electricity bills and maintenance costs.

Submitted for your kind reference and records

Thanking you

Yours faithfully

For APL Apollo Tubes Limited

Adhish Swaroop
Company Secretary
