## Zensar expands operations in the UK

**Pune, India, February 9, 2018:** Zensar Technologies, a leading digital solutions and technology services company that specialises in partnering with global organisations across industries on their Digital transformation journey, announced an expansion in its UK operations with a new office location. Located in Green Park, this office serves as the regional headquarters of the UK region and is on the outskirts of Reading; it comes under the fast growing '*Innovation Corridor*', which is about 30 minutes from Central London and the Heathrow Airport.

"This office is a world-class facility and digital experience centre, for our customers. The region has consistently been growing with addition of new clients in the digital space, making it a key contributor to our global business. We look forward to continued growth, by creating more value through Zensar's *Return on Digital*®," **commented Sandeep Kishore, CEO and Managing Director, Zensar Technologies.**

**Commenting on this move, Chaitanya (Chai) Rajebahadur, Senior Vice President and Head, Europe said,** "We are excited about our new office, this interactive workspace brings together multi-disciplinary teams that will help our customers transform and reimagine their business and operating models for the digital era. This is the second addition to our sales and delivery offices in the UK, the first being our customer experience design studio (Zensar's acquired entity-Foolproof) located at Liverpool street."

The region has seen consistent growth and there is potential to add local workforce in future. The Green Park – Reading is a strategic choice as it offers access to a rich talent pool. The amenities are world-class, along-with the presence of more than 50 companies, making it a connected workplace for seamless operations.
