Standalone Limited Review Report

The Board of Directors of Noida Toll Bridge Company Limited

We have reviewed the accompanying statement of unaudited Standalone Financial Results (the Statement) of **Noida Toll Bridge Company Limited** ("the Company") for the quarter and nine months ended 31st December, 2017 being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016. This statement is the responsibility of the Company's Management and approved by the Board of Directors, has been compiled from the related books of account which has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "*Review of Interim Financial Information Performed by Independent Auditor of the Entity*" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement.

A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Emphasis of Matter

We draw attention to note no. 1 to the Standalone Financial Results in which, pending the outcome of the Company's appeal before the Hon'ble Supreme Court against the order of the Hon'ble High Court of Allahabad stalling the levy and collection of toll fee, based on a legal opinion, the Board has placed reliance on the provisions of the Concession Agreement relating to compensation and other recourses and has taken a stand that the underlying value of the intangible and other assets is not impaired.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited Standalone Financial Results prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the

Companies Act, 2013, read with relevant rules issued there under and other recognized accounting practices and policies generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

1 Hon'ble High Court of Allahabad had, vide its Judgement dated October 26, 2016 on a Public Interest Litigation filed in 2012 (challenging the validity of the Concession Agreement and seeking the Concession Agreement to be quashed) has directed the Company to stop collecting the user fee holding the two specific provisions relating to levy and collection of fee to be inoperative but refused to quash the Concession Agreement. Consequently, Collection of user fee from the users of the NOIDA bridge has been suspended from October 26, 2016 and an appeal has been filed before Hon'ble Supreme Court of India seeking an Interim Stay on the said Judgment.

On November 11, 2016, Hon'ble Supreme Court issued its Interim Order though denying the interim stay, sought assistance of CAG to submit a report whether the Total Cost of the Project, in terms of the Concession Agreement has been recovered or not by the company. The CAG has submitted its report to Hon'ble Supreme Court on March 22, 2017.

On August 11, 2017, Hon'ble Supreme Court permitted copy of full CAG report to be provided to the Company. The CAG Report specifies that total Cost of Project under the Concession Agreement remain unrecovered and is not going to be recovered in the original Concession Period. The Hon'ble Supreme Court vide its order dated December 4, 2017 directed that the matter be listed on February 13, 2018.

The Company has also notified the NOIDA Authority that the Judgement of the Hon'ble Allahabad High Court read with Interim Order of the Hon'ble Supreme Court of India constitute a 'Change in law' under the Concession Agreement and submitted a detailed proposal for modification of the Concession Agreement, so as to place it in substantially the same legal, commercial and economic position as it was prior to the said Change in Law. The Company has also initiated Notice of Arbitration to Noida Authority.

Pursuant to the constitution of arbitral tribunal comprising of Hon'ble Justice R.C.Lahoti, Former Chief Justice of India (Presiding Arbitrator), Hon'ble Justice Vikramjit Sen and Hon'ble Justice S.B.Sinha ("Arbitral Tribunal"), the Company on 20.01.2018 has filed before the Hon'ble Arbitral Tribunal a Statement of Claim against NOIDA seeking to enforce its contractual rights under the Concession Agreement, arising from the breaches of the Concession Agreement and NOIDA's failure to fulfil its obligations thereunder, denying the Company its rights and entitlements as contemplated under the Concession Agreement and under applicable law.

The Statement of Claim is without prejudice to the Company's rights and contentions in the Special Leave Petition ("SLP") (which is presently pending adjudication before the Hon'ble Supreme Court of India) and is only for seeking enforcement of the Company's contractual rights under the Concession Agreement and is fundamentally different from the proceedings of SLP. It is the intention of the Company to ensure due performance and implementation of the Concession Agreement or claim corresponding compensation for the losses arising from the willful defaults and misrepresentations by NOIDA.

In the Statement of Claim, the Company is primarily seeking award of compensation for multiple causes in various prayers and also providing for claims in the alternate, together with seeking interest and costs.

Based on legal opinion obtained by the Company and the Board's reliance on the provisions of the Concession agreement (relating to Compensation and other recourses), the Company is confident that the underlying value of the Intangible and other assets are not impaired.

The Company continues to fulfill its obligations as per the Concession Agreement including maintenance of Project assets.
