Dear Sir,

Reg: News Clarification

This has reference to update on the recent news appearing in ET on 11.04.2018 titled "Fitch downgrades PNB ratings to bb-". We submit as under:

- Fitch in its press release dated 10th April'18 kept PNB's other ratings unaffected while downgrading the Viability Rating by one notch from bb to bb-. As stated in the same report, PNB's Support Rating of '2' and Support Rating Floor of 'BBB-' remain unchanged due to the bank's high systemic importance as India's second-largest state-owned bank, which underpins the state's high propensity to provide extraordinary support to PNB.
- It is an event based impact (Fraudulent transactions reported in Feb '18) which is already known to the market.

Thanking you

Yours faithfully,

(Balbir Singh)
Company Secretary
