Notes:

- 1 Segment Reporting as required under AS-17 is not applicable, as more than 90% of the revenue comes from a single segment viz. Financing.
- 2 IFCI Ltd. has acquired shares in six companies as a part of regular business activity of financing through equity participation with firm buy-back commitment for such shares with the promoters/ group companies of the investee companies at pre-determined rate of return after a pre-determined period. Since, the shares have been acquired with the intention to dispose-off at a pre-determined rate of return, share in net-worth of the investee company following 'equity method' is not appropriate Indicator of the real economic interest of IFCI Ltd. In certain Companies, buy-back is due within 12 months reducing the shareholding of IFCI Ltd. below 20%. Therefore, the investment in these companies has been considered as investment in 'Consolidated Financial Statements' as per AS -13.
- 3 IFCI Ltd. is one of the lenders in various cases which have been referred to National Company Law Tribunal (NCLT). In terms of clarifications received by the Company from RBI, vide letter dated March 6, 2018, the Company has classified these accounts and made provisions in terms of extant norms provided in the "Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016.
- 4 In IFCI Ltd during the financial year 2017-18, the accounting policy of appropriating the amounts received from borrowers against "loans and advances" in the order of other debts across due dates and then, similarly of interest and principal dues without considering due dates, except in the case of one time or negotiated settlements, where the appropriation was done as per the terms of the settlement has been revised to, appropriating such amounts due date-wise in the order of other debts, interest and principal dues, starting from the earliest due date, except in the case of one time or negotiated settlements, where the appropriation is done as per the terms of the settlement." The loss for the current year has been increased by ₹ 32.17 crore because of this change in policy.
- 5 IFCI Ltd has allotted 3,39,55,857 equity shares of Face Value of ₹ 10 each, at a premium of ₹ 19.45 per share, to the Government of India on Preferential Basis, on March 31, 2018. Therefore, these shares have not been considered for computing Earning Per Share for the quarter and for the year ended 31st March 2018.
- 6 Stockholding Corporation of India Ltd. (SHCIL) had during the year 2000-01 undertaken a transaction of ₹ 24.45 crore with a client through the Calcutta Stock Exchange (CSE) under the 'Cash on Payout' scheme for the sale of 7,20,000 equity shares of DSD Industries Limited. The said transaction was confirmed by CSE based on which post-dated cheques were issued. The cheques were stopped for payment before their due date by the Company as the underlying trade transaction was contended to be non-bonafide and disallowed by CSE. A Bank, which had granted financial assistance against the said cheques, issued a notice of demand against the Company under Section 138 of the Negotiable Instrument Act, 1881. The Bank also filed an application in the Debt Recovery Tribunal (DRT) for recovery of the amount alongwith compound interest from the Company and the client. The Company disputed the claim of the Bank. The Bank's application to the DRT was dismissed and only the client was held liable. The Bank and the client had filed an appeal in the Debt Recovery Appellate Tribunal (DRAT) against the order of DRT. The appeals were allowed vide the DRAT order dated September 23, 2011, which stated that the amount would carry compound interest from 1st August 2001 @ 19% p.a. with quarterly rests till realisation and the Bank was entitled to realize the sum from both the client and the Company. The Company filed a Revision Application in High Court, Calcutta on November 30, 2011 which was admitted but no interim relief was granted. Hence, the Company filed a Special Leave Petition (SLP) in the Supreme Court for stay of the High Court Order for not granting Interim relief of staying the DRAT order, the Order of the DRAT and the recovery certificate and notice of demand issued by Presiding Officer and recovery officer of DRT respectively. The Supreme Court vide its order dated April 23, 2012 granted stay on the recovery proceedings and requested the Calcutta High Court to dispose off the Revision Application within a period of four months and the Company to deposit ₹ 30.00 crore with the Calcutta High Court Registry within a period of 4 weeks from the date of order by way of a short term deposit in a nationalised bank. Accordingly, the Company had deposited the money with the Calcutta High Court, Registry. The Bank's application was dismissed. Accordingly, the Company made the deposit in the Statement of Balance Sheet as on March 31, 2018. The bank was granted liberty to withdraw ₹ 30.00 crore along with interest that had been lying as deposit before the High Court of Kolkata which is subject to final decision in the SLP. Accordingly, an amount of ₹ 38.04 crore was released to the Bank. Further by an order dated October 12, 2015, the Supreme Court directed the bank to withdraw an additional amount of ₹ 15.00 crore along with accrued interest from the money deposited with the Supreme Court.
