3 The figures for the quarter ended 31 March 2018 and quarter ended 31 March 2017 are the balancing figures between the audited financial statements for the years ended as on that date and the year-to-date figures up to the end of third quarter of the respective financial year on which auditors had performed a limited review.

4 Excise duty on sales was included under 'Revenue from operations' and disclosed separately under 'Expenses' up to and inclusive of all reporting periods ended 30 June 2017. Post implementation of Goods and Services Tax (GST) from quarter ended 30 September 2017, 'Revenue from operations' is reported net of GST and hence is not comparable to that extent.

5 Considering the nature of operations and the manner in which the chief operating decision maker of the Company reviews the operating results, the Company has concluded that there is only one operating segment as per Ind-AS 108 "Operating Segments". Accordingly, no separate disclosures of segment information have been made.

8 The Board of Directors has recommended a dividend of ₹ 1.50 per share, i.e., 15% of face value of ₹ 10 each, the payment of which shall be made subject to approval of shareholders in general meeting.
