Subsequent to the balance sheet date the Company has adjusted the penalty amount against the dues payable by the company to him. The Board of Directors of the Company in its meeting held on May 16, 2018 approved to contribute the penalty amount levied on him to Prime Minister National Relief Fund ("PMNRF")

(b) With reference to the qualification of limited review report dated February 14, 2018 of the Company for the period ended December 31, 2017, the explanation given by the management is as below:

With representations of high quality professionals on Board, REL and RFL are committed to the highest standard of corporate governance, and assist in revival of the business of Religare Finvest Limited to its past growth. Accordingly REL expects the value of its investments in RFL to be sustainable in the future, and to create shareholder value going forward. No impairment, therefore, needs to be made in the investment made by REL in the equity of RFL. Management of the RFL is in the process of taking various action including the definitive additional capital infusion plan, induction of new management personnel, discussion with RBI for relaxing the restriction imposed on the business capability of the company, initiating detailed diligence from a law firm of repute of corporate loan book and recoverables from Strategic Credit Capital Pvt Ltd ("SCCPL") and Perpetual Credit Services Private Limited besides strengthening the internal controls and corporate governance mechanism. Considering all these measures, management is of the view that there would be significant improvement in the financial position of RFL.

15. The Company has an exposure of Rs 2,03,670 lakhs towards the Corporate Loan Book. RBI has raised concerns in the past about the credit worthiness of the borrowers, credit appraisal and loan sanctioning mechanism followed by the company in respect of this book. The current management has reviewed the portfolio and the financial reports of the borrowers to determine the recoverability of the said loans. As a part of the recovery process, the management has already issued legal notices to the borrowers and is in the process of initiating further action on the same. The Company is also in the process of appointing a law firm of repute to undertake a detailed diligence on this loan book. Post submission of the report and the steps outlined for recovery, the Company intends to pursue all legal means for recovering the loans. In the interim based on the security available, maturity dates of the loans, recovery steps instituted and the financial reports of the borrowers, the Company has, on a prudent basis, made a provision of Rs.1,01,285 lakhs against this portfolio.

16. In July 2017, RFL (pursuant to the approval of its board of directors) executed a settlement agreement with Strategic Credit Capital Private Limited ("SCCPL"), Perpetual and its associates. Pursuant to the settlement agreement, certain legal proceedings against SCCPL, Perpetual and their associates were withdrawn by RFL. As per the settlement agreement, SCCPL was supposed to recover Rs 40,000 lakhs on best effort basis on or before March 31, 2018. However SCCPL completely failed to perform its obligation. Hence Board of Directors in its meeting held on May 16, 2018 has taken decision to initiate the legal proceedings against the SCCPL & its related parties. In February 2018, SCCPL and Perpetual filed a civil suit before the Delhi High Court seeking (among other reliefs) specific performance against Lakshmi Vilas Bank and impleading RFL and REL as parties. In March 2018, SCCPL, Perpetual Credit Services Private Limited and its associates filed a suit before the Saket District Court seeking, (among other reliefs) discharge from their obligations under the settlement agreement. RFL and REL have filed applications for rejection of plaint, extension of time to file written statement and certain interrogatories

17. Religare Finvest Limited ("RFL") had made certain fixed deposits with Lakshmi Vilas Bank ("LVB") in November 2016 and January 2017. LVB vide its letter dated 7th February 2018 had confirmed fixed deposits of Rs.79,144.77 lakhs to the Company. RFL received a letter dated February 9, 2018 from LVB purporting to allude to certain loans disbursed by LVB to third parties allegedly in consideration of security of the RFL's Fixed Deposits ("FDs") with LVB. By means of this letter, LVB also purported to call upon RFL to execute the security documentation in connection with the alleged loans.

Vide its letter dated February 16, 2018. LVB was expressly informed that not only was RFL not party to any loans that were allegedly sanctioned or granted by LVB to any third party, as also that no authorization, sanction or approval had ever been provided by RFL to LVB permitting the creation of any security or encumbrance of the FDs for any third party loans or borrowings. LVB was also forewarned that any attempt to subject the FDs to illegal encumbrance would not only be violative of RFL's rights, but also constitute deliberate contempt by LVB of the Order dated January 5, 2018 passed by the Hon'ble Delhi High Court, a copy of which was served on LVB vide Legal notice dated February 16, 2018. However, no response was ever received by RFL to the same till May 3, 2018.

While things stood thus, RFL came to be in receipt of a copy of the letter dated April 24, 2018 addressed by LVB to the statutory auditors of RFL that LVB had "closed the said deposits on 20.02.2018 to liquidate the loans availed" by third parties. This was contrary to the confirmation received by the Statutory Auditors in November 2017 via email confirming the fixed deposits. RFL has now filed a suit for recovery of the Fixed Deposit amounts aggregating Rs. 79,144.77 lakhs appropriated by LVB before the Hon'ble Delhi High Court.

1. We have audited the accompanying statement of standalone financial results of Religare Enterprises Limited ("the Company") for the quarter ended 31st March 2018 and the year to date results for the period April 01, 2017 to March 31, 2018, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.

Further, the quarterly standalone financial results for the quarter ended March 31, 2018 are the derived figures between the audited figures in respect of the year ended March 31, 2018 and the published year-to-date figures for the period April 1, 2017 to December 31, 2017, being the date of the end of the third quarter of the current financial year, which were subject to limited review in accordance with Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' as issued by the Institute of Chartered Accountants of India. Emphasis of Matter

3. Attention is invited to note no 14(b) of the annexed financial results of the company in relation to significant decline in the net worth of Religare Finvest Limited (RFL), subsidiary of the company, adjustment of Fixed deposit of Rs. 75000 Lakhs (representing Rs. 79145 Lakhs as per financial statement as on 31/03/2018) by Laxmi Vilas Bank (LVB), which is under litigation, besides concerns raised by the RBI on the operations of RFL and restriction

on expansion of credit/ investment portfolio. Management of the RFL is in the process of taking various action including the definitive additional capital infusion plan, induction of new management personnel, discussion with RBI for relaxing the restriction imposed on the business capability of the company, initiating detailed diligence from a law firm of repute of (i) corporate loan book and (ii) Recoverable from Strategic Credit Capital Private Limited and Perpetual Credit Services Private Limited besides strengthening the internal controls and corporate governance mechanism. Considering all these measures, management is of the view that there would be significant improvement in the financial position of RFL. Hence, decline in the net worth of RFL is considered as temporary and consequently no impairment provision has been considered necessary.

Our opinion is not qualified in respect of this matter.

Independent Auditor's Report on Consolidated Year to Date Results of Religare Enterprises Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of
Religare Enterprises Limited

1. We have audited the accompanying consolidated financial results of Religare Enterprises Limited ('herein after referred to as 'the Holding Company') its subsidiary and its jointly controlled entity (the Holding Company, its subsidiary and Jointly controlled entity together referred to as "the Group") for the year ended 31 March 2018, ("the statement"), attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

These consolidated financial results have been prepared on the basis of the audited annual consolidated financial statements, which are the responsibility of the Company's Management. Our responsibility is to express an opinion on these consolidated financial result based on our audit of such consolidated financial statements, which have been prepared in accordance with the recognition and measurement principles laid down as per Accounting standards (AS) mandated under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder as applicable and other accounting principles generally accepted in India.

2. We conducted our audit in accordance with the auditing standards issued by the Institute of Chartered Accountants of India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

Basis for Qualified Opinion

The Qualification given in Auditors Report of Religare Finvest Limited ("RFL") is reproduced here under.

3. The Lakshmi Vilas Bank (LVB) has adjusted Fixed Deposit of Rs 75000 Lacs (representing Rs. 79145 Lacs as per financial statement as on 31 March 2018) due to RFL against the loans granted by LVB to RHC Holding Pvt. Ltd and Ranchem Pvt. Ltd; RFL has claimed the reinstatement of the said fixed deposits and has filed a suit before to the Hon'ble Delhi High Court for declaration and recovery. Pending disposal of the case, we are unable to comment on the status and classification.
4. Attention is invited to note no. 15 relating to Corporate Loan Book (CLB portfolio) aggregating to Rs. 203670 Lacs as on 31 March 2018 given to certain companies. The Reserve Bank India ('RBI') in its letter dated 27 January 2017 to RFL, had also raised concerns about the credit worthiness of the borrowers, credit appraisals and loan sanctioning mechanism. The RBI further directed RFL to reduce its CLB portfolio and to submit action plan to this effect. RFL was required to submit an action plan approved by Board for ensuring that unsecured loans to corporates are not sanctioned in future. We have been explained by the management that it has initiated legal recourse and has issued legal notices to the borrowers. We have also been explained by the management that a law firm of repute has been appointed to undertake a detailed diligence on this loan book. RFL has, on prudent basis made a provision amounting to Rs.1,01285 Lacs against this portfolio based on an assessment of security available, maturity dates of loans, recovery steps instituted and the financial position of the borrowers. Pending outcome of the said diligence & recovery steps taken by the management, we are unable to comment on the appropriateness of the provision so made.

Further, the RBI had also observed that some of these select borrowers had passed on funds to the promoter/ erstwhile Director controlled companies. We are unable to comment on the violations of NBFC Group Exposure Guidelines or to violations of Companies Act, 2013, if any, as we do not have access to the records of the borrower companies.

Also, in previous year auditor's report, there was modified opinion in this regard.

Emphasis of Matter –

5. Attention is invited to note no 14(b) of the annexed financial results of the company in relation to significant decline in the net worth of Religare Finvest Limited (RFL), subsidiary of the company, adjustment of Fixed deposit of Rs. 75000 Lakhs (representing Rs. 79145 Lakhs as per financial statement as on 31March 2018) by Laxmi Vilas Bank (LVB), which is under litigation, besides concerns raised by the RBI on the operations of RFL and restriction on expansion of credit/ investment portfolio. Management of the RFL is in the process of taking various action including the definitive additional capital infusion plan, induction of new management personnel, discussion with RBI for relaxing the restriction imposed on the business capability of the company, initiating detailed diligence from a law firm of repute of (i) corporate loan book and (ii) Recoverable from Strategic Credit Capital Private Limited and Perpetual Credit Services Private Limited besides strengthening the internal controls and corporate governance mechanism. Considering all these measures, management is of the view that there would be significant improvement in the financial position of RFL. Hence, decline in the net worth of RFL is considered as temporary and consequently no impairment provision has been considered necessary.

Our opinion is not qualified in respect of this matter.

During the year ended March 31, 2018 RFL entered into a settlement agreement with the counterparties pursuant to which the various cases against each other at various courts and tribunals were withdrawn on consent terms, however RFL retained its right to recover the amounts due from SCCPL and Perpetual. LVB was expressly informed that not only RFL was not party to any loans that were allegedly sanctioned or granted by LVB to any third party, as also that no authorization, sanction or approval had ever been provided by RFL to LVB permitting</p>			

the creation of any security or encumbrance of the FDs for any third party loans or borrowings. LVB was also forewarned that any attempt to subject the FDs to illegal encumbrance would not only be violative of RFL's rights, but also constitute deliberate contempt by LVB of the Order dated January 5, 2018 passed by the Hon'ble Delhi High Court, a copy of which was served on LVB vide Legal notice dated February 16, 2018. However, no response was ever received by RFL to the same till May 30, 2018.

While things stood thus, RFL came to be in receipt of a copy of the letter dated April 24, 2018 addressed by LVB to the statutory auditors of RFL that LVB had "closed the said deposits on 20.02.2018 to liquidate the loans availed" by third parties. This was contrary to the confirmation received by the Statutory Auditors in November 2017 via email confirming the fixed deposits. RFL has now filed a suit for recovery of the Fixed Deposit amounts aggregating Rs. 79,144.77 Lakhs appropriated by LVB before the Hon'ble Delhi High Court.

II(b) **Audit Qualification (each audit qualification separately):**

a. Details of Audit Qualification:

Attention is invited to note no. 15 relating to Corporate Loan Book (CLB portfolio) aggregating to Rs. 203670 Lacs as on 31 March 2018 given to certain companies. The Reserve Bank India ('RBI') in its letter dated 27 January 2017 to RFL, had also raised concerns about the credit worthiness of the borrowers, credit appraisals and loan sanctioning mechanism. The RBI further directed RFL to reduce its CLB portfolio and to submit action plan to this effect. RFL was required to submit an action plan approved by Board for ensuring that unsecured loans to corporates are not sanctioned in future. We have been explained by the management that it has initiated legal recourse and has issued legal notices to the borrowers. We have also been explained by the management that a law firm of repute has been appointed to undertake a detailed diligence on this loan book. RFL has, on prudent basis made a provision amounting to Rs.1,01285 Lacs against this portfolio based on an assessment of security available, maturity dates of loans, recovery steps instituted and the financial position of the borrowers. Pending outcome of the said diligence & recovery steps taken by the management, we are unable to comment on the appropriateness of the provision so made.

Further, the RBI had also observed that some of these select borrowers had passed on funds to the promoter/ erstwhile Director controlled companies. We are unable to comment on the violations of NBFC Group Exposure Guidelines or to violations of Companies Act, 2013, if any, as we do not have access to the records of the borrower companies.

Also, in previous year auditor's report, there was modified opinion in this regard.

b. Type of Audit Qualification : Qualified Opinion

c. Frequency of qualification: In previous year auditor's report, there was modified opinion in this regard.

d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views: The Auditors have not quantified the impact of the Qualified Opinion

e. For Audit Qualification(s) where the impact is not quantified by the auditor:

(i) Management's estimation on the impact of audit qualification:

RFL has an exposure of Rs 203,670.00 Lakhs towards the Corporate Loan Book. RBI has raised concerns in the past about the credit worthiness of the borrowers, credit appraisal and loan sanctioning mechanism followed by the company in respect of this book. The management has reviewed the portfolio and the financial reports of the borrowers to determine the recoverability of the said loans.

As a part of the recovery process, the management has already issued legal notices to the borrowers and is in the process of initiating further action on the same. RFL is also in the process of appointing a law firm of repute to undertake a detailed diligence on this loan book. Post submission of the report and the steps outlined for recovery, RFL intends to pursue all legal means for recovering the loans.

In the interim based on the security available, maturity dates of the loans, recovery steps instituted and the financial reports of the borrowers, RFL has, on a prudent basis, made a provision of Rs. 101,285.00 Lakhs against this portfolio.

(ii) If management is unable to estimate the impact, reasons for the same: NA

(iii) Auditors' Comments on (i) or (ii) above: The Auditors are of the view that we are unable to comment on the violations of NBFC Group Exposure Guidelines or to violations of Companies Act, 2013, if any, as we do not have access to the records of the borrower companies.
