Independent Auditor's Report on the Standalone Financial Results of Saregama India Limited pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

TO THE BOARD OF DIRECTORS OF SAREGAMA INDIA LIMITED

We have audited the accompanying annual standalone financial results of Saregama India Limited ('the Company') for the year ended 31 March 2018 ('the Statement'), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5 July 2016.

Attention is drawn to the fact that the figures for the quarter ended 31 March 2018 and the corresponding quarter ended in the previous year as reported in the Statement are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the end of the third quarter of the relevant financial years. Also, the figures upto the end of the third quarter of the respective financial years had only been reviewed and not subjected to audit.

These standalone financial results have been prepared on the basis of the standalone annual financial statements and reviewed quarterly standalone financial results upto the end of the third quarter which are the responsibility of the Company's management. Our responsibility is to express an opinion on these standalone financial results based on our audit of the standalone annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

The comparative financial results of the Company for quarter and year ended 31 March 2017, included in these standalone financial results have been prepared from the annual standalone financial statements audited by the predecessor auditor (vide their unmodified audit report dated 25 May 2017), as adjusted for differences in the accounting principles adopted by the Company on transition to Indian Accounting Standards ("Ind AS"), which have been audited by us. These adjustments reconcile the net profit for the corresponding quarter and year ended 31 March 2017 and the equity as at 31 March 2017 under the previously applicable Generally Accepted Accounting Principles with the total comprehensive income and the equity as reported in this statement under Ind AS.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

These consolidated annual financial results have been prepared on the basis of the consolidated annual financial statements which are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial results based on our audit of the consolidated annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

We did not audit the financial statements of four subsidiaries and one joint venture included in the consolidated annual financial results, whose annual financial statements reflect total assets of Rs. 4213.79 lakhs as at 31 March 2018 as well as the total revenues of Rs. 1744.52 lakhs for the year ended 31 March 2018. These consolidated annual financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion on the consolidated annual financial results, to the extent they have been derived from such annual financial statements, is based solely on the report of such other auditors. Our opinion is not modified in respect of this matter.

The comparative financial results of the Company for the year ended 31 March 2017, included in these consolidated financial results have been prepared from the annual consolidated financial statements audited by the predecessor auditor (vide their unmodified audit report dated 25 May 2017), as adjusted for differences in the accounting principles adopted by the Company on transition to Indian Accounting Standards ("Ind AS"), which have been audited by us. These adjustments reconcile the net profit for the corresponding year ended 31 March 2017 and the equity as at 31 March 2017 under the previously applicable Generally Accepted Accounting Principles with the total comprehensive income and the equity as reported in this statement under Ind AS.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
