Under Secretary to the Government of India

Dr. BHUSHAN KUMAR SINHA (IES: 1993)

Dr. Bhushan Kumar Sinha belongs to the 1993 batch of Indian Economic Service.

Presently he is posted as Economic Adviser in the Department of Financial Services (DFS), Ministry of Finance, Government of India, New Delhi.

His entry into the Indian Economic Service (IES) in 1993 coincided with the economic reforms process initiated in India. Since then, as a member of the IES, Dr. Sinha has handled diverse economic & financial issues, such as facilitating financing for Indian corporations from international capital markets, regulating external commercial debt flows within the overall framework of prudent debt management for the country, development and regulation of the Indian securities market, initiating and co-ordinating pension sector reforms for the Government of India, formulating and implementing policies for promotion and growth of the Indian MSMEs.

Before joining DFS in May, 2018, Dr. Sinha had a three year stint as Economic Adviser in the Department of Investment & Public Asset Management (DIPAM). During this tenure, he was instrumental in steering the paradigm shift in the GoI's policy strategy by facilitating migration from 'divestment-based approach' to the concept of 'efficient management of investments' in Central Public Sector Enterprises (CPSEs). Prior to DIPAM, Dr. Sinha was posted as Director in the office of the Finance Minister.

Dr. Sinha holds a Master's degree in Business Administration (MBA) from the National Graduate School of Management (NGSM), Australian National University (ANU), Canberra, Australia and a Ph.D from the Department of Financial Studies, University of Delhi. The topic of his doctoral dissertation was "Valuation of IPOs in India- An Empirical Study". Dr. Sinha also holds a Law degree from the Campus Law Centre, University of Delhi.
