**Sub: Clarification on Media News**

This is with reference to various media news about abduction of 7 employees (6 Indian National and 1 Afghanistan National) of our Company in Afghanistan.

We are very concerned and the matter is being looked at by the Ministry of External Affairs (MEA) at the highest level. In the interest of safety of our people and the sensitive nature of the situation on ground, we will not be commenting any further. We want to assure everyone concerned that we are working with the authorities to ensure safe return of our employees.

This is for your information.

Thanking you,

Yours faithfully,

For **KEC International Limited**
