Corporation schools excel in plus 2 results

Chennai, May 17: The 32 higher secondary schools run by the Greater Chennai Corporation recorded a pass percentage of 88.79 per cent in the Class 12 board exams. According to a statement issued by the Corporation, this registered a 0.05 per cent increase from the last year. Three schools – Koyambedu Girls Higher Secondary School, Subbarayan Chennai

Higher Secondary School and CIT Nagar Higher Secondary School – recorded a pass percentage of 100.

In total, 5,788 students appeared for the Class 12 board examinations, including 2,199 boys and 3,589 girls. Of this, 5,139 students passed the examination – including 3,357 girls and 1,782 boys. This year, 69 students achieved centum in a subject while 74

students scored above 1,100 marks. Among the students of Corporation-run institutions, 326 students scored above 1,000 marks.

Corporation officials said that most of the children come from disadvantaged backgrounds, often finding it difficult to concentrate on their studies. But, the Corporation's education department has been running a series of

programmes – called Spark – where children who require additional tutoring are giving coaching before and after school hours.

The children showcasing potential and have performed well in Class 11 examinations are given additional coaching in residential centres to improve their performance during the Class 12 board examinations.

Murugappa Group chalks out Rs 2,000 Cr capex till 2020

Chennai, May 17: Diversified business conglomerate Murugappa Group has chalked out Rs 2,000 crore capital expenditure plans for the 2018-19 and 2019-20 financial years, which include ramping up capacity at its existing facilities.

"If you look at this (financial year and next year), the capital expenditure planned is Rs 2,000 crore. It will be for FY 2018-19 and 2019-20", company Executive Chairman MM Murugappan said.

The city-headquartered company had spent about Rs 616 crore for the 2016-17 fiscal as capital expenditure and Rs 660 crore for the previous financial year 2015-16.

To a query on the increase in capital expenditure, he said the investments would be mostly on the agriculture and engineering side.

"One of the investments will be in

IOT Infra doubles its consolidated PAT

Mumbai, May 17: IOT Infrastructure & Energy Services Ltd. in its Annual Board Meeting approved the audited financials for FY 2018, highlighting a much anticipated turnaround for the company that withstood strong headwinds in the Energy & Infrastructure sector to post a consolidated PAT of around Rs. 100 Crore. Sanjiv Singh, Chairman of IOT Board and IndianOil Chairman welcomed IOT's turnaround and doubling of profits. Reflecting on IOT's journey, he said, "As a stakeholder at IOT, I'm extremely happy and excited to see IOT turn around, displaying exponential growth in profitability. IOT's 20 years of expertise in Midstream Terminalling & Infrastructure has cultivated an image of being a reliable partner, not only as a custodian of our products, but also as a designer & operator of world-class facilities in the energy sector. It continues to be a valuable service provider in the Indian Oil & Gas space."

Vivek Venkatachalam, Managing Director, IOT said, "The infrastructure sector has been going through challenging times over the past few years. It is a matter of pride that IOT weathered the storm to turn around the company and met Shareholders' expectations of sustained profitability, a fact amply vetted by our credit ratings being upgraded to AA."

used technology and management expertise to deliver even a single box of laddu in the homes of people in the USA, UK through eCommerce. With repeat purchase increasing in double digit from more than 50 retail outlets across USA, company is enjoying consistent growth in export revenue.

R. Dhamodaran, Co-Founder & CEO, said, "With all these developments, the consumers will have the luxury of getting even a single box of laddu delivered within 24 to 48hrs anywhere in India or in the USA/UK. These laddus can be stored in room temperature, the consumers can enjoy the crunchy and juicy laddus, which will be missing if refrigerated."

MM Murugappan, Executive Chairman & Sridhar Rangarajan Group CFO, Murugappa Group

expanding our existing phosphoric acid plant in Vishakapatnam to 440 tonnes per day, which will require Rs 350 crore (investments)", he said.

Company President and Group CFO Sridharan Rangarajan said the proposed capital expenditure does not include any acquisition of another company. "It is normal capacity expansion plans and debottlenecking programmes", he said.

To another query on how the funding would be done to meet the

Rs 2,000 crore capital expenditure, he said it would be through internal accruals.

Asked if the Rs 2,000 crore capex would be invested in domestic market or overseas, Rangarajan said some amount of the investments would be made in Russia. "We are putting up a gas based powerplant there," he said.

On areas that offer growth for the Group, Murugappan said the company would certainly like to grow faster than the GDP.

The World Bank has forecast a 7.3 per cent growth rate for India this year and 7.5 per cent for 2019 and 2020, and noted that the country's economy has recovered from the effects of demonetisation and the Goods and Services Tax.

"Double digit growth. That is the way we would plan it as we go forward", he said.
