INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF
SOUTHERN INFOSYS LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying financial statements of SOUTHERN INFOSYS LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the preparation of these Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and statement of changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. The Board of Directors of the company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Ind AS financial statements by the Directors of the Company.

Auditors' Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Basis for Qualified Opinion

- (i) The company is required to make provision for Gratuity in respect of its employees as required under Payment of Gratuity Act, 1965 by following accrual basis and conducting the valuation by following independent actuarial valuations as at the balance sheet date by using the project unit cost method as mandated by Indian Accounting Standard-19 on Employee Benefits prescribed in the Companies (Indian Accounting Standards) Rules, 2015. The company has not made any provision for Gratuity and the said non-provision is contravention of Indian Accounting Standard-19 on Employee Benefits and Indian Accounting Standard-1 on Significant Accounting Policies for not adhering to accrual basis as fundamental accounting assumption. We are unable to ascertain the financial implication of the same. The net profit for the year, current assets cumulative net profits are overstated to that extent.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the **Basis for Qualified Opinion** paragraph, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India,

- (b) In the case of Statement of Profit and Loss account, of the loss for the year ended on date March 31, 2018.
- (c) In the case of Cash Flow Statement for the year ended on date March 31, 2018.
- (d) In the case of Statement of changes in equity for the year ended on date March 31, 2018.

Emphasis of Matter

- (i) We draw your attention to the responsibility of the Company to arrange balance confirmations in respect of Accounts Receivable, Accounts Payable and from other receivables/payables. The management did not have the balance confirmation of lot of said parties. Accordingly we directed the Company to send the confirmatory letters on its letter head requested and asking the aforesaid various parties to confirm the balances directly to us. Confirmatory letters were sent to all such parties requesting them to confirm the account balances as on 31st March, 2018. Lot of parties have not yet confirmed the balances as on the date of signing the financials. Accordingly Accounts Receivable, Accounts Payables and other receivables/payables are subject to confirmation and have been shown as per values appearing in the books of accounts and have been treated as good for recovery/payment. Our opinion is not qualified in respect of this matter.
- (ii) The provision for Bonus has not been provided in accordance with Payment of Bonus Act. We are unable to ascertain the financial implication of the same. The net profit for the year, current assets and cumulative net profit are overstated to that extent.
