Dear Sir,

This is with reference to your email(s) dated May 28, 2018 seeking clarification on news item appearing in www.mydigitalfc.com dated May 28, 2017 titled "Govt studying fresh charge against NDTV". The article mentions that the nodal information and broadcasting (I&B) Ministry has started examining the latest accusation which claims the channel has violated uplinking guidelines, 2011. The article also mentions very clearly that complainant Sanjay Dutt, who is also director at Quantum Securities Pvt Ltd (QSPL), has claimed in his letter that market regulator SEBI has determined that the control of New Delhi Television Limited (NDTV/the Company) has changed hands and it is now vested with one Vishapradhan Commercial Private Limited.

The Company submits that it is completely false and misleading statement by a former disgruntled consultant and minority shareholder of the Company. The Company has on various occasions provided clarifications to the stock exchanges on such news articles that there has been no change in control of the Company. Further we wish to state that till now the Company has not received any communication from I&B Ministry on the subject matter of the aforesaid article.

The complainant Sanjay Dutt derives motivated conclusions by presenting the distorted facts and misleading the regulatory bodies basis such motivated conclusions and frivolous opinions. This further goes on to show that in the absence of any actual non-compliance by the Company, QSPL is merely trying to mislead the stock exchanges and bring disrepute to NDTV and its Promoters.

We trust that the same satisfactorily answers your query.

Okhla Indl Estate-III

Thanking you

Yours faithfully,

For New Delhi Television Equited
