Auditors' Report on financial results of Amrutanjan Health Care Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
The Board of Directors of **Amrutanjan Health Care Limited**

We have audited the accompanying Statement of financial results of **Amrutanjan Health Care Limited** ('the Company') for the year ended March 31, 2018 ('financial results'), attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'). Attention is drawn to the fact that the figures for the quarter ended March 31, 2018 and the corresponding quarter ended in the previous year as reported in these financial results are the balancing figures between audited figures in respect of the full financial year and the published unaudited year to date figures upto the end of the third quarter of the relevant financial year. Also, the figures up to the end of the third quarter as modified of the respective financial year had only been reviewed and not subjected to audit.

These financial results have been prepared on the basis of the audited annual financial statements and reviewed financial results upto the end of the third quarter of the respective financial year, which are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial results based on our audit of the annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015, as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with SEBI Listing Regulations.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

Attention is drawn to the fact that the corresponding figures of the Company for the quarter and the year ended 31 March 2017, are based on the previously issued statutory financial statements or financial results prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditor whose reports for the year ended March 31, 2017 dated May 16, 2017 expressed an unmodified opinion on those financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to IND AS, which have been audited by us. These adjustments reconcile the net profit for the corresponding quarter and year ended March 31, 2017 under the previously applicable generally accepted accounting principles with the total comprehensive income as reported in the financial results under IND AS.

In our opinion and to the best of our information and according to the explanations given to us, these financial results:

- (i) are presented in accordance with the requirements of Regulation 33 of the SEBI Listing Regulations and SEBI circular dated July 5, 2016 in this regard; and
- (ii) give a true and fair view of the net profit, other comprehensive income and other financial information for the year ended March 31, 2018.
