We have audited the standalone financial results of Ador Welding Limited ('the Company') for the year ended 31 March 2018, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to Note 3 to the financial results regarding the figures for the quarter ended 31 March 2018 as reported in these financial results, which are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the end of the third quarter of the financial year. Also, the figures up to the end of the third quarter had only been reviewed and not subjected to audit. These financial results are based on the financial statements for the year ended 31 March 2018 prepared in accordance with the accounting principles generally accepted in India, including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 ('the Act') and published year to date figures up to the end of the third quarter of the financial year prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, Interim Financial Reporting, specified under Section 133 of the Act, and SEBI Circulars CIR/CFD/CMD/15/2015 dated 30 November 2015 and CIR/CFD/FAC/62/2016 dated 5 July 2016, which are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial results based on our audit of the financial statements for the year ended 31 March 2018 and our review of standalone financial results for the nine months period ended 31 December 2017.
- 2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
