A. Brief Details of the divisions to be demerged.

i. Archidply Industries Limited (Demerged Company)

Archidply Industries Limited is a Public Limited company incorporated under the Companies Act, 1956 having its registered office at Plot No.7, Sector - 9, Integrated Industrial Estate, SIDCUL, Pant Nagar, Rudrapur, Udham Singh Nagar, UR - 263153.

ii. Archidply Décor Limited (Resulting Company)

Archidply Décor Limited is a public Limited company incorporated under the Companies Act, 2013 having its registered office at Plot No.7, Sector - 9, Integrated Industrial Estate, SIDCUL, Pant Nagar, Rudrapur, Udham Singh Nagar, UR - 263153 . The company is a newly incorporated Company.

The "Chintamani" Unit of Archidply Industries Limited, the Demerged Company will be demerged and vested into Archidply Décor Limited the Resulting Company.

B. Turnover of the demerged division and as percentage to the total turnover of the listed entity in the immediately preceding financial year / based on financials of the last financial year.

The turnover of the Demerged Undertaking and as percentage to the total turnover of the listed entity is Rs. 67.31 crores and 21.95% respectively.

C. Rational for Demerger :

- In order to achieve geographical operational efficiencies and unlock shareholders value, the management of AIL has proposed to separate each business undertaking based on the commercial objectives and relevant geographies of the undertaking into separate company. Therefore with a view to effect such reorganization the present scheme is proposed for Transfer of Chintamani Undertaking into

CIN: L85110UR1895PLC008627

Archidply Décor Limited (ADR)

- In order to concentrate its growth efforts in a focused manner, introduce different strategies for growth and different focus for alliance / ventures and to enable direct Equity participation from investors and the Demerged Company has determined to create a focused entity and accordingly proposes the transfer and vesting of the Demerged Undertaking (as defined hereinafter) in the Resulting Company by way of a Demerger (as hereinafter defined) undertaken through this Scheme (as hereinafter defined) under the provisions of Sections 230 to 232 read alongwith Section 52 and Section 66 and other relevant provisions of the Act.
- The above transfer will be carried out by demerging Chinatamani unit from AIL to ADL as per the provisions of Section 2(19AA) of the Income Tax Act, 1961 (IT Act).
- Upon the effectiveness of this scheme, ADL will be listed on the stock exchanges where shares of AIL are listed i.e. BSE and NSE.

The key objectives for this demerger which is primarily focused towards maximizing shareholder value are:-

- The nature of risk, competition and capital intensity involved in demerged undertakings and remaining undertaking of AIL is distinct from each other. Consequently, each undertaking of AIL is capable of addressing independent business opportunities, deploying different technologies and attracting different sets of investors, strategic partners, lenders and other stakeholders. Hence as part of an overall business reorganization plan, it is considered desirable and expedient to reorganize and reconstruct AIL by demerging the Demerged Undertaking to ADR in the manner and on the terms and conditions contained in this Scheme.
- The Demerger is likely to enable the business and activities comprised in the demerged undertaking and remaining business and activities of AIL to be pursued and carried on with greater focus and attention through two separate companies each having its own administrative set up. Independent management of each of the undertakings will ensure required depth and focus on each of the businesses and adoption of strategies necessary for the growth of respective businesses. The structure provides independence to the management in decisions regarding the use of their respective cash flows for dividends, capital expenditure or other reinvestment in their business.
- It will facilitate each business to independently pursue their growth plans through organic / inorganic means.

- It will enhance management focus and operational flexibility and it will create a platform to enhance financial flexibility to pursue next stage of growth.
- The restructuring proposal is thus aimed at protecting and maximizing value for the shareholders of the AIL. This scheme is in the interest of the shareholders, creditors and all other stakeholders of AIL and shall not in any manner be prejudicial to the interests of shareholders and creditors. The restructuring under this Scheme would enable focused business approach for the maximization of benefits to all stakeholders and capitalize on the opportunity for growth.
