Independent Auditor's Report On Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To

THE BOARD OF DIRECTORS OF BURNPUR CEMENT LIMITED

1. We have audited the accompanying financial results of Burnpur Cement Limited ("the Company") for the quarter and year ended 31st March, 2018, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016 and has been initialled by us for identification. The financial results for the quarter ended 31st March, 2018 have been prepared on the basis of balancing figure between audited financial statements for the year ended 31st March, 2018 and the unaudited financial results for nine months ended 31st December, 2018 which were subject to limited review and are the responsibility of the company's management and have been approved by the Board of Directors of the company. Our responsibility is to express an opinion on these financial results based on our audit of the financial results as at and for the year ended 31st March, 2018 and our review of the financial results for the nine months period ended 31st December, 2017, which was prepared in accordance with the recognition and measurement principles laid down in Accounting Standard for Interim Financial Reporting (Ind AS 34), prescribed, under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder; as applicable and other accounting principles generally accepted in India.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

Basis for qualified opinion

3. Trade Receivables of the Company are mainly individual and proprietorship concerns and we have not been able to obtain sufficient audit evidence from alternative methods regarding receivables of the company amounting to Rs. 4168.32 Laes as on 31st March, 2017. The company has also written off bad debts amounting to Rs. 1379.39 Laes and has also created provision for bad and doubtful debts amounting to

Rs. 1740.36 Lacs. Due to reasons mentioned above we are not able to obtain sufficient audit evidence in respect of these write off and provisions by the company.

4. The company has not provided for accrued interest in its books of accounts during the year as the accounts have been declared NPA by the respective lenders. The effect of same is not ascertainable at present and as such we are unable to comment upon the consequential impact, if any, on the accompanying standalone financial results.
5. Inventory of the company amounting to Rs. 1283.76 Lacs have been lying since long in open storage space and is expected to fetch a lower realisable value. However, the management has stated the inventory at Cost. The Net Realisable Value of these old and obsolete inventory is not ascertainable at present and accordingly we are unable to comment upon the consequential impact, if any, on the accompanying standalone financial results.
6. The management has recognised Deferred Tax Assets amounting to Rs. 530.65 Lacs during the year on account of provision for bad and doubtful debts created during the year. The management of the company is confident that sufficient future income will be available against which such deferred tax assets can be realised. However, in our opinion, in absence of convincing evidence that sufficient future taxable income will be available against which such Deferred Tax Assets can be realised, such recognition is not in accordance with Indian Accounting Standard 12 "Income Tax" (Ind AS 12). Had the aforesaid deferred tax assets not been recognised, loss after tax for the period would have been higher by Rs. 530.65 Lacs and Deferred Tax Assets would have been lower by Rs. 530.65 Lacs.

Qualified Opinion

7. In our opinion and to the best of our information and according to the explanations given to us, *except for matters described in paragraph 3 to 6 above*, these quarterly financial results as well as the year to date results:
 - (i) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and
 - (ii) give a true and fair view of the net loss and other financial information for the quarter and year ended 31st March, 2018.

Emphasis of Matters

8. During the financial year ended 31st march, 2018, the company has incurred net loss of Rs. 4449.44 Lacs resulting into accumulated losses of Rs. 10297.33 Lacs and erosion of its net worth. The company's current liabilities exceeds current assets. The company has significant obligations towards repayment of loan obtained from banks and other parties. These conditions indicate the existence of a material uncertainty that cast significant doubt on the company's ability to continue as a going concern. However the management has prepared these Financial Statements on going concern basis for the reasons stated in Note No. 10
9. In General, it was noticed that applicable statutory dues were not deposited within due dates to the respective authorities. Substantial amount of Statutory dues amounting to Rs. 1303.75 Lacs has become overdue and remain unpaid. Interest, penalty, if any, in respect of the same remains unascertained and unaccounted for.
10. The balance of Sundry Debtors, Advances, Creditors, bank Borrowings, Loans etc. Includes balances remaining outstanding for a substantial period. The balances are subjected to confirmation and reconciliation which might have consequential impact on the financials which remains unascertained.
11. Attention is drawn to the fact the comparative figure for the quarter and year ended 31st March, 2017 are based on the previously issued Financial Statements that were audited by the erstwhile auditors who have expressed an unmodified opinion. The financial statement for the quarter and year ended 31st March, 2017 has been restated to comply with Ind AS and included in this statement as comparative financial information. These figures have not been audited/reviewed by us.

Our report is not qualified in these matters.
