Notes:

- 1 The above results were reviewed by the Audit Committee and thereafter have been adopted by the Board at its meeting held on May 30th, 2018. A Limited review of the financial results for the quarter and year ended March 31, 2018 have been carried out by the Statutory Auditors.
- 2 Regarding the auditors qualification for the year ended March 31, 2017 with respect to repayment of FCCB liability, the repayment of the same has been delayed due to liquidity crisis and additional liability, if any on this account, will be booked as and when finalised. The qualification still stands.
- 3 Due to various factors beyond the control of management/external factors, the company has suffered operational losses to the tune of Rs 2744.17 lacs during the current quarter. Consequently, the company has defaulted on payment of its debt obligations to various lenders leading to its borrowing being classified as NPA by the banks. The company had requested bankers for restructuring and the lenders had obtained third party TEV report from Dun & Bradstreet regarding the financial & technical viability of the company. However, despite net worth having been fully eroded, the Management is of the view that the company is an operative company and necessary steps are in process to mitigate this. In view of the same, the financial statements have been prepared on a going concern basis.
- 4 Exceptional items for the quarter include following:  
On account of invocation of Corporate Guarantee of the company towards its subsidiary M/s. FM Hammerle Textiles Limited, a provision of Rs. 17,685.13 lacs has been booked during this quarter. Thus for the year ending 31st March 2018, the total exceptional items amount to Rs 29,876.50 Lacs.
- 5 The consolidated financial results include results of the subsidiary, FM Hammerle Textiles Limited. As mentioned above, the subsidiary company is undergoing Corporate Insolvency resolution process (CIRP), wherein, the operations are being run by committee of creditors (COC) appointed and NCLT approved resolution professional. Since the resolution process is still not complete, the accounts of the subsidiary have been prepared and consolidated on going concern basis.
- 6 The figures for the quarter ended 31 March 2018 are the balancing figures between the audited figures for the full financial year and the unaudited figures for the nine months ended 31 December 2017.
- 7 The Company has adopted Indian Accounting Standards (INDAS) from April 1, 2017 (transition date being April 1, 2016) and accordingly, these financial results have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 as prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and the other accounting principles generally accepted in India. Results for the year ended March 31, 2018, are in compliance with Indian Accounting Standards (Ind AS) notified by the Ministry of Corporate Affairs. Consequently, results for the quarter ended March 31, 2017 and year ended March 31, 2017 have been restated to comply with Ind AS to make them comparable. The financial results and other information for the quarter and year ended March 31, 2017 have not been audited or reviewed by the Statutory Auditors. However, the management has exercised necessary due diligence to ensure that the unaudited financial results present a true and fair view of the company's affairs.
- 8 The business of company falls within a single primary segment Viz, Textile and hence, the disclosure requirement of IND-AS 108 'Operating segment' is not applicable.
- 9 The following reconciliations provide a quantification of the effect of significant differences arising from the transition from Previous Indian GAAP to Ind AS in accordance with Ind AS 101:

i) The company as on the date of the balance sheet has accumulated losses of Rs.23318.94 lacs which has eroded 100% of its share capital and the company's current liabilities has exceeded its current assets as at the balance sheet date. These conditions raise doubt about the company's ability to continue as a going concern. The management of the company is working on reviving the company by exploring possibilities of finding different resolutions plans for its revival. In view of this the accompanying financial statements do not include any adjustments that might result from the outcome of these uncertainties to the recoverability and classifications of assets carrying amounts or the amounts and classification of liabilities that might be necessary should the company be unable to continue as a going concern.

ii) The company is in shortage of one independent directors more fully explained in the said note which is inconsistent with the requirements of the act.

iii) There is an uncertainty related to the outcome of the matter pending with Hon'ble high court of state of Punjab and Haryana at Chandigarh which is pending adjudication in relation to filling petition u/s 397,398 of the erstwhile companies act, 1956. The amount of compensation is not determinable at this stage.
