**INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM  
FINANCIAL RESULTS**

**TO THE BOARD OF DIRECTORS OF  
AMBUJA CEMENTS LIMITED**

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **AMBUJA CEMENTS LIMITED** ("the Company"), which includes a Joint Operation consolidated on a proportionate basis for the Quarter ended 31st March, 2018 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016.

This Statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
3. Based on our review conducted as stated above and based on the consideration of the review reports of the other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. We draw attention to Note 3 to the Standalone Financial Results which describes the following matters:

- a. In terms of order dated 31st August, 2016 the Competition Commission of India (CCI) has imposed a penalty of Rs.1,163.91 crores for alleged contravention of the provisions of the Competition Act, 2002 by the Company. The Company has filed an appeal against the CCI order before the Competition Appellate Tribunal (COMPAT). The COMPAT has granted a stay on the CCI order on the condition that the Company deposits 10% of the penalty amount i.e. Rs.116.39 crores, which has been deposited.
- b. In terms of the order dated 19th January, 2017 the CCI has imposed penalty of Rs.29.84 crores pursuant to the reference filed by the Director, Supplies and Disposals, State of Haryana in August 2012 for alleged contravention of the provisions of the Competition Act, 2002 by the Company. An appeal has been filed with the COMPAT against the said order and an interim stay has been granted by the COMPAT in the matter.

As per a recent amendment, the Competition Appellate Tribunal (COMPAT) has ceased to exist effective 26th May, 2017. The appellate function under the Competition Act, 2002 (Competition Act) is now conferred to the National Company Law Appellate Tribunal (NCLAT) and accordingly, the matters are now pending with NCLAT.

Based on the advice of external legal counsel, no provision has been considered necessary by the Company in respect of these matters. Our report is not modified in respect of these matters.

5. “Our focus on reducing costs, improving productivity, and increasing capacity utilisation backed by strong attention to the retail segment and robust sales from our premium value added products led to a strong quarter with 29% EBITDA growth.” said Ajay Kapur, Managing Director and CEO, Ambuja Cement.

### Performance

Healthy top line growth of 9% on a y-o-y basis attributable to improved realisations and sales growth of premium brands - Compocem and Roof Special.

During this quarter, the rise in global oil and energy prices drove up power & fuel costs and diesel prices which impacted freight costs. However, efficiencies improved.

Productivity improvements combined with cost saving measures contributed to an Operating EBITDA increase of 29% compared to the corresponding quarter of the previous year.

### Outlook

The company expects the economy to grow strongly in 2018 on the back of higher demand spurred by the government's focus on infrastructure development (roads, highways, irrigation projects and railways), housing and increased rural spends. Additionally, we believe that the Government's efforts towards creating jobs through spending on rural and labour intensive infrastructure, will support economic growth.
