Presently, the Transferor Company is holding investments in equity shares of the Transferee Company.
3. In connection with the Proposed Amalgamation and based on information made available to us by the management of the Companies, the management of the Companies have requested Chhajed & Chhajed Co, Chartered Accountants ("us" or "we") to provide a report on allotment of equity shares of the Transferee Company to the shareholders of the Transferor Company pursuant to the Proposed Amalgamation (the "Services").
4. We understand that the Transferor Company holds 90,30,495 equity shares of the Transferee Company, which comprises of 48.35% shareholding in the Transferee Company.

## Information Provided

The following information has been provided to us by the management of the Companies:

1. Audited financial statements of the Transferee Company for FY 2015-16 and un-audited financial statements of the Company for period ending 31 December 2016;
2. Un-audited provisional financial statements of the Transferor Company for the period ending 26 March 2017. Further, we understand that there is no significant change in financial position of the Transferor Company between 26 March 2017 and the date of this report;
3. Shareholding pattern of the Companies as on the date of the report;
4. The draft Scheme;

5. Other information and explanations as were required and provided to us by the management of the Companies.

#### **Ratio of Allotment**

1. The draft Scheme proposes that as consideration for the Proposed Amalgamation of the Transferor Company into the Transferee Company, the Transferee Company shall issue and allot equity shares of Rs. 10/- each, as fully paid-up at par to each shareholder of the Transferor Company, whose name is recorded in the register of shareholders of the Transferor Company as on the Record Date (as defined in the draft Scheme) in the following ratio:

*"90,30,495 (Ninety Lakh Thirty Thousand Four Hundred and Ninety Five only) fully paid up Equity Shares of the face value of Rs.10 (Rupees Ten) each of DCM against 90,30,495 (Ninety Lakh Thirty Thousand Four Hundred and Ninety Five only) fully paid-up equity shares of Rs. 10 (Ten) each held by Crescita in DCM as on March 31, 2017 shall be issued and allotted to the equity shareholders of Crescita in proportion to their shareholding in Crescita"*

*"In the event Crescita holds more than 90,30,495 (Ninety Lakh Thirty Thousand Four Hundred and Ninety Five only) fully paid-up equity shares of DCM without incurring any additional liability, such additional number of equity shares of DCM (if any) as may be held by Crescita in DCM in addition to 90,30,495 (Ninety Lakh Thirty Thousand Four Hundred and Ninety Five only) fully paid up equity shares held by Crescita in DCM as on March 31, 2017 shall also be issued and allotted to the equity shareholders of Crescita, in proportion of their holdings in Crescita"*

*"In the event Crescita holds less than 90,30,495 (Ninety Lakh Thirty Thousand Four Hundred and Ninety Five only) fully paid-up equity shares of DCM on the Record Date, such lower number of shares of DCM as would be held by Crescita as on the Record Date shall be issued and allotted to the equity shareholders of Crescita, in proportion of their holdings in Crescita"*

2. We understand that the Transferor Company does not have any other asset or liability apart from 90,30,495 equity shares of the Transferee Company, which would have any material impact on the valuation, which comprises of 48.35% shareholding of the Transferee Company.
3. By virtue of issue of equity shares pursuant to the Proposed Amalgamation, the indirect economic interest held by the shareholders of the Transferor Company (in the Transferee Company) would become direct economic interest in the Transferee Company without having any economic impact on the other shareholders.

4. Further, since the Transferor Company does not have any assets or liabilities apart from 90,30,495 equity shares of the Transferee Company, there would be no difference in financial and operational position of the Transferee Company. Hence, allotment of equity shares of the Transferee Company to the shareholders of the Transferor Company pursuant to the Proposed Amalgamation, as mentioned above, appears fair and appropriate.
5. Considering the fact that apart from investment in Transferee Company, the Transferor Company does not have any other asset or liability, which would have any material impact on the valuation, issuance of shares to the shareholders of Transferor Company in accordance with the pricing provisions of Chapter VII of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009, as mentioned in SEBI Circular CFD/DIL3/CIR/2017/21 dated 10.03.2017, would not have an impact on the consideration (as mentioned in Para 1 above) for the Proposed Amalgamation.

3. We have made no investigation of, and assume no responsibility for the title to, or liabilities against, the equity shares of the Transferee Company, and/ or the assets and liabilities of the Transferee Company.
4. The management has represented that the financial statements of the Companies (as mentioned earlier in the report), provided to us, include all disclosures necessary for presentation of the financial position and results of operations in accordance with generally accepted accounting principles in India consistently applied, and disclosures otherwise required by the law; and regulations to which they are subject.

6. An exercise like the current one, is not a precise science and the conclusions arrived at in many cases will, of necessity, be subjective and dependent on the exercise of individual judgement. There is, therefore, no indisputable single result. While we have provided our view, on allotment of equity shares of the Transferee Company to the shareholders of the Transferor Company pursuant to the Proposed Amalgamation, based on the information available to us and within the scope of constraints of our engagement, others may have a different opinion. The Transferor Company owns 48.35% equity shares of the Transferee Company and does not have any other assets and liabilities. Hence, pursuant to the proposed amalgamation, the indirect economic interest held by the shareholders of the Transferor Company (in the Transferee Company) would become direct economic interest in the Transferee Company without having any economic impact on the other shareholders. This is the basis for arriving at the consideration for the proposed amalgamation.

**Fairness Opinion**

We in the capacity of SEBI registered Merchant Banker do hereby certify that the report by M/s Chhajed & Chhajed Co., Chartered Accountants, Chartered Accountants for determining the consideration to be paid with respect to the proposed scheme of amalgamation for the proposed amalgamation of Crescita Enterprises Private Limited into DCM Limited (as mentioned below) is fair and reasonable.

The amalgamation of the Transferor Company into the Transferee Company is being undertaken to, *inter alia*, simplify the shareholding structure and reduce shareholding tiers, optimize administrative costs, demonstrate the promoter group's direct commitment to and engagement with the Transferee Company and to hold equity shares directly in the Transferee Company.

## 8. Key features of the Scheme

- a. The Appointed Date for the Scheme is March 31, 2017 or such other date as may be fixed by the National Company Law Tribunal or any other appropriate authority.
- b. Pursuant to scheme coming into effect, shares of Transferee Company shall be issued to the shareholders of Transferor Company as per following share exchange ratio, provided in the Share Entitlement Report of an independent valuer, namely, M/s. Chhajed & Chhajed Co, Chartered Accountants.

#### **10. Share Entitlement Ratio**

M/s. Chhajed & Chhajed Co, Chartered Accountants, has provided Report dated March 29, 2017 on allotment of equity shares of DCM Limited to the shareholders of Crescita Enterprises Private Limited as consideration for amalgamation of Crescita Enterprises Pvt. Limited into DCM Limited.

By virtue of issue of equity shares pursuant to the proposed amalgamation, the indirect economic interest held by the shareholders of the Transferor Company (in the Transferee Company) would become direct economic interest in the Transferee Company without having any economic impact on the other shareholders. Further, since the Transferor Company does not have any assets/liabilities, which would have any material impact, apart from 90,30,495 equity shares of the Transferee Company, there would be no difference in financial and operational position of the Transferee Company. Hence, allotment of equity shares of the Transferee Company to the shareholders of the Transferor Company pursuant to the proposed amalgamation, as mentioned above, appear fair and appropriate.

**Review report to the Board of Directors of DCM Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results ("the financial results") of DCM Limited ("the Company") for the quarter and nine months ended 31 December 2017, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 and SEBI Circular dated 5 July 2016. The financial results are the responsibility of the Company's Management and have been approved by the Board of Directors on 8 February 2018. Our responsibility is to issue a report on these financial results based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying financial results, prepared in accordance with the applicable Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies, have not disclosed the information required to be disclosed in terms of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Securities and Exchange Board of India Circular dated 5 July 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.
