Ratings – 2Q 2018 highlights

Enhance the core

- Growth in revenues driven by new mandates in the large corporate ratings segment despite a sharp decline in bond issuances
- Credit offtake during the year backed by wholesale credit growth has held the demand for bank loan ratings
- Profitability improved on account of cost control and technology-led efficiencies

Launch new products and analytics

- Independent credit evaluation of stressed assets bagged new mandates
- SME segment moved to a largely digital business model, specially through smefirst.com, the online platform

Thought leadership

- Launched second edition of CriSidex, the lead-and-lag indicator of business sentiment among micro and small enterprises

Operating Revenue (₹ cr)

Segment profit (₹ cr)

Global: Continued demand for differentiated investment research in the global markets

Bottoming out of CIB revenue pools

\$ Billion

Higher growth in passive and alternative assets under management

\$ Billion

Sources: Coalition, Bloomberg, Industry sources, CRISIL GR&A Analysis

CIB: Corporate and Investment Banking IBD: Investment Banking Division

Global: Regulatory landscape stabilizing, global recovery getting less synchronized

Key regulations

Enterprise Risk: CCAR, DFAST, EBA/PRA Stress Testing

Global Regulatory Prescription: Basel III, IV

Accounting regulations: US GAAP, IFRS

- Global economy is on the upswing with major economies experiencing growth momentum
- Focus on regulatory adherence continues, but most major regulations have matured

Key regulation

MiFID-II
(Markets in Financial Instruments Directive)

- Impacts buy-side and sell-side
- Analytics expected to play an increasingly larger role

CCAR: Comprehensive Capital Analysis and Review
DFAST: Dodd-Frank Act Stress Tests
EBA: European Banking Authority

PRA: Prudential Regulation Authority
IFRS: International Financial Reporting Standards

India: Key emerging trends and expectations

Buoyant capital market supporting research needs

Increasing demand for dynamic and granular data

Robust growth in AUMs in AMCs over past five years

Growing demand from the BFSI sector including credit and fixed income research

Research – 2Q 2018 highlights

Enhance the core

- Coalition witnessed high renewal rate and increase in wallet share across clients in Investment Banking space
- Revenues reflect moderate growth with increased presence in core offerings offset by impact of maturing regulations in specific markets

Launch new products and analytics

- Targeted client wins for platforms and solutions such as SMART and SPARC; new wins in ‘Transaction Banking, Lending and Securities Services’
- Increased traction for Quantix, the cross-sector data platform with advanced analytics on Indian corporates

Thought leadership

- Released report on four years of the central government titled “4 years through 6 lenses”
- Hosted multiple roundtables on Current Expected Credit Loss (CECL) model across several cities in United States

Operating Revenue (₹ cr)

Segment profit (₹ cr)

Note: Numbers rounded off

Agenda

 - Ratings
 - Research
 - **Advisory**
- Thought leadership

Business environment continues to be driven by policy, regulatory and technological changes

Risk Solutions

Infrastructure Advisory

Markets

- In India, asset quality continues to decline with rising NPAs leading to demand for risk management solutions
- Globally, opportunities around creating new products, digital capabilities and openness to newer technologies

- Continued focus of government in infrastructure development projects
- Opportunities in select emerging markets like Africa and South-East Asia

Regulators

- Changing regulations with introduction of IFRS9, IndAS and BASEL III
- Need for advisory services in emerging regulatory areas

- New funding mechanisms for infrastructure projects
- Shift from policy formulation to implementation and monitoring

Customers

- Shift towards digital, driven by productivity, automation and better client experience
- Blurring of lines between Data and analytics/insights provider, single vendor approach

- Competitive co-operative federalism -> opportunities at the state and city levels
- Changing multilateral landscape

Advisory – 2Q 2018 highlights

Enhance the core

- Strong revenue growth supported by new business wins, successful delivery of existing projects
- The segment profit was impacted due to increased provisions and investments during the quarter

Launch new products and analytics

- Won clients in advanced analytics areas such as customer-centric relationship management and regulatory solutions

Thought leadership

- Released articles on topical areas like “How getting proactive on identifying the NPAs may de-risk the future of bank”
- Hosted a webinar on “Transition to IFRS 9: Overcoming Practical Roadblocks”

Advisory segment includes Pragmatix Services Pvt. Ltd. (Pragmatix)

Note: Numbers rounded off
