RISK FACTORS RELATING TO THE TRANSACTION, THE PROPOSED OFFER AND THE PROBABLE RISK INVOLVED IN ASSOCIATING WITH THE ACQUIRER AND PACs:

For capitalized terms used herein, please refer to the section on Definitions set out below.

A. **Relating to underlying transaction**

a. In accordance with the terms and conditions of the SSA, the completion of the Preferential Allotment (as defined below) is subject to the satisfaction or waiver of the conditions precedent set out in the SSA, which include, among others, the following conditions:

(i) the Target Company shall have obtained the 'in-principle' approval from the BSE and the NSE (as defined below) for listing of the Equity Shares to be allotted to the Acquirer as part of the Preferential Allotment, and delivered to the Acquirer, a certified true copy of the resolutions (ordinary and special, as the case may be) passed at the general meeting of the shareholders of the Target Company approving: (a) the increase of the authorised share capital of the Target Company, consequential amendments to the memorandum of association of the Target Company (only in relation to the increase of the authorised share capital of the Target Company); and (b) the Preferential Allotment;

(ii) the Acquirer shall have received approval from the CCI (as defined below) for the transactions contemplated under the SSA (as defined below); and

(iii) Absence of certain identified proceedings against the Target Company and/or its material subsidiaries during the period between the Execution Date (as defined in the SSA) and the Completion Date (as defined in the SSA).

The underlying transaction is subject to completion risks as would be applicable to similar transactions.

B. **Relating to the Offer**

a. To the best of Acquirer's and PACs' knowledge, the Open Offer is not subject to the receipt of any statutory, regulatory and or other approvals / no objections other than as provided in Paragraph 7.15 of this DLOF. In the event that any statutory approvals are required by the Acquirer and PACs at a later date prior to the completion of this Open Offer, this Open Offer shall be subject to such approvals and the Acquirer and PACs shall make the necessary applications for such approvals. If, (a) there is delay in receipt of any applicable statutory approvals; (b) there is any litigation leading to a stay on the Open Offer; or (c) SEBI instructs the Acquirer and PACs not to proceed with the Open Offer, then the Open Offer process may be delayed beyond the schedule of activities indicated in this Draft Letter of Offer. Consequently, the payment of consideration to the Equity Shareholders whose Equity Shares have been accepted in this Open Offer as well as return of the Equity Shares not accepted by the Acquirer and PACs may be delayed. In case of delay, due to non-receipt of statutory approval(s) in accordance with Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied that the non-receipt of approvals was not on account of any wilful default or negligence on the part of the Acquirer and PACs, grant extension for the purpose of completion of this Open Offer subject to Acquirer and PACs agreeing to pay interest to the Equity Shareholders, as may be specified by SEBI. Where the required statutory approvals apply to some but not all of the Equity Shareholders, the Acquirer will have the option to make payment to such Equity Shareholders in respect of whom no statutory approvals are required in order to complete this Open Offer.

b. The Acquirer and PACs will not proceed with the Open Offer in the event statutory or other approvals (whether in relation to the acquisition of Equity Shares constituting the Offer Shares) if required, are refused in terms of Regulation 23(1) of SEBI (SAST) Regulations.

c. In the event of any litigation leading to a stay on the Open Offer by a court of competent jurisdiction, or SEBI instructing that the Open Offer should not proceed, the Open Offer may be withdrawn, or the Offer process may be delayed beyond the schedule of activities indicated in this DLOF.

d. The tendered Equity Shares in physical form with the related documents submitted therewith would be held in trust by the Registrar to the Offer until the process of acceptance of Equity Shares tendered and payment of consideration to the Equity Shareholders is completed.

e. Equity Shares cannot be withdrawn once tendered, even if the acceptance of Equity Share under the Open Offer and dispatch of consideration is delayed. During such period, there may be fluctuations in the market price of the Equity Shares of the Target Company. The Equity Shareholders will not be able to trade in such Equity Shares which are in the custody of the Registrar to the Open Offer notwithstanding delay in acceptance of the Equity Shares in this Offer and dispatch of payment consideration. Accordingly, the Acquirer and the PACs make no assurance with respect to the market price of the Equity Shares before, during or upon completion of this Open Offer and each of them expressly disclaims any responsibility or obligation of any kind (except as required by applicable law) with respect to any decision by the Equity Shareholders on whether or not to participate in this Offer.

f. In the event of over-subscription to the Open Offer, the acceptance will be on a proportionate basis as per SEBI (SAST) Regulations and hence there is no certainty that all Equity Shares tendered by the Equity Shareholders in the Offer will be accepted.

g. The Acquirer, PACs and the Managers to the Offer accept no responsibility for statements made otherwise than in the PA, DPS, DLOF, LOF or in the post Offer advertisement or any corrigendum or any materials issued by or at the instance of the Acquirer, the PACs or the Managers to the Offer in relation to the Open Offer, and anyone placing reliance on any other sources of information (not released by the Acquirer and PACs) would be doing so at his / her / its own risk.

h. Equity Shareholders classified as OCBs (as defined below), if any, may tender the Equity Shares held by them in the Open Offer pursuant to receipt of approval from the RBI under the Foreign Exchange Management Act, 1999 and the regulations made thereunder. The Acquirer will be making an application to the RBI on behalf of the OCBs seeking such approval. While the aforesaid application remains pending with the RBI, such OCBs may also approach the RBI independently to seek approval to tender the Equity Shares in the Open Offer. In the event such approvals are not obtained the Acquirer and PACs reserve the right to reject such Equity Shares tendered in this Open Offer. Further, if holders of the Equity Shares who are not persons resident in India (including NRIs, OCBs, FIIs/FPIs) (as defined below) were required to obtain any approvals (including from the RBI or any other regulatory body) in respect of the Equity Shares held by them, they will be required to submit such previous approvals that they would have obtained for holding the Equity Shares, along with the other documents required to be tendered to accept this Open Offer. If such previous approvals and/or relevant documents are not submitted, the Acquirer and PACs reserve the right to reject such Equity Shares tendered in this Open Offer. If the Equity Shares are held under general permission of the RBI, the non-resident Equity Shareholder should state that the Equity Shares are held under general permission and clarify whether the Equity Shares are held on repatriable basis or on non-repatriable basis.

i. This Draft Letter of Offer has not been filed, registered or approved in any jurisdiction outside India. Recipients of the Letter of Offer, resident in jurisdictions outside India should inform themselves of and observe any applicable legal requirements. This Open Offer is not directed towards any person or entity in any jurisdiction or country where the same would be contrary to the applicable laws or regulations or would subject the Acquirer, the PACs or the Managers to the Offer to any new or additional registration requirements. This is not an offer for sale, or a solicitation of an offer to buy in the United States of America and cannot be accepted by any means or instrumentality from within the United States of America.

j. The Equity Shareholders are advised to consult their respective tax advisors for assessing the tax liability pursuant to this Open Offer, or in respect of other aspects such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take. The Acquirer and the PACs do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this Draft Letter of Offer.

Source: The financial information set forth above has been extracted from the Target Company's audited consolidated financial statements as at and for the financial years ended March 31, 2016, March 31, 2017, and March 31, 2018.

Note:

In respect of the audited consolidated financial results as of and for the financial year ending March 31, 2018, the auditors, Deloitte Haskins & Sells LLP, have provided the basis for qualified opinion as detailed below:

"*1. As explained in Note 23 of the Consolidated Statement, pursuant to certain events/transactions, the erstwhile Audit and Risk Management Committee (the 'ARMC') of the Company decided to carry out an independent investigation through an external legal firm on certain matters more fully described in the said Note. The terms of reference for the investigation, the significant findings of the external legal firm (including identification of certain systemic lapses and override of internal controls), which are subject to the limitations on the information available to the external legal firm and their qualifications and disclaimers as described in their Investigation Report, are summarised in the said Note.*

Also, as explained in the said Note:

a) As per the assessment of the Board, based on the investigation carried out through the external legal firm, and the information available at this stage, all identified/required adjustments/disclosures arising from the findings in the Investigation Report, have been made in these Consolidated Statement.

b) With respect to the other matters identified in the Investigation Report, the Board will appoint an external agency of repute to undertake a scrutiny of the internal controls and compliance framework in order to strengthen processes and build a robust governance framework. The Company's Board of Director will also assess the additional requisite steps to be taken in relation to the significant matters identified in the Investigation Report including, inter alia, initiating an internal enquiry.

c) At this juncture, the Board of Directors of the Company are unable to make a determination on whether a fraud has occurred on the Company in respect of the matters covered in the investigation by the external legal firm, considering the limitations on the information available to the external legal firm and their qualifications and disclaimers as described in their Investigation Report.

d) Various regulatory authorities are currently undertaking their own investigation (refer Note 23(i) of the Consolidated Statement), and it is likely that they may make a determination on whether any fraud or any other non-compliance/ illegalities have occurred in relation to the matters addressed in the Investigation Report.

e) Any further adjustments/disclosures, if required, would be made in the books of account pursuant to the above actions to be taken by the Board / regulatory investigations, as and when the outcome of the above is known.

In view of the above, we are unable to comment on the regulatory non-compliances, if any, and the adjustments / disclosures which may become necessary as a result of further findings of the ongoing or future regulatory / internal investigations and the consequential impact, if any, on these Consolidated Annual Results, included in the Consolidated Statement.

2. As explained in Notes 8 and 10 of the Consolidated Statement, the Group has recognised a provision aggregating to Rupees 44,503 lacs against the outstanding ICDs placed (including interest accrued thereon of Rupees 4,260 lacs) and Rupees 2,549 lacs against property advance (including interest accrued thereon of Rupees 174 lacs), due to uncertainty of recovery of these balances. The recognition of interest income aggregating to Rupees 4,434 lacs as at March 31, 2018 on these doubtful ICDs and property advance is not in compliance with Ind AS 18 'Revenue' and consequently interest income and exceptional items (net) are overstated to that extent.

3. As explained in Note 13 of the Consolidated Statement, a Civil Suit has been filed by a third party (to whom the ICDs were assigned - refer Note 8 of the Consolidated Statement)

('Assignee' or 'Claimant') against various entities including the Company (together "the Defendants"), before the District Court, Delhi and have, inter alia, claimed implied ownership of brands "Fortis", "SRL" and "La-Femme" in addition to certain financial claims and for passing decree that consequent to a term sheet dated December 6 2017 ('Term Sheet') with a certain party, the Company is liable for claims owed the by Claimant to the certain party. In connection with this, the District Court passed an ex-parte order directing that any transaction undertaken by defendants, in favour of any other party, affecting the interest of the Claimant shall be subject to orders passed in the said suit.

The Company has filed written statement denying all allegations made against it and prayed for dismissal of the Civil Suit on various legal and factual grounds. The Company has in its written statement also stated that it has not signed the alleged binding Term Sheet with the certain party.

Whilst this matter was included as part of the investigation carried out by the external legal firm referred to in paragraph 1 above, the external legal firm did not report on the merits of the case since the matter was sub judice.

In addition to the above, the Company has also received four notices from the Claimant claiming (i) Rs. 1,800 lacs as per notices dated 30 May, 2018 and 1 June, 2018 (ii) Rupees 21,582 lacs as per notice dated 4 June, 2018; and (iii) and Rupees 1,962 lacs as per notice dated 4 June, 2018. All these notices have been responded to by the Company denying any liability whatsoever.

Separately, the certain party has also alleged rights to invest in the Company. It has also alleged failure on part of the Company to abide by the aforementioned Term Sheet and has claimed ownership over the brands as well.

Allegations made by the aforesaid party has been duly responded to by the Company denying (i) execution of any binding agreement with the certain party and (ii) liability of any kind whatsoever. The Company has also filed caveats before Hon'ble High Court of Delhi in this regard.

Based on advice of external legal counsel, the Management believes that the claims are without legal basis and are not tenable and accordingly no adjustment has been made in these Consolidated Annual Results, with respect to these claims.

Since the matter is sub-judice, the outcome of which is not determinable at this stage, we are unable to comment on the consequential impact, if any, of the same on these Consolidated Annual Results, included in the Consolidated Statement.

4. *a) As explained in Note 8 and Note 23(d)(ii) and (vi) of the Consolidated Statement, a wholly owned subsidiary of the Company has granted loans in the form of ICDs to three borrower companies, which are stated to have been secured at the time of grant on July 1, 2017. However, it has been noted in the Investigation Report that:*
   i. *there were certain systemic lapses and override of internal controls including shortcomings in executing documents and creating a security charge. The charge was later on created in February 2018 for the ICDs granted in July 2017 while the Group was under financial stress; and*
   ii. *there were certain systemic lapses in respect to the assignment of the ICDs and subsequent termination of the arrangement, viz., no diligence was undertaken in relation to assignment, it was not approved by the Treasury Committee and was antedated. The Board of the subsidiary took note of the same only in February 2018.*

   Further, we note from the Investigation Report that the external legal firm was unable to assess as to whether the security (charge) is realisable considering the nature of assets held by the borrower companies.

   In view of the above, we are unable to comment whether aforesaid loans and advances made by the subsidiary on the basis of security have been properly secured or whether they are prejudicial to the interests of the Group.

   b) As explained in Note 23(d)(i) of the Consolidated Statement, in respect of the ICDs placed, the Investigation Report has stated that a roll-over mechanism was devised whereby, the ICDs were repaid by cheque by the borrower companies at the end of each quarter and fresh ICDs were released at the start of succeeding quarter under separately *executed ICD agreements. Further, in respect of the roll-overs of ICDs placed on July 1, 2017 with the borrower companies, Subsidiary utilized the funds received from the Company for the purposes of effecting roll-over.*

We are unable to determine whether these transactions in substance represent book entries or whether they are prejudicial to the interests of the Group as these were simultaneously debited and credited to the bank statement.

However, as explained in Note 8 of the Consolidated Statement, the Company's Management has, in the Consolidated Annual Results, fully provided for the outstanding balance of the ICDs and the interest accrued thereon as at March 31, 2018.

c) As explained in Note 23(d) (viii), during the year, the Company through its subsidiary (i.e. Escorts Heart Institute and Research Centre Limited ("EHIRCL")), acquired 71% equity interest in Fortis Healthstaff Limited at an aggregate consideration of Rupees 3.46 lacs. Subsequently, EHIRCL advanced a loan to Fortis Healthstaff Limited, which was used to repay the outstanding unsecured loan amount of Rupees 794.50 lacs to a promoter group company. Certain documents suggest that the loan repayment by Fortis Healthstaff Limited and some other payments to the promoter group company may have been ultimately routed through various intermediary companies and used for repayment of the ICDs /vendor advance to Group.

Further as explained in Note 23 (e), the Company through its subsidiary (i.e. Fortis Hospitals Limited ("FHsL")) acquired equity interest in Fortis Emergency Services Limited from a promoter group company. On the day of the share purchase transaction, FHsL advanced a loan to Fortis Emergency Services Limited, which was used to repay an outstanding unsecured loan amount to the said promoter group company. It may be possible that the loan repayment by Fortis Emergency Services Limited to the said promoter group company was ultimately routed through various intermediary companies and was used for repayment of the ICDs /vendor advance to FHsL. With regard to the above acquisitions, we are informed that pre-approval from the Audit Committee was obtained for acquiring the equity interest, but not for advancing the loans to these subsidiaries. Further, we understand that the aggregate of the amounts paid towards acquisition of shares and the loans given in the aforesaid transactions were substantially higher than the enterprise value of these companies at the time of acquisition, as determined by the Group.

In view of the above, we are unable to determine whether these transactions are prejudicial to the interests of the Group.

5. *As explained in Note 23(f) of the Consolidated Statement, related party relationships as required under Ind AS 24 - Related Party Disclosures and the Companies Act, 2013 are as identified by the Management taking into account the findings and limitations in the Investigation Report (Refer Notes 23 (d) (iv), (ix) and (x) of the Consolidated Statement) and the information available with the Management. In this regard, in the absence of specific declarations from the erstwhile directors on their compliance with disclosures of related parties, especially considering the substance of the relationship rather than the legal form, the related parties have been identified based on the declarations by the erstwhile directors and the information available through the known shareholding pattern in the entities. Therefore, there may be additional related parties whose relationship may not have been disclosed to the Group and, hence, not known to the Management.*

   In the absence of all required information, we are unable to comment on the completeness/accuracy of the related party relationships as required under Ind AS 24 - Related Party Disclosures, the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) and the compliance with the other applicable regulations and the consequential impact, if any, of the same on these Consolidated Annual Results included in the Consolidated Statement.

6. *As explained in Note 28 of the Consolidated Statement, the Company through its overseas subsidiaries made investments in an overseas fund. Subsequent to the year end, investments held in the fund were sold at a discount of 10%. As at March 31, 2018, the consequential foreseeable loss of Rupees 5,510 lacs (between the previously recorded carrying value of*

the investment and the amount subsequently realised) has been considered in these Consolidated Annual Results.

In absence of sufficient information available with the Group demonstrating the reasonability of the discount recorded as provision for foreseeable loss in the value of the investment in the overseas fund, we are unable to comment on the same.

7. *As explained in Note 26 of the Consolidated Statement, the Company, having considered all necessary facts and taking into account external legal advice, has decided to treat as non est the Letter of Appointment dated September 27, 2016, as amended, ("LoA") issued to the erstwhile Executive Chairman of the Company in relation to his role as 'Lead: Strategic Initiatives' in the Strategy Function. The external legal counsel has also advised that the payments made to him under this LoA would be considered to be covered under the limits of section 197 of the Companies Act, 2013. The Company is in the process of taking suitable legal measures to recover the payments made to him under the LoA as also to recover all the Company's assets in his possession. The Company has sent a letter to the erstwhile Executive Chairman seeking refund of the excess amounts paid to him.*

   In view of the above, the amounts paid to him under the aforesaid LoA and certain additional amounts reimbursed in relation to expenses incurred (in excess of the amounts approved by the Central Government under section 197 of the Companies Act 2013 for remuneration & other reimbursements), aggregating to Rupees 2,002 lacs is shown as recoverable in the Consolidated Annual Result. However, considering the uncertainty involved on recoverability of the said amounts a provision of Rupees 2,002 lacs has been made which has been shown as an exceptional item.

   As stated above, due the nature of dispute and uncertainty involved, we are unable to comment on the tenability of the refund claim, the provision made for the uncertainty in recovery of the amounts, the recovery of the assets in possession of the erstwhile Director and other non-compliances, if any, with the applicable regulations and the consequential impact, if any, of the same on these Consolidated Annual Results, included in the Consolidated Statement."

5.12. Investigation by various regulatory authorities: As disclosed in note 24 to the audited consolidated financial statements for the financial year ended March 31, 2018:

10. TAX PROVISIONS- ON MARKET ROUTE

A. General

10.1. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the Act. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e. income which accrues or arises or deemed to accrue or arise in India) or income received or deemed to be received by such persons in India. In case of shares of a company, the source of income from shares would depend on the "situs" of such shares. "Situs" of the shares is generally where a company is "incorporated". Accordingly, since the Target Company is incorporated in India, the Target Company's shares should be deemed to be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the Act.

10.2. Further, the non-resident shareholder can avail benefits of the DTAA between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions including non-applicability of GAAR and providing and maintaining necessary information and documents as prescribed under the Act.

10.3. Gains arising from the transfer of shares may be treated either as "capital gains" or as "business income" for income-tax purposes, depending upon whether such shares were held as a capital asset or business asset (i.e. stock-in-trade).

10.4. The Act also provides for different income-tax regimes/ rates applicable to the gains arising from the tendering of Equity Shares under the Open Offer, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc. Any applicable surcharge and education cess would be in addition to such applicable tax rates.

10.5. Based on the provisions of the Act, the shareholders would be required to file an annual income-tax return, as may be applicable to different category of persons, with the Indian income tax authorities, reporting their income for the relevant year.

10.6. The summary of income-tax implications on tendering of Equity Shares on the recognized stock exchange and chargeable to STT is set out below.

10.7. **Taxability of Capital Gain in the hands of the Equity Shareholders**:

(i) Section 2(14) of the Act provides for deemed characterization of securities held by FPIs as capital assets and therefore, the gains arising in the hands of FPIs will be taxable in India as capital gains. For other non-resident shareholders, gains could classify as capital gains or business income depending on whether such shares were held as a capital asset or business asset (ie stock in trade).

(ii) The Finance Act, 2018, vide Section 112A, has imposed an income tax on long-term capital gains @ 10% on transfer of equity shares that are listed on a recognized stock exchange, which have been held for more than 1 (one) year and have been subject to STT upon both acquisition and sale (subject to certain transactions, yet to be notified, to which the provisions of applicability of payment of STT upon acquisition shall not be applicable). Under this provision the capital gains tax would be calculated on gains exceeding INR 0.1 million (without any indexation and foreign exchange fluctuation benefits). It may also be noted that any capital gains arising up to January 31, 2018 are grandfathered under this provision. The cost of acquisition for the long-term capital asset acquired on or before January 31, 2018 will be the actual cost. However, if the actual cost is less than the fair market value of such asset (lower of consideration on transfer) as on January 31, 2018, the fair market value will be deemed to be the cost of acquisition.

(iii) For taxation of FPI, Finance Act 2018 has inserted a proviso to section 115AD(1)(iii) of the Act which provide that income arising from transfer of long term capital asset, exceeding INR 0.1 million, referred to in section 112A shall be taxed at the rate of 10% (benefit of substituting cost of acquisition with fair market value of asset as on January 31, 2018 is also available).

(iv) As per section 111A of the Act, short-term capital gains arising from transfer of listed shares on which STT is paid would be subject to tax @ 15% for Equity Shareholders (except FPI). For FPI, section 115AD also provides for tax @15% for transfer of capital asset referred under section 111A.

(v) Taxability of capital gain arising to a non-resident Equity Shareholder in India from the transfer of equity shares shall be determined basis the provisions of the Act or the DTAA entered between India and the country of which the non-resident Equity Shareholder is resident, subject to satisfaction of certain prescribed conditions.

(vi) Any applicable surcharge and education cess would be in addition to above applicable rates.

10.8. **Taxability of business income in the hands of Equity Shareholders**

Where the gains realised from the sale of listed equity shares are taxable as business profits, the same will be taxable at applicable tax rates to such Equity Shareholders.

10.9. **Withholding tax implications**

(i) In case of resident Equity Shareholders, in absence of any specific provision under the Act, the Acquirer and/or the PACs shall not deduct tax on the consideration payable to resident Equity Shareholders pursuant to the Offer.

(ii) In case of FPI Equity Shareholder, Section 196D of the IT Act provides for specific exemption from withholding tax in case of capital gains arising in hands of FPIs, as defined in Section 115AD of the Act. Thus, no withholding of tax is required in case of consideration payable to FPIs.

(iii) In the case of non-resident Equity Shareholders, since the offer is through the recognized stock exchange, the responsibility to discharge the tax due on the gains (if any) is on the non-resident Equity Shareholders. It is therefore recommended that the non-resident Equity Shareholder may consult their custodians/authorized dealers/ tax advisors appropriately.

(iv) In case of interest payments by the Acquirer and/or the PACs for delay in payment of Offer consideration or a part thereof, the Acquirer and/or the PACs will deduct taxes at source based on NOC or certificate for deduction of tax at nil/lower rate. In an event of non-submission of NOC or certificate for deduction of tax at nil/lower rate, tax will be deducted at the maximum marginal rate as may be applicable to the relevant category, to which the Public Shareholder belongs, by the Acquirer and the PACs.

B. Others

10.10. The tax implications are based on provisions of the Act as applicable as on date of this Offer later. In case of any amendment made effective prior to the date of closure of this Offer, then the provisions of the Act as amended would apply.

Each Equity Shareholder shall indemnify and hold the Acquirer and/or the PACs harmless from and against any and all losses, damages, costs, expenses, liabilities, (whether accrued, actual, contingent), of whatever nature or kind including all legal and professional fees and costs that are actually incurred by the Acquirer and/or the PACs arising out of, involving or relating to, or in connection with any taxes (including interest and penalties) payable by such Equity Shareholder pursuant to the Offer and any obligation of the Acquirer and/or PAC to deduct taxes at source from any payments made pursuant to the Offer.
