Process and Manner for Members Opting for Remote E-Voting

The instructions for remote e-voting are as follows:

Step 1 : Log-in to NSDL e-voting system at <https://www.evoting.nsdl.com/>

Step 2 : Cast your vote electronically on NSDL's e-voting system.

Step 1

How to log-in to NSDL e-voting website

1. Visit the e-voting website of NSDL by opening your web browser and typing the following URL: <https://www.evoting.nsdl.com/> either on a desktop computer/laptop or on a mobile.
2. Once the home page of e-voting system is launched, click on the icon "Login" which is available under 'Shareholders' section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL e-services i.e. IDEAS, you can login at <https://e-services.nsdl.com/> with your existing IDEAS log-in details. Once you login to NSDL e-services after using your log-in credentials, click, on 'e-voting' and you can proceed to step 2 i.e. cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	User ID
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the Company For example if folio number is 001*** and EVEN is 108526 then user ID is 108526001***

5. Your password details are given below:

- a. If you are already registered for e-voting, then you can use your existing password to login and cast your vote.
- b. If you are using NSDL e-voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and change your password, as prompted by the system.
- c. How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the Company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment (it will be a .pdf file). Open the file. The password to open the file is your 8-digit client ID for NSDL account or the last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, your 'initial password' is communicated to you on your postal address.

6. If you are unable to retrieve or have not received the 'initial password' or have forgotten your password:

- a. Click on "**Forgot User Details/Password?**" (for those holding shares in demat accounts with NSDL or CDSL) option available on www.evoting.nsdl.com.
- b. A **'Physical User Reset Password?'** (for those holding shares in physical mode) option is also available on www.evoting.nsdl.com.

- c. If you are still unable to get the password following the aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, click on "Login" button
9. After you click on the "Login" button, the home page of e-voting will open.

Step 2

How to cast your vote electronically on NSDL e-Voting system?

1. After successful logging in following Step 1, you will be able to see the home page of e-voting. Click on e-Voting. Then, click on 'Active Voting Cycles'.
2. Upon clicking on 'Active Voting Cycles', you will be able to see "EVEN" of all the companies in which you hold shares and whose voting cycles are in 'active' status.
3. Select "EVEN" of Company for which you wish to cast your vote.
4. Now you are ready for e-voting as the voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
6. Upon confirmation, the message "Vote cast successfully" will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Please remember that once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Instructions:

- i. Institutional shareholders (i.e. other than individuals, HUF, NRI, etc.) are required to send scanned copy (PDF / JPG format) of the relevant Board Resolution/Authority letter etc., together with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer through e-mail to girishbhatia1956@gmail.com or shabnum.zaman@magma.co.in with a copy marked to evoting@nsdl.co.in.
- ii. It is strongly recommended that you do not share your password with any other person and take almost care to keep your password confidential. Log in to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event you will need to go through the 'Forgot User Details/Password?' or the 'Physical User Reset Password?' Option available on www.evoting.nsdl.com, to reset the password.

- iii. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for shareholders and remote e-voting user manual for shareholders available at the "Downloads" section of www.evoting.nsdl.com, or call on the toll-free no.: 1800-222-990, or contact Pallavi Mhatre, Assistant Manager, National Securities Depository Ltd., Trade World, 'A' Wing, 4th Floor, Kamala Mills compound, Senapati Bapat Marg, Lower Parel, Mumbai- 400013, at the designated email address: pallavid@nsdl.co.in/evoting@nsdl.co.in or at telephone no. +91 22 2499 4545 who will also address grievances connected with voting by electronic means.
- iv. Any person, who acquires shares of the Company and become member of the Company after dispatch of the notice and holding shares as of the cut-off date i.e. 26 July 2018, may obtain the login ID and password by sending a request at evoting@nsdl.co.in or RTA. A person who is not a member as on the cut-off date should treat this notice for information purposes only.

- v. The voting rights of members shall be in proportion to their shares of the paid up equity share capital of the Company as on Cut-off Date.

Since the Company is required to provide members the facility to cast their vote by electronic means, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the closing working hours of Cut-off Date and not casting their vote electronically, may cast their vote at the meeting.

- vi. Mr. Girish Bhatia, Practicing Company Secretary (CP No. 13792), who have consented to act as the scrutinizer and are available for the purpose of ascertaining the requisite majority, have been appointed as the scrutinizer to scrutinize the remote e-voting process/ballot/poll in a fair and transparent manner.
- vii. The Chairman shall at the meeting, at the end of discussion on the resolutions on which voting is to be done, allow voting with the assistance of scrutinizer, by use of ballot or polling paper for all those members who are present at the meeting but have not cast their votes by availing the remote e-voting facility.
- viii. Scrutinizer shall immediately after the conclusion of the meeting will first count the votes cast at the meeting and thereafter unblock the votes in the presence of at least two witnesses not in the employment of the Company and within a period not exceeding 48 hours from the conclusion of the meeting make a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman of the Company or any other person authorized by him in writing, who shall counter sign the same and declare the result of the voting forthwith.
- ix. The results declared along with the Scrutinizer's Report will be posted on the Company's website www.magma.co.in at its weblink i.e. <https://magma.co.in/about-us/investor-relations/secretarial-documents/download-secretarial-documents/> and shall also be displayed on the Notice Board of the Company at its Registered Office. The result shall be communicated to all the Stock Exchanges where the equity shares of the Company are listed and also to NSDL.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

As required under Section 102 of the Companies Act, 2013 (as amended) (the "Act") the following Explanatory Statement sets out all material facts relating to the Special Business set out in Item No. 4 and Item No. 5 of the accompanying Notice dated 15 June 2018.

ITEM NO. 4

Based on the recommendation of Nomination and Remuneration Committee, the Board of Directors of the Company had appointed Ms. Madhumita Dutta-Sen nominee of International Finance Corporation (IFC) as an Additional Director of the Company with effect from 29 August 2017. The Additional Director holds office only upto the date of the ensuing Annual General Meeting of the Company in terms of Section 161(1) of the Companies Act, 2013 ('the Act') but is eligible for appointment as Director. The Company hence proposes Ms. Madhumita Dutta-Sen's appointment as a Non-Executive Director of the Company with effect from 29 August 2017. Ms. Dutta-Sen shall be liable to retire by rotation.

Ms. Madhumita Dutta-Sen has worked for the International Finance Corporation for more than 26 years. During her tenure at the International Finance Corporation, she held a wide range of positions and worked in multiple regions. At the time of her retirement, she held the position of Senior Manager, Portfolio, Europe and Central Asia.

The Board considers that induction of an eminent professional like Ms. Madhumita Dutta-Sen would immensely benefit the Company and therefore, recommends the **Ordinary Resolution No. 4** for appointment of Ms. Dutta-Sen, for your approval. Ms. Dutta-Sen is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given her consent to act as a Director. Ms. Dutta-Sen along with her relatives do not hold any shares in the Company.

Ms. Dutta-Sen is said to be concerned or interested in the proposed resolution as it relates to her own appointment. None of the other Directors and Key Managerial Personnel of your Company or their relatives are, in any way, concerned or interested, financially or otherwise in the said resolution.

ITEM NO. 5

Investment Agreement (including any amendments thereto) dated 23 May 2011 (the 'Agreement') was executed between Magma Fincorp Limited ('the Company'), the Person set out in the Part A of the Schedule I ('Promoters') and Zend Mauritius VC Investments, Ltd ('Zend'). By virtue of the said agreement, Zend had certain rights in respect of the reserved matters, appointment of nominee on the Board of the Company etc. Further clause 22.2 of the Agreement stipulates that the Agreement with Zend shall terminate if the shareholding of Zend falls below 7% of the total paid up capital of the Company. Pursuant to sale of equity shares by Zend, the holding of Zend together with KKR Mauritius Direct Investments I Ltd (KKR) has reduced to less than 7% of the total paid up capital of the Company and in accordance with the said termination clause, the Agreement has got terminated and all the rights, obligations and liabilities not specifically stated to survive such termination, have extinguished.

Pursuant to the above termination there was a requirement to amend the Articles of Association (AoA) of the Company by deletion of Chapter II of AoA w.r.t. Investment Agreement with Zend.

The Board recommends the adoption and approval of the aforesaid **resolution no. 5 as a Special resolution.**

None of the Directors and/or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the resolution set out at item no. 5 of the accompanying Notice.

Economic and Industry Overview

Global Economic Overview

According to the World Economic Outlook (December 2017 update), the global output was projected to expand by a healthy 3.7% in 2017. The pickup in the growth is broad based, led by both developed and emerging economies. The forecast for 2018 is even higher at 3.9%, reflecting global growth momentum on the back of a pick-up in investments.

A Global Economic Survey carried out amongst members of the Global Chamber Platform (GCP) has also increased confidence in the global economy. With optimistic growth forecasts and an increase in business confidence for 2018, the global growth rate is picking up steam after a strong 2017. However the survey has signalled out the following challenges:

- Protectionism and insufficient access to foreign markets. Persistent trade barriers, and the increasing risk of trade wars among the world's major economic blocs may have potential to undermine the expected positive growth for 2018.
- Political instability has been ranked as the second main challenge.
- The tightening of global financial conditions, the stability of the financial system, as well as the effects of climate change were considered as the other main challenges for the global economy in the year ahead.

Indian Economic Overview

India's GDP is estimated to grow by 7.4% in FY2018, which makes the country the world's fastest-growing major economy in 2018. This growth is driven by robust public and private consumption. Consumption was supported by lower energy costs, public sector salary and favourable monsoon rains. Economic activity also benefited from a pick-up in FDI and an increase in public infrastructure spending. Some of the key factors driving growth are:

- On implementing GST, the Indian economy has initiated the process of transforming into a formal economy, improving the tax base. The tax collection for 11 months in FY 2018 showed an increase in net direct taxes by 19.5% on y-o-y basis.
- Foreign Direct Investment (FDI) inflows reached US\$ 208.99 billion during April 2014 - December 2017, with maximum contribution from services, computer software & hardware, telecommunications, construction, trading and automobiles.
- The foreign exchange reserves were US\$ 422.53 billion in the week up to March 23, 2018, according to data from the RBI, which is approximately 11 months of imports.
- Merchandise exports grew 11% to US\$ 273.73 billion and imports 21% to US\$ 416.87 billion on a y-o-y basis.
- India has improved its ranking in the World Bank's Doing Business Report by 30 spots over its 2017 ranking, and is ranked 100 among 190 countries in 2018 edition of the report.
- Moody's upgraded India's sovereign rating after 14 years to Baa2, with a stable economic outlook.

However, there are some concerns:

- CPI inflation was at 4.4% in February 2018. In the last monetary policy review, the RBI has projected an increase in CPI inflation to 5.1-5.6%, during the first half of FY2019.
- There are headwinds from the higher bank NPAs, elevated bond yields and trade protectionism may cause disruption. The tightening of global financial markets, in combination with the NPA-laden domestic banking sector, could affect international capital inflows.
- In the first three quarters of FY2017-18, oil prices have been about 16% greater in dollar terms than in the previous year. It is estimated that a \$10 per barrel increase in the price of oil will reduce growth by ~0.25bps and increase WPI inflation by ~1.7bps.

Industry Overview

NBFC Sector

NBFCs are vital intermediaries, driving the last mile transmission of credit to sectors that have not had meaningful access to formal banking credit. They have made a significant contribution towards

supporting the government's agenda of extending financial inclusion. This role assumes an even greater significance at a time when banking institutions, especially Public Sector Banks, are struggling with growth and asset quality.

Over the last few decades, NBFCs have developed and supported important infrastructural requirements, driving economic growth – especially in the areas of transportation (commercial vehicle and auto finance), rural industry (tractors, small equipment and small sector finance), high potential medium & small scale industry (MSME), consumption financing and home finance.

Overview of underlying asset class

Automobile sector

All India sales of new Commercial Vehicles (CV) recorded a growth of 19.94% during FY2017-18, as opposed to 4.2% growth in FY2016-17. The increase in demand has been in all segments such as Medium & Heavy Commercial Vehicles (MHCV), Small Commercial (SCV) and Light Commercial (LCV) vehicles, which witnessed growth of 11.2%, 27.2% and 16.2%, respectively.

Volume in the Construction Equipment (CE) segment increased by 24.8% in FY2017-18, as opposed to a decline of 12.5% in FY2016-17.

The sale of new passenger vehicles recorded a growth of 7.9% during FY2017-18, against 9.2% growth recorded in FY2016-17. This was mainly due to a slower growth in the utility vehicle segment. Within the Passenger Vehicles segment, Passenger Cars, Utility Vehicles and Multipurpose Vehicles grew by 3.3%, 21.0% and 5.8% respectively, compared to the corresponding previous year.

The revival in demand and rural growth led to 22.1% of volume growth in tractors during FY2017-18 as compared to growth of 18.1% in FY2016-17, the demand for tractors was stronger on back of increased farm activities, with a normal monsoon forecast and improved soil moisture and reservoir levels. An upward revision in Minimum Support Price (MSP) and non-agriculture demand also contributed to tractor growth in FY2017-18.

SME Sector

The MSME sector in India continues to demonstrate resilience in the face of testing global and domestic economic circumstances. The sector has sustained an annual growth rate of over 10% for the past few years. With its agility and dynamism, the sector has shown innovativeness and adaptability to survive economic shocks. The significance of MSMEs is attributable to their caliber for employment generation, low capital & technology requirement, the promotion of industrial development in rural areas, the use of traditional or inherited skill, the use of local resources, mobilisation of resources and the exportability of products.

Further, the MSME sector continues to have a huge unmet demand for credit. The NBFCs share in MSME financing will

continue to grow, but competitive intensity is expected to rise due to the entry of small finance banks and PSB recapitalisation.

Mortgage Sector

Last year the government announced various measures such as Pradhan Mantri Awas Yojana (PMAY), in addition to an extension of the credit-linked subsidy scheme, to expand the affordable housing sector. India's mortgage-to-GDP ratio is still low at 10% in Fiscal 2017 compared to other developing countries, but it has improved from 7.4% in Fiscal 2010, given rising incomes, improving affordability, growing urbanisation — including the emergence of tier 2 and tier 3 cities, — the evolution of the nuclear family concept, tax incentives, widening reach of financiers and faster loan sanctioning. Various structural drivers such as a young population, smaller family sizes, urbanisation, rising income levels and widening reach of financiers provides immense growth prospects for NBFCs in the housing finance space in medium to long term.

Overview of Company's Performance

The Company has shown significant secular progress in each area of its business in FY2017-18. The new initiatives taken by the Company under a new leadership, have shown positive impact during current year. The momentum of disbursement has shown good traction, leading to steady asset growth on a quarterly basis.

Asset Quality

The consolidated GNPA ratio on 90 dpd basis on total AUM, declined from 8.8% (restated based on new regulatory norms applicable for year ended 31 March 2018) in March 2017 to 7.0% in March 2018. Similarly, the NNPA ratio on total AUM has declined from 7.5% in March 2017 to 5.2% in March 2018. This is a significant improvement which is the result of various collection initiatives undertaken by the Company.

Disbursements and Loan Assets

During the year FY2017-18, the standalone disbursements grew by 12.7% from ₹ 5,96,750 lacs in FY2016-17 to ₹ 6,72,581 lacs in FY2017-18. Similarly, the consolidated disbursements grew by 8.5%, from ₹ 6,71,582 lacs in FY2016-17 to ₹ 7,28,680 lacs in FY2017-18. The growth in disbursement is mainly on the back of increase in disbursement of Used Assets, Commercial Vehicles and the SME loans.

Total assets as on 31 March 2018, on standalone basis reached to ₹ 11,95,236 lacs, a growth of 4.70% on y-o-y basis and on consolidated basis it reached to ₹ 13,70,127 lacs, an increase of 0.6% on y-o-y basis.

Total Loan assets as on 31 March 2018 on standalone basis increased by 1.9% y-o-y basis to ₹ 13,76,553 lacs. However, the Total Loan Assets registered on consolidated basis registered a decline of 3.4% to ₹ 15,55,474 lacs.

New Initiatives and Business Outlook

Asset Backed Finance (ABF) business has shown healthy growth on the backdrop of various initiatives taken by the Company to return to the path of healthy growth, with a clear focus on portfolio quality. The disbursement in ABF business has shown an increase of 12% as Compared to last year.

Mortgages Business, the Company continued its transition to sourcing direct business and disbursing lower ticket loans in FY 2017-18. This strategic shift to direct origination and lower ticket size loans impacted the Company's disbursement and loan growth of mortgage business in FY2017-18. With the transition being almost complete, the Company expects steady growth in the business going forward. The push for affordable housing by the Government of India will further expand the Company's current housing strategy.

SME Business continues to remain a bright spot for the Company. With better yields and lower credit cost, SME profitability is best among the products which we offer. Temporary disruption due to demonetisation led to lower disbursement in first half of fiscal 2017-18. In FY2017-18, SME disbursement increased by 12%, as compared to last year, due to increased contribution of business from tier 2/3 towns, the build geo-cluster and industrial segment, an increased contribution of business from Direct Sourcing - starting with pre-approved loans - on a large existing customer database.

Insurance business continues to be profitable in FY2017-18. During the year a sound foundation has been laid by the new management team. The Company has achieved improved loss ratios through portfolio correction measures, ensuring that the underwriting guidelines and processes are well defined. The insurance business is growing in a responsible and calibrated manner as per the plan. The Company has launched new and innovative product "One health, a comprehensive health insurance plan" in the health insurance segment to capture market share in the fast growing health insurance market. This would ensure that the Company remains cost-efficient in its operations. The Company also intends to launch new products and shall continue to invest in technology to enhance the dealing experience for channel partners resulting in an improved customer experience.

Branch network

Magma has expanded its branch network to 305 branches in FY2018 as compared to 284 branches in FY2017. The Company continues to exploit the untapped potential of existing branches and ensured that more products are available across our branch network. General insurance and mortgage finance products are available in 125 and 94 branches, respectively.

Capital Raise

At the beginning of the year 2018-19, the Company has successfully raised ₹ 500 Crores through a Qualified Institutional

Placement (QIP). The QIP received an overwhelming response, getting 1.76 times oversubscription from many renowned and marquee institutional investors across India and Asia.

Financial Performance

(All figures are on consolidated basis unless specifically mentioned otherwise)

The Company Profit after Tax (PAT) on consolidated basis increased to ₹ 23,042 lacs in FY2017-18 compared to ₹ 1,273 lacs in FY2016-17.

Better interest cost management and a prudent mix of products helped the Company increase its net interest margin (NIM) by 137 basis points, from 7.4% to 8.8%, during FY2017-18. Even though average lending rates on earning loan assets declined by 7 basis points to 16.24%, it was offset by a decline in the cost of funds from 9.81% in FY2016-17 to 9.15%.

Net Income from Operations (*i.e. total income less finance cost*) on a consolidated basis increased by 9.3% from ₹ 1,27,401 lacs in FY2016-17 to ₹ 1,39,313 Lacs in FY2017-18.

A decrease in volumes and also doing more business through direct sourcing, resulted in a 14% decline in the Brokerage and commission expenses in FY2017-18, as compared to last year. However, the overall opex ratio increased from 3.6% in FY 2016 -17 to 4.4% in FY2017 -18 mainly due to lower Assets Under Management, and higher investment in branch expansion, investments in technology, investments in the existing business and increase outsourcing of collections in higher brackets.

On a Standalone basis, the total Capital Risk Adequacy Ratio (CRAR) for the year FY2017-18 was 20.7%, against the RBI stipulated norm of 15% for non-deposit taking Asset Finance Companies. The recent capital infusion through Qualified Institutional Placement will further strengthen the capital adequacy going forward.

Opportunities, Challenges and Outlook

Opportunities

In the present economic system of India, NBFCs have assumed a significant role in providing accessible and affordable financial services.

With the focus of NBFCs on segments traditionally neglected by banks (non-salaried professionals, individuals, traders and transporters), and with the ongoing stress on public-sector banks due to mounting bad debt, NBFCs have a lucrative opportunity to expand their presence in the Indian financial story.

The success of NBFCs can be clearly attributed to their ability to assess the credit worthiness of customers with informal income, superior product construct tailored to meet the needs of identified customer segment, excellent turn-around time (TAT) from lead to disbursement, wider and effective reach, strong risk management capabilities to check and control bad debts, and an overall better

The success of NBFCs can be clearly attributed to their ability to assess the credit worthiness of customers with informal income, superior product construct tailored to meet the needs of identified customer segment, excellent turn-around time (TAT) from lead to disbursement, wider and effective reach, strong risk management capabilities to check and control bad debts, and an overall better understanding of their customer segments.

understanding of their customer segments.

As the Indian customer evolves, NBFCs would need to leverage new technologies to improve the customer experience. Increasingly, financial transactions are conducted through electronic banking. As the consumer acceptance of eKYC and biometric authentication increases, fingerprint recognition has the potential of becoming the most commonly used technology for customer interactions. Adoption of the emerging and new technology would result in faster loan approvals and enrich customer experience.

Challenges

India's financial sector is facing considerable challenges. High non-performing assets especially of the Public Sector Banks, and the slow deleveraging and repair of corporate balance sheets are testing the resilience of the banking system, holding back investment and growth.

The year 2017-18 was the year of benign interest rates. However, interest rates have substantially hardened towards the end of the financial year and have continued to harden in FY2018-19. Ensuring that the overall interest cost remains under control would be a big challenge in FY2018-19.

The hardening of crude oil prices could lead to higher inflation during the year, putting further upward pressure on the interest rates.

There has been explosive growth in the financial services sector in the recent few years. The advent of the new generation banks, full service banks, small finance banks and payment banks has opened multiple opportunities for the available talent. Ensuring that the available talent remains committed with the Company, providing adequate career opportunities to existing talent pool and continuously building back up talent pool would be another key challenge for the industry.

Outlook

The Indian economy has returned to become leading growth economy after twin disruptions caused by demonetization and roll out of the Goods and Services Tax. The growth in FY2018-19 has been projected to be higher than the previous year. The third consecutive good monsoon would provide further tailwind to the growth and specially augurs well for the rural economy.

Over last two years, the Company has gone through a transformation building blocks for returning to secular quality growth. The emerging opportunities provide an excellent platform to achieve sustainable growth.

Change in Nature of Business

During the year, there was no change in the nature of business of the Company or its subsidiary.

Risk Management

The Risk Management Committee (RMC), functions in line with the Non-Banking Financial Companies – Corporate Governance (Reserve Bank) Directions, 2015. The Committee met three times during the year, its terms of reference and functioning are set out in the Corporate Governance Report. The Company understands

that risk evaluation and risk mitigation is a function of the Board of the Company and the Board of Directors are fully committed to developing a sound system for identification and mitigation of applicable risks viz., systemic and non-systemic. The Company has also implemented /adopted Risk Management Policy.

To make the current Risk Management practice more robust and aligned to the industry practice, the management has set up an Integrated Risk Management (IRM) Framework encompassing both the Credit Risk as well as the Market & Interest Risk of the organisation. The said framework helps to manage the risks through constant monitoring of key parameters within the organisation. Involvement of the Senior Management team in implementation of the IRM framework ensures achievement of overall organisational objectives across all business units.

Currently, Magma's Risk Management team of dedicated professionals uses latest statistical tools and applications to help it benchmark against the best competitive practices of the industry and accordingly align its credit policies for every customer category in accordance with the organisation's own risk appetite and historical portfolio performance.

Challenges of Portfolio quality faced in last two years have largely been overcome in FY 2018 through a robust hind-sighting process, hawk like focus towards resolution of early warning indicator (EWI), and Continuous Portfolio Monitoring Indicator (CPMI) cases. The initial results are very encouraging.

Regular portfolio reviews by Magma's Risk Department that eventually reports to the Risk Management Committee ensures assessment of the evolving and changing market risks. The RMC meets at regular intervals to chalk out road-map in respect of building asset base as well as maintaining portfolio quality in the evolving market.

Market risk

Magma's approach towards mitigation of market risk operate at two levels; namely -

- Identification of the macro-economic indicators as relevant to Magma's lending business and
- Establishing and regular monitoring of delinquency parameters at the portfolio level

Lead indicators

Lead macro-economic growth indicators that govern Magma's credit & risk policies are as follows:

- Gross Domestic Product
- Index of Industrial Production
- Core Sector index
- CPI Inflation

The above indicators have direct impact on customer cash flows and operational viability of commercial assets that Magma funds;

these are tracked very closely throughout the year to ensure portfolio level corrective steps from time to time.

Operational risk management

Operational risk encompasses anything that is beyond credit or market risk and covers a wide range of the Company's activities. It involves alignment of all functions and verticals towards identifying the key risks in the underlying process. Each functional vertical undergoes transaction testing to evaluate internal compliance and thereby lay down processes for further improvement. Thus, the approach is "bottom-up", ensuring acceptance of findings and faster adoption of corrective actions, if any, to ensure mitigation of perceived risks.

Magma's Risk Department is working closely with external experts to set up a robust Operational Risk Framework in the organization to build up strong safe-guards against the perceived operational risks. With the proposed framework in place, Magma will look forward towards an automated Risk Control system which will better manage both policy and processes and help minimize frauds and improve portfolio quality.

Presently, Magma already has following mechanisms and implemented processes that help minimize operational risks:

- All processes are standardized and documented
- Separate credit function to enable unbiased credit assessment
- Clearly defined delegation of authority matrix
- Segregated operations vertical to ensure effective maker and checker system
- Implementation of training calendar for all functions
- Easy access for all employees to various processes, rules, regulations and operating guidelines through web-based interactive system
- Internal audit process covering both on-site and off-site audit of branches and departments

In a nutshell, internal metrics form the key of risk management in Magma. The entire credit process is metrics-driven to achieve the risk-return goals and ensure a healthy portfolio.

Asset liability risk

Any mismatch in tenures of borrowed and disbursed funds may result in liquidity crisis and thereby impact Company's ability to service its loans. Thus it is imperative that there exists nil or minimal mismatch between the tenure of borrowed funds and assets funded. At Magma, prudence and appropriate risk is the guiding principle for decision making in the treasury functions. The Company has maintained appropriate asset liability maturity with regard to its tenure and interest rates.

Foreign exchange risk

The Company has marginal exposure to foreign exchange risk, since its disbursements are in rupee terms and the nature of its borrowings are also in domestic rupee debt. Wherever limited foreign exchange exposure exists, the Company has entered into appropriate currency hedging to adequately mitigate the said risk.

Liquidity risk management

Magma, over a period of 3 decades, has worked meticulously to diversify its borrowing profile and has repeatedly enhanced the set of institutions it borrows from. Such diversified and stable funding sources emanate from several segments of lenders such as Banks, Insurance Companies, Mutual Funds, Pension funds, Financial and other institutions including Corporates. In addition to this, the Company has established a formidable track record in its access to the securitization / assignment market. As a matter of prudence and with a view to manage liquidity risk at optimum levels, Magma keeps suitable levels of unutilized bank limits to effectively mitigate possible contingencies arising out therefrom.

The Company has in place an Asset Liability Management Committee (ALCO) comprising of Board Members, which periodically reviews the asset-liability positions, cost of funds, and sensitivity of forecasted cash flows over both, short and long-term time horizons. It accordingly recommends for corrective measures to bridge the gaps, if any. The ALCO reviews the changes in the economic environment and financial markets and suggests suitable strategies for effective resource management. This results in proper planning on an on-going basis in respect of managing various financial risks viz. asset liability risk, foreign currency risk and liquidity risk.

Further, the Board is of the opinion that at present there are no material risks that may threaten the functioning of the Company.

People Risk

Our intent is to be proactive in identifying and addressing risk aspects around people and address them in a timely and comprehensive manner. Risks that Magma focuses on include:

Risks associated with recruitment:

- Delay in hiring due to non-availability of candidates with appropriate qualifications & experience at the right cost and in the location required
- Hiring candidates who are not aligned with our culture

Risks associated with attrition or underperformance:

- Losing high performers / people in critical roles
- Lack of timely action against non-performers
- Ethical and fraud related issues

Risks associated with redeploying or letting people go include:

- Job loss due to organization restructuring

Internal Control System

Internal Control and Audit

Magma has an adequate system of internal control in place. The Company has documented its policies, controls and procedures, covering all financial and operating activities, IT general controls, designed to provide a reasonable assurance with regard to reliability on financial reporting, monitoring of operations, protecting assets from unauthorised use or losses, compliances with regulations, prevention and detection of fraudulent activities etc. The Company continues its efforts to align all its processes and controls with leading practices.

A well-established, independent Internal Audit team reviews, monitors and evaluates the efficacy and adequacy of internal control systems in the Company, its compliance with operating systems, procedures and policies of the Company and its subsidiaries. The scope and authority of the Internal Audit division is derived from the Audit Charter, duly approved by the Audit Committee.

The Audit Committee of the Board of Directors, comprising of independent directors, regularly reviews the audit plans, significant audit findings, adequacy of internal controls, compliance with accounting standards as well as reasons for changes in accounting policies and practices, if any.

Internal Financial Control

The Company's well defined organisational structure, documented policies, guidelines, defined authority matrix and internal financial controls ensure efficiency of operations, protection of resources and compliance with the applicable laws and regulations. Moreover, the Company continuously upgrades its systems and undertakes review of policies. The internal financial control is supplemented by extensive internal audits, regular reviews by management and standard policies and guidelines to ensure reliability of financial and all other records to prepare financial statements, its reporting and other data. The Audit Committee of the Board reviews internal audit reports given along with management responses. The Audit Committee also monitors the implemented suggestions. The Company has, in material respect, an adequate internal financial control over financial reporting and such controls are operating effectively. The statutory auditors of the Company have also certified on the existence and operating effectiveness of the internal financial controls relating to financial reporting as of March 2018.

Vigil Mechanism/ Whistle Blower Policy

The Company has in place a vigil mechanism named "Breach of Integrity and Whistle Blower (Vigil Mechanism) Policy" to provide a formal mechanism to the Directors and employees to report their concerns about unethical behaviour, actual or suspected fraud or violation of the Company's Code of Conduct or ethics policy. The Policy provides for adequate safeguards against victimisation of

employees who avail of the mechanism and also provides for direct access to the Chairman of the Audit Committee.

The details of the said Policy is explained in the Corporate Governance Report and is available on the website of the Company www.magma.co.in at <https://magma.co.in/about-us/investor-relations/secretarial-documents/download-secretarial-documents/>.

Human Resource-People Count at every step

At Magma, we know that our employees are key in ensuring consistent business success. Our aim is to provide a conducive work environment and enhance their skills, so that they can meet their aspirations while contributing to the Company. We are consistently assessing market trends and understanding our employee requirements to adopt new processes and policies or simplifying and modifying existing ones.

Learning and development

In continuation of our efforts to create an ecosystem of learning for our employees, we achieved 14,000 man-days of training covering 4,500 employees. We launched 21 new training programs across classroom and on-line learning platform. One of our key initiatives amongst these was "Maitree" our signature 0-90 day on-boarding program for new joiners; 90% of them went through the program. "Learnsmart24x7", our new online Learning Management System found resonance with the employees and 4,500 of them got certified across various mandatory and functional learning courses. The portal is a savvy platform available anytime, anywhere and on any device. Through our Sales skill programs, aimed at frontline employees and customised to the role, we covered 87% employees.

The involvement of business leaders in training was truly a positive step towards building a culture of learning. A series of Train the Trainer programs were launched to create a pool of functional trainers in Business. This model helped build ownership and involvement of managers across levels and they not just attended training but also trained their teams.

"Learning Friday", our in branch training model, is one of the continuous learning programs where the 1st Friday of every month is dedicated to learning and providing positive strokes to teams. 10 editions of the program through the year covered all frontline employees, and first level supervisors in ABF business.

The key focus during the year was to build skills that improve job performances and help employees attain success on a continuous basis.

Driven by technology

We are progressing in a concerted manner to embed technology in areas that simplify lives of our employees and enable productivity. Our onsite PeopleSoft platform today has all modules live including employee confirmation, separation and recruitment. To create a great new joiner experience eMilaap, a portal to upload new hire documents went live earlier this year.

Going forward, we will focus on mobility options while strengthening dashboards for our leaders to leverage. We also plan to embrace new age platforms such as chatbots that will allow our employees, especially those in the field to get real time responses on key policy queries.

Incentive schemes

Incentive schemes can be an important driver for business outperformance. We have these schemes for all employees in line (revenue generating, customer facing) roles. Our schemes are sharp with clear key performance indicators (KPIs) for our line staff to ensure accountability and understanding. The scheme design incorporates specific channel nuances to ensure that each plan is aligned with the objectives of the department and channel of business.

At the frontline, we have monthly incentive schemes, while at supervisory roles, the frequency is quarterly and annually. These are dynamic schemes that reflect changes in the external business environment and revisited each year.

Employee retention endeavors

Sustained business success is best enabled when our performing and critical employees remain with us for extended periods of time. Hence retention has been an area of focus. To strengthen the process, we emphasise on:

- Maintaining work-life balance.
- Personally communicating with our employees to understand their problems
- Strengthening employee touch points with HR via branch visits, open house
- Clarifying career aspirations for key talent so that they remain aware of their growth within Magma.
- Ensuring that remuneration is appropriately benchmarked and aligned with the role.

Outlook

In the coming year, we will focus on the following areas:

- Use values as the bedrock in everything that we do.
 - Launch values based recognition platform – Magma STARS
 - Celebrate Magma values during the year
- Talent management
 - Structured talent management framework to create an internal succession planning pipeline
 - Embed career roadmaps for frontline and supervisory roles
- Enhance HR processes

- Contemporary suite of policies across the employee life cycle

- Drive automation and technology creating a WOW employee experience through PeopleSoft and other satellite systems

- Adopt practices creating a more balanced work-life approach

- Enable efficiencies and performance
 - Sharper Performance Improvement Program (PIP) to address consistent issues of underperformance
 - Robust performance management architecture that is system enabled

Sexual Harassment of Women at Workplace

The Company has zero tolerance towards sexual harassment at the workplace and has adopted a 'Policy for Prevention of Sexual Harassment' to prohibit, prevent or deter any acts of sexual harassment at workplace and to provide the procedure for the redressal of complaints pertaining to sexual harassment, thereby providing a safe and healthy work environment, in line with the provisions of Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act 2013 and the rules thereunder. During the year under review, one case of sexual harassment was reported, which was then resolved by the Company. To build awareness and appreciation of this area, we have implemented an online knowledge module leveraging our learning management system.

Information Technology

Magma has been an innovator and an early adopter of technology. Information Technology has been in the process of transforming from a business enabler to a key business driver in FY 17-18. This year Information Technology focused on business transformation which has direct impact on the way Magma does business, embracing digital payment channels, implementing innovative solutions, improving employee satisfaction and enhancing operational efficiency.

In Fiscal 17-18 Magma has been building a Credit decision engine which would help automate the credit decision at the front end. This will help Magma in serving the customer much faster, to maintain a high quality portfolio and enable sales team to make decisions on real time basis. Customer needs and customer satisfaction are key drivers for all the solutions Magma has implemented this year. As rural customer landscape is changing constantly and as they are embracing and adopting digital technology, Magma introduced a mobile payment gateway. Customers can now pay their EMIs without going to the branches. The mobile payment gateway supports Debit card transaction, net banking, UPI and 2 payment banks. This year Magma collected EMIs of the tune of ₹ 5,880 lacs through 40956 transactions. Customer service team was enabled

with streamlined and customised system workflow for reaching their business targets and to serve customer in a better way.

GST and Demonetisation were major unruly events which affected all the NBFCs this year, Information Technology has enabled business to tackle these events by enhancing the Core Application and making it GST compliant. From Demonetisation point of view, the Point of Collections systems has been upgraded quickly to accommodate the disruptive changes.

To improve its internal employee satisfaction Magma has implemented innovative solutions such as Chatbots to automate Helpdesk activities which helped in improving employee productivity and enhanced IT issue management. Employee on-boarding process was digitised to give a best in class on-boarding experience to new employees. HR and Admin team have adopted Magma Service Desk (MSD) in a big way in FY2018 which has helped streamline their daily operational support. Travel management system has been re-engineered to provide flexibility for employees to manage their travel activities. These initiatives improved employee satisfaction, productivity and reduced internal operational cost.

Magma has moved its email platform to cloud based services from Microsoft (Office 365 Exchange Online services for its Email and collaboration services) making it a disaster proof service which is highly scalable and secure. As per the master guidelines issued by RBI for 'IT Management framework', an IT Strategy Committee has been formed which connects on a quarterly basis and reviews the Information Technology and Technology security initiatives. A Technology Vulnerability Management program has been put in place to ensure all business applications go through rigorous security scans before going into production.

Business is leveraging the real time decision making capabilities driven by data analytics and business intelligence dashboards. Daily and monthly dashboards are built for all key employees across the organization which enable them to track the business growth and take informed decisions based on data insights.

During FY2018-19, Information Technology will continue its focus on improving the top line growth and impacting bottom line directly by implementing solutions that fall under five strategic themes namely "**Digital**", "**Operational Efficiency**", "**Analytics**", "**Collaboration**" and "**Security**". The focus will be on delivering business value fast and securely by constantly challenging the status quo, experimenting, evolving and delivering solutions that are simple, reliable and innovative.

Corporate Image Building & Engaging Target Audience

On the marketing and communications front, for Magma group in FY2018, the key focus continued to be on Below-The-Line activations across targeted geographies. These activation programs were largely consisting of low-cost visibility at dealership level and engaging the target audience through well planned series

of activities at locations. In branch communications and events were focused more in order to achieve better cross-sale and up-sale to existing customers. This also helped reinforce the idea that Magma offers a wide basket of financial solutions to the customers.

Through these events, we show-cased the asset finance products – Vehicles, new and used, Unsecured SME lending and the Housing products. The key focus in sales activities revolved around automation and tablet adoption, to leverage the revamped sales process changes being undertaken across all loan products. Customer convenience and ease of decision making to reduce the Turnaround time was one of the key deliverables. We continued to emphasise on the quality of servicing to our existing customers to make them happy.

FY 17-18 considered to be the most dynamic year for Leasing industry because of the introduction of GST. GST was expected to consolidate the vehicle leasing market in India and fuel to roaring leasing vehicle sector but instead unexpected climb in the tax rate jolted the entire leasing sector & same was experienced by Magma Auto lease. Due to the prevailing uncertainty and high cost impact, some of the clients decided to move out of the leasing arrangement. However due to high level of customer engagement, Auto lease business managed to retain most of its client base with a live fleet of 4000 Vehicles. In order to further penetrate the market team has undergone structural change which will give us greater engagement with our existing customers & position as a preferred leasing partner for new acquisitions at Pan India Level.

In the Housing business, Magma focused on Affordable Housing projects by putting up smaller hoardings at approved project locations. We attended all National Housing Bank, builder association/CREDAI and industry bodies like FICCI anchored events and in some smaller locations, even organised Builder meets to make them familiar with Magma Housing products and build relationships. "Shikhar" and "Apna Ghar Utsav", in-branch Cross selling initiatives were taken up where existing customers of ABF business were invited and provided spot sanction for Home loans. We have also started promoting Pradhan Mantri Awas Yojana (PMAY) and Credit Linked Subsidy Scheme (CLS) very proactively at all our branches and also at some of the affordable housing projects.

At Magma HDI, apart from series of local events and engagement activities for Customers and Intermediaries throughout the year, the highlight was the multi-city mega launch of OneHealth at 4 zonal headquarters - Mumbai, Kolkata, Hyderabad & Raipur, followed by smaller events at 35 locations covering 1600 Intermediaries. The events were covered by all leading media houses around the country. We have also partnered with leading corporate broking houses and industry associations to organise thought leadership seminars at Delhi and Hyderabad.

Customer Relationship Management

Magma aims to be the most trusted and accessible financial

services institution, promoting financial inclusion and creating value for all its stakeholders. Customer Service is a key focus area for your Company. Your Company also believes in integrity, good governance, professionalism, transparency and client satisfaction.

In our endeavour to lay down clear guidelines for dealing with customers and ensuring fair treatment plus superior customer experience to our customers, this year we have created the Group Wide Customer Services Policy. This policy includes the regulatory requirements and leading market practices to enhance the customer experience and have better customer retention. The policy aims to create a framework for:

- Ensuring courteousness, fairness and reasonableness in all the dealings with the customers
- Ensuring transparent communication of information pertaining to products, services and related procedures
- Ensuring privacy and confidentiality of customer information
- Handling customer complaints quickly and empathetically

In FY 18 we initiated a structured project for improving customer experience. We conducted a customer journey mapping and identifying 104 moments of truth and prioritised improvement projects for 37 key areas where customer experience needed to be enhanced. As a result of these initiatives, customer complaints, across ABF, SME and HFC verticals, have reduced significantly by 62%. We have also commenced work on identifying the right Customer Record Management solution for the business with the objective of having one unique customer id across the Group. Other initiatives taken during the year include regular updates to customers over SMS for their loans during processing or even servicing and closure which has helped us to provide a quick, almost instant update and transparency to our customers.

Events such as “Shikhar” – the in-branch invitation for spot sanction for new home loans provided to our existing ABF and SME customers, has continued to help us reach out and cross-sell our existing customers. The focus on Customer Service desk in all branches has helped us to tap online queries of our potential customers and engage them through multiple initiatives. During the year, we have also launched various customer feedback studies through our call centre, in-branch customer services, short-code services & emailer campaigns.

6. Key achievements

Magma has made sustainable finance a key pillar of its future growth. With business units active in the areas of financial inclusion by providing finance for car, commercial vehicle, construction equipment, tractor, used asset, SME loans and mortgage, Magma has created an impact among the most disadvantaged stakeholders in the society to catalyse a shared sustainable future.

Inclusive growth has always been paramount to us, which is reflected in our commitment towards socio-economic development of the under-privileged communities around us. Corporate Responsibility at Magma starts with the shared values that form the foundation of our culture: Openness and transparency, Integrity and credibility, Fairness and impartiality, Trust and respect for people and demanding excellence.

Today, our CSR involvement comprises a wide range of activities as well as strong stakeholder involvement, both of which we continuously develop. For Magma, CSR means responsible business practices, something that encompasses economic, ecological and social aspects. Key achievements are highlighted below:

Highways Heroes - Trucker's Initiative

In order to reduce truck related accidents, we launched an initiative "Highway Heroes" in March 2015 in association

with Petroleum Conservation Research and Association (PCRA), Government of India where we conduct training camps for the drivers' community. Under the program, Magma and PCRA have so far trained over 1.45 lac Truckers at 190 locations across the country.

"M-Scholar" - the scholarship scheme for meritorious students'

Magma provided financial assistance to around 200 meritorious students from low income families across the country to meet a part of their education and related expenses while pursuing higher studies. The scholarship is applicable for the Indian students who have appeared for senior secondary board exams and who wish to pursue Undergraduate studies at a recognised college/ university in India.

Under this scheme Magma is supporting students whose parents are daily wage earners/machine operators/household help etc. In spite of the hardships, the students have managed to enroll in eminent colleges such as St Stephens, Delhi, reputed Engineering colleges like IIT, ISM, NIT and leading medical colleges.

Mid Day Meal Program

Mid Day Meal is a strategic program, instituted by Government of India, to liberate the underprivileged children from scourge of hunger and malnutrition. ISKCON

Food Relief Foundation (IFRF) is the biggest implementer of this program under the brand name 'Annamitra' in select schools in Delhi, Maharashtra, Rajasthan, Andhra Pradesh, Madhya Pradesh, Uttaranchal, Haryana, Jharkhand, Assam and West Bengal. The 'Annamrita' program is based on the belief that one meal a day brings thousands of children to school. Magma support "Annamrita" for 3850 students at various school across the country for a period of 10 months. The idea was to provide hygienically cooked, balanced, nutritious, wholesome food for children in municipal and government aided schools in Kolkata.

Ekal Vidyalaya - Education - taking education to remote India

Magma partnered with the Friends of Tribal Society (FTS) for their Literacy Project and adopted school in rural village. Titled Ekal Vidyalaya, this is an innovative concept of One Teacher, where a single trained teacher educates children in the age group of 6-14 years for three hours every day using informal methods. The school curriculum is tailored to teach the children basic literacy and life skills to help them develop self-confidence and succeed in rural occupations and pursue higher education.

Magma Swayam – Corporate Volunteering Program

Behind the successful implementation of the CSR programs, stand the employees of Magma with their vast skills and knowledge. Magma runs Swayam, a volunteering program that encourages employees to be catalyst for social benefits. Magma encourages employees to contribute their time and expertise in a variety of forms to support social initiatives. Swayam run through 13 locations where the Magmaites took their time out and contributed to social good.

M Care - Mobile Clinic

The doctor patient ratio in our country is in a pitiable shape and moreover there are remote areas where there is no basic health care center in a radius of 5-7 KM. Looking at the situation Magma has decided to conduct weekly health checkup camps at various locations. Our health camps consists of qualified doctor and lab technician with basic test kits. In FY2018 we have treated around 5000 villagers in the state of West Bengal, Telangana, Andhra Pradesh, Bihar and Jharkhand

Magma Foundation

Magma along with its group companies has formed a trust named Magma Foundation. The purpose of this trust is to structure the CSR activity of the organization as a whole. Projects which are executed directly by the organisation will now be implemented by the trust.

Awards

The impact made by Magma has received its due commendation. Certain notable awards received by us for adopting best CSR practices:

- BT CSR Excellence Awards - Innovation in CSR Practices, 2017 for the project Highway Heroes.
- Asian Customer Engagement Forum & Awards - Best CSR Event, 2017 for the project Highway Heroes.
- CSR Journal Excellence Award - Health and Sanitation, 2017 for the project M Care.

7. The reasons for not spending the minimum allocated amount:

Your Company's allocated expenditure on CSR for the financial year was ₹ 301.46 lacs determined on the basis of the average net profit of the preceding last three financial years as mentioned in Para 3 above. In this regard, we would like to submit that Magma has successfully spent a sum of ₹ 376.04 lacs which is more than the aforesaid allocated expenditure of two percent of the average net profit of the last three years. Further, as the Company had some unspent CSR amount brought forward from the previous years, which could not be utilised by the Company fully shall be carried forward for the next financial year.

Responsibility Statement

The CSR Committee confirms that the implementation and monitoring of CSR activities of the Company are in compliance with the CSR objectives and CSR policy of the Company.

SECTION E: Principle-wise performance**PRINCIPLE 1: Businesses should conduct and govern themselves with Ethics, Transparency and Accountability**

The Company has in place a Corporate Governance Policy, the Policy is steered based on our corporate governance philosophy, which is anchored on the values of trusteeship, transparency, ethical corporate citizenship, empowerment, control and accountability as integral parts of a good management. Integrity and credibility in our acts, fairness and impartiality in our dealings with others, trust and respect for people and demanding excellence are the essence of our flawless operation. Policies and processes are set up at various levels across the Company to guide different stakeholders and ensure compliance to regulatory and voluntary norms. We strongly adhere to the above work ethics which we believe are the corner stone to achieve our vision of being one of the India's largest asset finance Company.

- Does the policy relating to ethics, bribery and corruption cover only the Company? Does it extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs/Others?
No. The Code of Business Ethics applies to all Directors, officers and employees of Magma. The Company also encourages employees of the subsidiary of Magma to adopt and follow the Code of Business Ethics. Third parties, such as consultants and agents are required to comply with the Code of Business Ethics when acting on Magma's behalf.
- How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management?

Particulars	No. of complaints received	No. of complaints resolved	% of complaints resolved
Shareholders	2	2	100
Customers	272	268	99
Employees	297	296	100

PRINCIPLE 2: Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle

- List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.
The Company constantly aims to reduce the impact on environment by identifying ways to optimize resource consumption in its operations although the very nature of its business being an NBFC has limited impact on the environment.
- For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):

- Reduction during sourcing/production/ distribution achieved since the previous year throughout the value chain?
- Reduction during usage by consumers (energy, water) has been achieved since the previous year?

The Company strives relentlessly to maintain the highest standards of safety and sustainability in its services offered in alignment to our values.

On account of the nature of our services, the major resource consumed at the Company is paper. The Company contributes towards sustainable service delivery through paperless transaction. The Company has a paper recycling initiative in terms of re-usage of old print outs which are no longer required and also monitor usage of paper consumption. Above all, we emphasize on integrating sustainable practices within our value chain (suppliers and customers) through acceptance of payments through ACH/ AutoDebit/Digital/online mode which in turn helps the customers in paper less transaction. We pay our vendors through NEFT/RTGS mode thereby reducing the usage of paper.

The Company ensures reduction of paper usage through various initiatives viz. leads are generated online with customer related data, online system to record customer related transactions, e-learning platform for knowledge sharing / enhancement of employees, customers are updated through SMS during loan processing at every stage till sanction.

Various other initiatives launched in previous year viz; discontinuation of printing of fund flow reports and requisition reports, printing both sides of the paper and facility for uploading system generated reports which helped in restricting usages of paper and ink cartridges.

- Does the company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably?
The primary resource consumption of the Company is printing paper. The Company entered into vendor agreements for procurement of paper and tracks consumption of resources to reduce their wastage. Above all, we emphasize on integrating sustainable practices within our value chain (suppliers and customers) through acceptance of payments through ACH/AutoDebit/Digital/online mode which in turn helps the customers in paper less transaction.

4. Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

The Company has its presence PAN India and has a practice of purchasing goods and services required for normal operations from local suppliers. The Company is progressing more towards digital transactions, hence we encourage the vendors/suppliers more towards digitization.

5. Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%).

Yes. The Company's primary waste products comprises of paper waste, municipal waste and electronic waste. The Company puts in place mechanisms for responsible disposal of waste through authorized third party vendors. We have a paper recycling initiative in terms of re-usage of old print outs which are no longer required.

PRINCIPLE 3: Businesses should promote the wellbeing of all employees

The capability of the Company's talent pool is surmised on a work culture that nurtures quality talent and promotes a causative work environment combining the need to focus on performance and results with a caring and compassionate work ethics. The Company places utmost care in promotion of employee wellbeing. We strongly embrace gender equality, equal opportunity and work-life balance in day to day work. Our Policies ensure a work environment that is free from any form of discrimination among employees in terms of compensation, training and employee benefits based on caste, religion, disability, or gender.

The Company has put in place Whistle blower mechanism to ensure that any violations to its Code of Conduct and Code of Business Ethics (including violation of human rights) are addressed objectively. The aforesaid policies are also adopted by the group companies.

2. How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

The Company did not receive any complaint in the area of human rights violations.

PRINCIPLE 6: Business should respect, protect, and make efforts to restore the environment

1. Does the policy related to Principle 6 cover only the Company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others.

Magma endeavours to ensure and enhance effective social and environmental management practices in all its activities with a special focus on the following:

- Ensuring that social and environmental safeguards as defined by the applicable Indian social and environmental legislation are adequately integrated by the customer prior to its financing and in its implementation.
- Influencing interested parties, especially clients and other domestic financial institutions, to be more socially and environmentally responsible.
- Ensuring transparency in its Social and Environmental Management System & Procedures.

The Company recognizes that all activities and projects are in compliance with the Social and Environmental Management System-Policy and Procedures document. The policy is based on guidelines from IFC and ensures that the Company abstains from lending to socially and /or environmentally irresponsible businesses or ventures.

2. Does the Company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc.?

The Company has taken the following initiatives viz. awareness generation among the employees to conserve and responsibly use electricity, Reduction of usage of energy (through installation of LED bulbs, energy efficient electrical equipment), e-waste management and handling, distribution of sapling and paper conservation (e.g. Both side printing, re-use of papers) and paper waste recycling. These initiatives would directly or indirectly lead to reduced energy consumption. In our country, since energy is produced mostly with fossil fuel leading to emissions of greenhouse gases and global warming, energy conservation would significantly contribute to mitigation of global warming.

3. Does the Company identify and assess potential environmental risks?

Yes, the Company assesses its environmental risks in multiple ways. We believe that at Magma, which is primarily an asset financing NBFC focusing on providing finance mainly to the semi-urban and rural areas and developing rural entrepreneurship, the scale and magnitude of the environmental and social risks may not match that of large project financing institutions or commercial banks. However, we recognize that, even smaller clients, be it individuals or SMEs, do have social and environmental risks; employment of child labour, illegal mining or quarrying leading to destruction of the environment, ground and water pollution on account of non-treatment of effluents are examples of some risks faced by a micro entrepreneur. While individually these risks may not be very high, cumulatively they may have a considerable impact on society.

4. Does the Company have any project related to Clean Development Mechanism? If so, provide details. Also, if yes, *whether any environmental compliance report is filed?*

The Company has no project related to Clean Development Mechanism.

5. Has the Company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc.?

Company is also in the process of replacement of existing lights with LED lights in a phased manner.

6. Are the Emissions/Waste generated by the Company within the permissible limits given by CPCB/SPCB for the financial year being reported?

Yes, all the primary wastes mainly paper and electronic are recycled to the maximum possible extent. The emissions and wastes of the Company are within the permissible limits of the laws applicable.

7. Number of show cause/ legal notices received from CPCB/ SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.
The Company has not received any such notice during the reporting year.

PRINCIPLE 7: Businesses, when engaged in influencing public and regulatory policy, should do so in a responsible manner

1. Is your Company a member of any trade and chamber or association? If Yes, name only those major ones that your business deals with:
The Company maintains a steady interface on matters concerning the Finance industry across the country through active participation in apex industry institutions including the following:
- Bharat Chamber of Commerce (BCC)
 - Confederation of Indian Industry (CII)
 - Finance Industry Development Council (FIDC)
 - The Federation of Indian Chambers of Commerce and Industry (FICCI)

2. Have you advocated/lobbied through above associations for the advancement or improvement of public good?
The Company made various representation to Reserve Bank of India (RBI) / Finance Ministry through the office of FIDC when views are solicited on various RBI guidelines pertaining to NBFC. The Company had also represented in past through FIDC to RBI that NBFC-AFCs should have identical limits as banks for credit delivery to the target segment of Priority Sector lending (PSL) and specific limits at concessional rates over and above the Maximum Permissible Banking Finance (MPBF) should be set up to enable such credit delivery.

PRINCIPLE 8: Businesses should support inclusive growth and equitable development

1. Does the Company have specified programmes/initiatives/projects in pursuit of the policy related to Principle 8?
Under the broader ambit of the CSR Policy, the Company continues to regularly identify and engage with all different sections of the communities, in which it operates, to promote equitable development and equip them with the necessary coping mechanisms to have a better life. Some of the notable initiatives are highlighted below:

(PCRA), Friends of Tribal Society (FTS), ISKCON Food Relief Foundation (IFRF) and Magma Foundation.

3. Have you done any impact assessment of your initiative?
We use an external agency for carrying out the impact assessment study of the undertaken project for the Truckers. The same is also vetted by PCRA as part of their practice.

4. What is your Company's direct contribution to community development projects- Amount in INR and the details of the projects undertaken?

The Company's contribution to community development projects amounts to ₹ 376.04 lacs during the Financial Year 2017-18. Details of some of the major initiatives the Company has invested during the year are given in Point No. 1 above.

5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community?

The Company has taken care to ensure the sustainability of the project activities. We have a dedicated team whose job is to take the first hand feedback from the people who were part of our project. The team tries to meet them in person, do their pre and post project impact assessment, note the differences, identify the hurdles in the project and then try to reduce them while replicating the same at other locations. The CSR Committee of the Board meets annually to review the successful implementation of their programs.

PRINCIPLE 9: Businesses should engage with and provide value to their customers and consumers in a responsible manner

We believe that to become India's leading asset finance company, customer service and satisfaction lies at the top of our prioritization pyramid. We constantly endeavour to provide world class products and service to our customers, especially when our customers need our help the most. To maintain our impeccable customer service performance, we strictly adhere to the following cornerstones while we cater to our customers.

1. Maintain complete transparency about the loan sanctioning process
 2. Easy and fast documentation so that the loan is disbursed in a timely manner
 3. Communication at all stages of loan disbursement to customers
 4. Build and develop the best performing and efficient team to cater our customers
 5. Empower frontline team to efficiently deal with customer requirement without having to depend on others
 6. Enhance customer experience at every stage during his association with us
1. What percentage of customer complaints/consumer cases are pending as on the end of financial year?

Customer complaints are treated very seriously in the organization. We hear our customers through various mediums such as emails to customercare@magma.co.in & headcustomerservice@magma.co.in, 8am to 8pm Call Centre through the toll free number – 1800 3002 3202, websites, telephone, letter, Social Media & Branch. In our Company, 272 complaints were received and 4 complaints were pending during the FY 2017-18.

We proactively highlight complaints to respective verticals for faster resolution and also bring in process changes to reduce the opportunity for future complaints.

One classic example to this will be implementation of proactive refund processing which has helped in bringing down the refund complaints to a very large extent in FY 18 as compared to FY 17.

2. Does the Company display product information on the product label, over and above what is mandated as per local laws?

The Company follows the highest standards of product and service responsibility. The Company complies fully with the regulations of the RBI for financial products. All notices and regulations are displayed at branches as per the requirements of the RBI. A comprehensive list of customer policies that the Company adheres to, are available on the Company's website at www.magma.co.in.

For the ease of understanding we have also uploaded the policy in regional languages and are also available at our branches for reference.

3. Is there any case filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year. If so, provide details thereof.

During the last five years, stakeholders have not filed any complaint pertaining to unfair trade practices, irresponsible advertising and/or anti-competitive behaviour against the Company.

4. Did your Company carry out any consumer survey/consumer satisfaction trends?

We drive the Company's customer satisfaction initiatives and measurement and regularly conduct customer satisfaction surveys through our call centre.

We have also evolved the process of conducting satisfaction surveys to clearly highlight the satisfaction scores at each stage of customer loan cycle with the organization so that we are able to bring in process efficacy at the appropriate stage to enhance customer satisfaction.

 - b. The recruitment process shall generally involve meetings with Chief People Officer (CPO), VC&MD and/or identified members of the NRC and Board, on the basis of which the candidature will be finalised;
 - c. The total remuneration to be offered to the new candidate as above, shall be shared with the NRC for their concurrence by the CPO. Thereafter, the offer shall be rolled out.

5.2 Determination of qualification, positive attributes and independence test for the Independent Directors to be appointed:

- 5.2.1 For each Independent Director, the appointment shall be based on the need identified by the Board;
- 5.2.2 The role and duties of the Independent Director shall be clearly specified by highlighting the committees they are expected to serve on, as well as the expectations of the Board from them;
- 5.2.3 At the time of selection, Board shall review the candidature on skill, experience and knowledge to ensure an overall balance in the Board so as to enable the Board to discharge its functions and duties effectively;
- 5.2.4 Any appointment of the Independent Director shall be approved at the meeting of the shareholders, in accordance with extant laws;
- 5.2.5 Director's Independence test shall be conducted as per the conditions specified in the Companies' Act and the rules thereunder;
- 5.2.6 Board's expectation from each Independent Director shall be clearly mentioned in the appointment letter;
- 5.2.7 The Independent Director shall confirm having read and complied with the Magma's Code of Conduct. They shall also need to confirm and sign the Independence Test;
- 5.2.8 The remuneration of the Directors shall be established on the reasonability and sufficiency of level in order to attract, retain and motivate the Directors; and
- 5.2.9 VC & MD along with Company Secretary shall be involved in the familiarisation/ induction process for the independent director/s.

5.3 Remuneration policy for the Directors (including Independent Directors), key managerial personnel and senior management personnel:

- 5.3.1 The Independent Directors would be paid sitting fees subject to the limits prescribed under the Companies Act, or any amendments thereto, as may be determined by NRC from time to time, for attending each meeting(s) of the Board and Committees thereof;

- 5.3.2 Directors shall be reimbursed any travel or other expenses, incurred by them, for attending the Board and Committee meetings;

- 5.3.3 Additionally, the Independent Directors shall be paid remuneration by way of commission for each financial year:

- a. Total commission pay out to all Independent Directors in aggregate shall be restricted to a limit of 1% of net profits of the Company, further subject to recommendation by the NRC and determination by the Board, as further subject to approval by the shareholders of the Company at the Annual General Meeting; and
- b. NRC shall recommend quantum of commission which, in its best judgement and opinion is commensurate to the level of engagement each Independent Director would have with the members of Senior Management Personnel and/or other Board members, towards providing inputs, insights and guidance on various matters of importance from time to time.

- 5.3.4 The remuneration paid to VC & MD shall be considered by the NRC taking into account various parameters included in this policy document and recommended to the Board for approval. This shall be further subject to the approval of the members at the next General Meeting of the Company in consonance with the provisions of the Act and the rules made thereunder;

- 5.3.5 For KMP and Senior Management Personnel, remuneration shall be based on the KRAs identified and the achievement thereof. The increments shall usually be linked to their performance as well as performance of the Company.

6. Familiarization programme

The Company has put in place a mechanism to familiarize its Independent Directors about the Company, its products, the industry and business structure of the Company and its subsidiaries, associates and JVs. The Company also undertakes various initiatives to update the Independent Directors about the ongoing events and developments relating to the Company, significant changes in regulatory framework having impact on the Company. To familiarize the new Directors with the business and operations of the Company an Induction kit is shared with them which, inter-

alia, includes Mission, Vision and Values, Group Business Structure, Brief profile of the Board of Directors, Composition of Committees of the Board, Brief profile of Senior Managerial Personnel, Press Releases, Investor Presentation, Latest Annual Report and Policies and Remuneration payable to Directors. Furthermore the role, rights, responsibilities, duties and liabilities of the Independent Directors are embodied in detail in their Appointment Letter.

The Vice Chairman & Managing Director also has a one-to-one discussion with the newly appointed Director. The above initiatives helps the Director to understand the Company, its business and the regulatory framework in which the Company operates and equips him to effectively fulfill his/her role as a Director of the Company.

During the financial year 2017-18, the Independent Directors were updated from time to time on an on-going basis on the significant changes in the regulations applicable to the Non-Banking Finance Companies. The details of such Familiarization Programmes for Directors may be referred to, at the website of the Company at its weblink i.e. <https://magma.co.in/about-us/investor-relations/secretarial-documents/download-secretarial-documents/>.

7. Performance Evaluation

Pursuant to the provisions of the Act and Regulation 17(10) of Listing Regulations, the Company has adopted the Remuneration Policy with the comprehensive procedure on performance evaluation. The Board has carried out the annual performance evaluation of its own performance, of individual Directors, the Chairman and that of its Committee. Also, the Nomination and Remuneration Committee has carried out evaluation of every director's performance and reviewed the self evaluation submitted by the respective directors. The performance evaluation of the Independent Directors was carried out by the entire Board, excluding the director being evaluated.

The detailed process of Performance Evaluation is given in the Board's Report.

9. Vigil mechanism / Whistle Blower

The Company has in place Board approved Policy on Breach of Integrity and Whistle Blower (Vigil mechanism). The Policy was framed with an objective to deal with issues pertaining to integrity, encouraging the employees and Directors of the Company to raise any concern about Company's operations and working environment, including possible breaches of Company's policies and standards, without fear of adverse managerial action being taken against such employees.

It provides a channel to the employees and Directors to report to the management concerns about unethical behaviour, actual or suspected fraud or violation of any code of conduct or policy in force. Instances of such suspected or confirmed incident of fraud/misconduct may be reported on the designated email id i.e. fraudcontrol@magma.co.in which is managed by the fraud control team.

A Disciplinary Committee as constituted under the vigil mechanism looks into the complaints raised and their redressal. The Committee reports to the Audit Committee.

The mechanism also provides for adequate safeguards against victimization of employees to avail of the mechanism and in exceptional cases direct access to the Chairman of the Audit Committee to report instances of fraud/misconduct. During the year under review, no employee was denied access to the Audit Committee.

The said Policy may be referred to, at the website of the Company at its weblink i.e. <https://magma.co.in/about-us/investor-relations/secretarial-documents/download-secretarial-documents/>

6. We conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes, Guidance Note on Certification of Corporate Governance, both issued by the Institute of Chartered Accountants of India ('ICAI') and the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate. The Guidance Note on Reports or Certificates for Special Purposes requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
7. We have complied with the relevant applicable requirements of the Standard on Quality Control ('SQC') 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us and representations made by the Management, we certify that the Company has complied with the conditions of Corporate Governance as specified in the above-mentioned SEBI Listing Regulations.
9. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restriction of use

10. The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the SEBI Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

Independent Auditor's Report

To the Members of
Magma Fincorp Limited

Report on the Audit of the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Magma Fincorp Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2018, the Statement of Profit and Loss, and the Statement of Cash Flows for the year then ended, and summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31 March 2018, its profit and its cash flows for the year ended on that date.

Independent Auditor's Report (Continued)

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31 March 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements - Refer Note 30(a) to the standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts - Refer Note 30(c) to the standalone financial statements.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. The disclosures in the financial statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made since they do not pertain to the financial year ended 31 March 2018. However amounts as appearing in the audited standalone financial statements for the period ended 31 March 2017 have been disclosed – Refer Note 45 to the standalone financial statements.

Annexure A to the Independent Auditor's Report

The Annexure referred to in the Independent Auditor's Report to the members of Magma Fincorp Limited ("the Company") on the standalone financial statements for the year ended 31 March 2018, we report that:

- (i) a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets during the year.
- b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, the periodicity of the physical verification is reasonable having regards to the size of the Company and the nature of its assets.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties, as disclosed in Note 11 to the annual standalone financial statements are held in the name of the Company, except for the following:

(₹ In Lacs)	
Particulars	Buildings
Total number of cases	3
Gross block as at 31 March 2018	1,818.00
Net block as at 31 March 2018	1,226.80

- (ii) The Company is a Non-Banking Finance Company ("NBFC"), primarily engaged in the business of financing. Accordingly, it does not hold any physical inventories. Thus, paragraph 3(ii) of the Order is not applicable.
- (iii) The Company has granted loans to one company covered in the register maintained under Section 189 of the Companies Act, 2013 ("the Act").
- a) In our opinion, the rate of interest and other terms and conditions on which the loans had been granted to the company listed in the register maintained under Section 189 of the Act, was not, prima facie, prejudicial to the interest of the Company.
- b) In the case of the loans granted to the company listed in the register maintained under Section 189 of the Act, the borrower has been regular in the payment of the principal and interest as stipulated.

- c) There is no overdue amount of the loan granted to the company listed in the register maintained under section 189 of the Act.
- (iv) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not undertaken any transaction in respect of loans, guarantees and securities covered under Section 185 of the Act. The Company has complied with Section 186(1) of the Act in relation to investments made by the Company. The remaining provisions related to Section 186 of the Act do not apply to the Company as it is an NBFC.
- (v) The Company has not accepted any deposits from the public in accordance with the provisions of Section 73 to 76 of the Companies Act, 2013 and the rules framed thereunder.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Companies Act, 2013, in respect of sale of power generated from windmills and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records. The Central Government has not prescribed the maintenance of cost records under Section 148 (1) of the Companies Act, 2013, for any of the other services rendered by the Company.
- (vii) a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including provident fund, employees' state insurance, income tax, value added tax, service tax, goods and service tax, cess and any other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities except for delays ranging from 1 day to 52 days with respect to deposit of professional tax with appropriate authorities. As explained to us, the Company did not have any dues on account of sales tax, customs duty and excise duty.

According to the information and explanations given to us, there are no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, value added tax, service tax, goods and service tax, cess and other material statutory dues were in arrears, as at 31 March 2018, for a period of more than six months

Annexure A to the Independent Auditor's Report (Continued)

from the date they became payable. As explained to us, the Company did not have any dues on account of sales tax, customs duty and excise duty.

- b) According to the information and explanations given to us there are no material dues of cess and other material

statutory dues which have not been deposited by the Company with the appropriate authorities on account of any disputes. However, according to the information and explanations given to us, the following dues of income tax, service tax and value added tax, have not been deposited by the Company on account of disputes:

Annexure B to the Independent Auditor's Report

The Annexure referred to in the Independent Auditor's Report to the members of Magma Fincorp Limited ("the Company") on the standalone financial statements for the year ended 31 March 2018:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of Magma Fincorp Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial

Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the

Annexure B to the Independent Auditor's Report (Continued)

Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company;

and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes to the Financial Statements

Note 1 : Company Overview:

Magma Fincorp Limited ('the Company'), incorporated and headquartered in Kolkata, India is a publicly held non-banking finance company engaged in providing asset finance through its pan India branch network. The Company is registered as a systemically important non-deposit taking Non-Banking Financial Company ('NBFC') as defined under Section 45-IA of the Reserve Bank of India (RBI) Act, 1934. The Company is also registered as a corporate agent under Insurance Regulatory and Development Authority of India (Registration of Corporate Agents) Regulations, 2015. Its equity shares are listed on National Stock Exchange and Bombay Stock Exchange.

Note 2 : Significant Accounting Policies:

(i) Basis of preparation

- (a) These financial statements have been prepared in compliance with Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the mandatory Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ('the 2013 Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the 2013 Act (to the extent notified and applicable), the directions prescribed by the Reserve Bank of India ('RBI') for Systemically Important Non-Banking Financial (Non-Deposit Accepting or Holding) Companies, the regulations prescribed under Insurance Regulatory and Development Authority of India (Registration of Corporate Agents) Regulations, 2015 and the guidelines issued by the Securities and Exchange Board of India (SEBI) to the extent applicable. The financial statements have been prepared under the historical cost convention and on accrual basis, unless otherwise stated. The financial statements are presented in Indian rupees rounded off to the nearest lac upto two decimal places.
- (b) An asset or liability is respectively classified as current when it is expected to be realized or settled in the company's normal operating cycle or within 12 months after the reporting date. Current assets and liabilities include the current portion of non-current assets and non-current liabilities respectively. All other assets and liabilities are classified as non-current as required by Schedule III of the Companies Act, 2013.
- (c) The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

(ii) Use of estimates and judgements

The preparation of financial statements in conformity with

Generally Accepted Accounting Principles ('Indian GAAP') requires the management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities (including contingent liabilities) as on the date of the financial statements and the reported income and expenses during the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis and actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

(iii) Assets on finance

- (a) Assets on finance include assets given on finance / loan and amounts paid for acquiring financial assets including non-performing assets (NPAs) from other Banks / Non Banking Financial Companies (NBFCs).
- (b) Assets on finance represents amounts receivable under finance / loan agreements and are valued at net investment amount including installments due. The balance is net of amounts securitised / assigned.

(iv) Revenue recognition

- (a) Interest / finance income from assets on finance / loan included in revenue from operations represents interest income arrived at based on Internal Rate of Return ('IRR') method. Interest income is recognised as it accrues on a time proportion basis taking into account the amount of principle outstanding and the interest rate applicable, except in the case of non-performing assets (NPA) where it is recognised upon realisation as per RBI Guidelines.
- (b) **Income on direct assignment / securitisation :**
The Company enters into arrangements for sale of loan receivables through direct assignment / securitisation. The said assets are de-recognised upon transfer of significant risks and rewards to the purchaser and on meeting the true sale criteria.

The Company retains the contractual right to receive share of future monthly interest i.e. excess interest spread ("EIS") on the transferred assets which is the difference between the pool IRR and the yield agreed with the portfolio buyer.

The Company recognises gain / excess interest spread on direct assignment / securitisation transactions in line with RBI Master Direction - Non-Banking Financial Company - Systemically Important

Notes to the Financial Statements (Continued)

Note 2 : Significant Accounting Policies (Contd.)

Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 dated 01 September 2016. Accordingly, direct assignment / securitisation transactions effected post issuance of the said guidelines are accounted as under:

- (i) Gain / income realised on direct assignment / securitisation of loan receivables arising under premium structure is recognised over the tenure of securities issued by Special Purpose Vehicle (SPV) / agreements. Loss, if any, is recognised upfront.
- (ii) EIS under par structure of securitisation / direct assignment of loan receivables is recognised only when redeemed in cash, over the tenure of the securities issued by SPV / agreements. Loss, if any, is recognised upfront.
- (c) Interest on fixed deposits is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.
- (d) Upfront income / expense pertaining to loan origination is amortised over the tenure of the underlying loan contracts.
- (e) Assets given by the Company under operating lease are included in fixed assets. Lease income from operating leases is recognised in the statement of profit and loss as per contractual rentals unless another systematic basis is more representative of the time pattern in which benefit derived from the leased asset is diminished. Costs, including depreciation, incurred in earning the lease income are recognised as expenses. Initial direct costs incurred specifically for an operating lease are deferred and recognised in the statement of profit and loss over the lease term in proportion to the recognition of lease income.
- (f) Overdue interest is treated to accrue on realisation, due to uncertainty of realisation and is accounted for accordingly.
- (g) In respect of NPAs acquired, recoveries in excess of consideration paid is recognised as income in accordance with RBI guidelines.
- (h) The sale of non-performing assets is accounted for as per the guidelines prescribed by RBI. On sale, the

assets are derecognised from the books. If the sale proceeds are lower than the net book value (NBV) (i.e., book value less provisions held), the shortfall is charged to the Statement of Profit and Loss in the year of sale. In case of sale other than in cash, if the sale proceeds are higher than the NBV, the excess provision is written back in the year the amounts are received, as required by the RBI.

- (i) Income on Security Receipts (SRs) are recognised only after the full redemption of the entire principal amount of SRs.
- (j) Income from collection and support services is recognised as per the terms of the respective contract on accrual basis.
- (k) Income from power generation is recognised based on the units generated as per the terms of the respective power purchase agreements with the respective State Electricity Boards.
- (l) Income from dividend is accounted for on receipt basis.
- (m) All other items of income are accounted for on accrual basis.
- (v) **Provision for non-performing assets (NPA) and doubtful debts**

Non-performing assets ('NPA') including loans and advances, receivables are identified as sub-standard / doubtful based on the tenor of default. The tenor is set at appropriate levels for each product. NPA provisions are made based on the management's assessment of the degree of impairment and the level of provisioning and meets the Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 dated 01 September 2016. These provisioning norms are considered the minimum and additional provision is made based on perceived credit risk where necessary.

All contracts which as per the management are not likely to be recovered are considered as loss assets and written-off as bad debts or fully provided for. Recoveries made from previously written off contracts are included in "Other Income".

Notes to the Financial Statements (Continued)

Note 2 : Significant Accounting Policies (Contd.)

(vi) Property, plant and equipment

Property, plant and equipment are carried at cost of acquisition less accumulated depreciation. The cost of tangible fixed assets comprises the purchase price, taxes, duties, freight (net of rebates and discounts) and any other directly attributable costs of bringing the assets to their working condition for their intended use. Borrowing costs directly attributable to acquisition of those tangible fixed assets which necessarily take a substantial period of time to get ready for their intended use are capitalised.

Advances paid towards the acquisition of fixed assets outstanding at each balance sheet date are disclosed as long-term loans and advances. The cost of fixed assets not ready for their intended use at each balance sheet date is disclosed as capital work-in-progress.

All assets given on operating lease are shown at the cost of acquisition less accumulated depreciation.

Intangible assets are recorded at the consideration paid for acquisition / development and licensing less accumulated amortisation.

(vii) Depreciation and amortisation

Depreciation on fixed assets is provided using the straight line method at the rates specified in Schedule II to the Companies Act, 2013. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed.

Leasehold improvements are amortised over the underlying lease term on a straight line basis.

Depreciation on vehicles given on operating lease is provided on straight line method at rates based on tenure of the underlying lease contracts not exceeding 8 years.

Individual assets costing less than ₹ 5,000/- are depreciated in full in the year of acquisition.

For the following class of assets, based on internal assessment, the management believes that the useful lives as given below best represent the period over which management expects to use these assets. Hence the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Desktops	6 years
Laptops / Hand Held Device	4 years

Intangible assets are amortised over their estimated useful lives, not exceeding six years, on a straight line basis, commencing from the date the asset is available to the Company for its use.

(viii) Impairment

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

(ix) Investments

- Investments are classified as non-current or current based on intention of management at the time of purchase.
- Non-current investments are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment.
- Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each investments.
- Any reduction in the carrying amount and any reversals of such reduction are charged or credited to the statement of profit and loss.
- Profit or loss on sale of investments is determined on the basis of weighted average carrying amount of investments disposed off.
- Investment in Security Receipts (SRs) is recognised at lower of: (i) Net Book Value (NBV) (i.e., book value less provisions held) of the financial asset; and (ii) estimated redemption value of SRs at the end of each reporting period, as prescribed by RBI.

Notes to the Financial Statements (Continued)

Note 2 : Significant Accounting Policies (Contd.)

Accordingly, in cases where the SRs issued by the Securitisation Company / Asset Reconstruction Company (SC/ARC) are limited to the actual realisation of the underlying financial assets, the net asset value, obtained from the SC/ARC, is reckoned for valuation of such investments. The SRs outstanding and not redeemed as at the end of the resolution period are treated as loss assets and are fully provided for.

(x) Employee benefits

(a) Provident fund

Contributions paid / payable to the recognised Government administered provident fund scheme, which is a defined contribution scheme, are charged to the statement of profit and loss.

(b) Gratuity

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Accrued Benefit Method (same as Projected Unit Credit Method), which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government securities as at the balance sheet date.

Actuarial gains and losses are recognised immediately in the statement of profit and loss.

(c) Compensated absences

The employees of the Company are entitled to compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation based on the additional

amount expected to be paid as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognised in the period in which the absences occur.

(xi) Employee stock option schemes

The Employees Stock Option Scheme (the Scheme) provides for grant of the equity shares of the Company to employees. The scheme provides that employees are granted an option to subscribe to the equity shares of the Company that vest in a graded manner. The options may be exercised with in the specified period. The Company follows the intrinsic value method to account for its stock based employee compensation plans. The expense or credit recognised in the statement of profit and loss for a period represents the movement in cumulative expense recognized as at the beginning and end of that period.

(xii) Income taxes

Income-tax expense comprises of current tax (i.e. amount of tax for the period determined in accordance with the income-tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). Income-tax expense is recognised in the statement of profit and loss.

(a) Current tax

Current tax is measured at the amount expected to be paid to (recovered from) the taxation authorities, using the applicable tax rates and tax laws.

(b) Deferred tax

Deferred tax is recognised in respect of timing differences between taxable income and accounting income i.e. differences that originate in one period and are capable of reversal in one or more subsequent periods. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax

Notes to the Financial Statements (Continued)

Note 2 : Significant Accounting Policies (Contd.)

assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and deferred tax assets and deferred taxes relate to same taxable entity and same taxation authority.

(c) Minimum alternative tax

Minimum alternative tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

(xiii) Provision and contingencies

A provision is recognised if, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. The provisions are measured on an undiscounted basis.

(a) Onerous contracts

A contract is considered as onerous when the expected economic benefits to be derived by the Company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognises any impairment loss on the assets associated with that contract.

(b) Contingencies

Provision in respect of loss contingencies relating to claims, litigation, assessment, fines, penalties, etc. are recognised when it is probable that a liability has been incurred, and the amount can be estimated reliably.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

(xiv) Contingent liabilities and contingent assets

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

(xv) Derivative transactions

Fair value of derivative contracts is determined based on the appropriate valuation techniques considering the terms of the contract as at the balance sheet date. Mark to market losses in derivative contracts are recognised in the statement of profit and loss in the period in which they arise. Mark to market gains are not recognised keeping in view the principle of prudence as enunciated in "Accounting Standard (AS) 1 - Disclosure of Accounting Policies".

(xvi) Borrowing costs

Interest on borrowings is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable on the borrowings. Discount on commercial papers is amortised over the tenor of the commercial papers.

Brokerage and other ancillary expenditure directly attributable to a borrowing is amortised over the tenure of the respective borrowing. Unamortised borrowing costs remaining, if any, is fully expensed off as and when the related borrowing is prepaid / cancelled.

(xvii) Operating leases

Lease payments for assets taken on an operating lease are recognised as an expense in the statement of profit and loss on a straight line basis over the lease term.

(xviii) Earnings per share

The basic earnings per share ('EPS') is computed by dividing the net profit after tax attributable to the equity shareholders

Notes to the Financial Statements (Continued)

Note 2 : Significant Accounting Policies (Contd.)

for the year by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit after tax attributable to the equity shareholders for the year and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The diluted potential equity shares have been adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. the average market value of the outstanding shares). In computing dilutive earnings per share, only potential equity shares that are dilutive and that reduces profit / loss per share are included.

(xix) Foreign currency transactions

Foreign currency transactions are accounted for at the rates prevailing on the date of the transaction. Exchange differences, if any arising out of transactions settled during the year are recognised in the Statement of Profit and Loss. Monetary assets and liabilities denoted in foreign currencies as at the Balance Sheet date are translated at the closing exchange rates.

Resultant exchange differences, if any, are recognised in the Statement of Profit and Loss and related assets and liabilities are accordingly restated in the Balance Sheet. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency at the Balance Sheet date are reported using exchange rates at the date of the transaction.

(xx) Cash and cash equivalents

Cash and cash equivalents comprise cash, cash-in-transit and cash on deposit with banks and corporations. The Company considers all highly liquid investments with an original maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

(xxi) Cash flow statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals, or accruals of past or future operating cash receipts or payments and item of expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

Equity shares

The Company has only one class of equity shares having a par value of ₹ 2/- each. Each holder of equity share is entitled to one vote per share.

The Company declares and pays dividend on equity shares in Indian rupees.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution to preference shareholders. The distribution will be in proportion to the number of equity shares held by the equity shareholders.

During the year, the Company has allotted on 10 May 2017 and 31 January 2018, 14,000 equity shares and 55,000 equity shares respectively of the face value of ₹ 2/- each to the eligible employees of the Company under Employee Stock Option Plan pursuant to SEBI (ESOS and ESPS) Guidelines, 1999, and with corresponding provision of SEBI (Share Based Employee Benefits) Regulations 2014, as amended from time to time.

On 12 April 2018, the Company has allotted 3,22,58,064 equity shares of face value of ₹ 2/- each to Qualified Institutional Buyers, aggregating to approximately ₹ 50,000 lacs, including premium of ₹ 153/- per share under Chapter VIII of Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended and Companies Act, 2013 read with relevant rules thereunder and other applicable provisions. Consequent to the said allotment, the total paid-up equity share

capital of the Company stands increased to 26,92,86,736 equity shares of ₹ 2/- each aggregating to ₹ 5,385.73 lacs. The equity shares issued and allotted as aforesaid rank pari passu with the existing equity shares of the Company in all respect.

During the year ended 31 March 2018, the amount of per share dividend recommended by the Board as distribution to equity shareholders is ₹ 0.80 (40%) per equity share of the face value of ₹ 2/- each including shares allotted post 31 March 2018, pursuant to Qualified Institutional Placement (QIP) and ESOP scheme. Total dividend on 26,92,86,736 equity shares for the year ended 31 March 2018 would amount to ₹ 2,597.11 lacs including corporate dividend tax of ₹ 442.82 lacs, subject to approval of shareholders.

Preference shares

The Company declares and pays dividend on preference shares in both Indian rupees and foreign currencies.

In the event of liquidation of the Company, the holders of preference shares will have priority over equity shares in payment of dividend and repayment of capital.

For the financial year ended 31 March 2017, the Company has recommended dividend based on the 6 months US Dollar Libor applicable as on 30 December 2016 and closing exchange rate applicable as on 31 March 2017 and which was liable to vary depending on the actual date of payment of the dividend. Accordingly, the excess dividend and tax thereon of ₹ 0.90 lacs (2017: ₹ 2.50 lacs) has been provided with respect to above preference shares for the previous financial year ended 31 March 2017 in the current financial year.

Shares allotted as fully paid-up without payment being received in cash / by way of bonus shares:

The Company has not issued bonus shares or shares for consideration other than cash during the five year period immediately preceding the reporting date.

Employee stock options

The Company instituted the Magma Employee Stock Option Plan (MESOP) in 2007 and Magma Restricted Stock Option Plan 2014 (MRSOP) in 2014, which were approved by the Board of Directors.

MESOP, 2007

Under MESOP, the Company provided for the creation and issue of 1,000,000 options, that would eventually convert into equity shares of ₹ 10/- each in the hands of the Company's employees. The options are to be granted to the eligible employees at the discretion of and at the exercise price determined by the Nomination and Remuneration Committee of the Board of Directors. The options generally vest in a graded manner over a five year period and are exercisable within 3 years from the date of vesting. The options will get settled by issue of equity shares at the exercise price. Following the sub-division of one equity share of the face value of ₹ 10/- each into five equity shares of the face value of ₹ 2/- each during the financial year ended 31 March 2011, the number of options increased from 1,000,000 to 5,000,000.

During the year, the Nomination and Remuneration Committee of the Board of Directors has granted 5,15,000 options (2017: 1,25,000) under MESOP 2007 to the eligible employees of the Company (each options entitles the option holder to 1 equity share of ₹ 2/- each).

MRSOP, 2014

Under MRSOP, the Company provided for the creation and issue of 5,000,000 options, that would eventually convert into equity shares of ₹ 2/- each in the hands of the Company's employees. The options are to be granted to the eligible employees at the discretion of the Nomination and Remuneration Committee of the Board of Directors and at the exercise price of the face value of ₹ 2/- each. The options will vest in a graded manner and are exercisable within 3 years from the date of vesting. The options will get settled by issue of equity shares at the exercise price.

During the year, the Nomination and Remuneration Committee of the Board of Directors has granted 3,00,000 options (2017: Nil) under MRSOP 2014 to the eligible employees of the Company (each options entitles the option holder to 1 equity share of ₹ 2/- each).

Notes to the Financial Statements (Continued)

Note 35 : Disclosure required in terms of the Revised Regulatory Framework for NBFC issued by RBI on 10 November, 2014 (Contd.)

The Company classifies non-performing assets (NPAs) at 3 months overdue and is compliant with the requirement for the financial year ending 31 March 2018, in a phased manner over 3 years commencing from the financial year 2015-16, as per the Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 dated 01 September 2016. These provisioning norms are considered minimum and additional provision is made based on perceived credit risk where necessary. For the financial year 2016-17, the Company classified non-performing assets (NPAs) at 4 months overdue and accordingly the above figures are not comparable to that extent.

* Includes the balance of provisions for NPAs of MITL amounting to ₹ 4,583.62 lacs as on effective date 1 October 2017, refer Note 39.

Independent Auditor's Report

To the Members of
Magma Fincorp Limited

Report on the Audit of Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Magma Fincorp Limited (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), and its joint ventures, which comprise the Consolidated Balance Sheet as at 31 March 2018, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement, for the year then ended, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated state of affairs, consolidated profit and consolidated cash flows of the Group including its joint ventures in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and of its joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its joint ventures for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its joint ventures are responsible for assessing the ability of the Group and of its joint ventures to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made, as well as evaluating the overall presentation of the consolidated financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of Group and of its joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Group and its joint ventures to cease to continue as a going concern.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Independent Auditor's Report (continued)

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiary and joint ventures, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its joint ventures as at 31 March 2018, and their consolidated profit and consolidated cash flows for the year ended on that date.

Other Matters

We did not audit the financial statements of the subsidiary and both joint ventures, whose financial statements reflect total assets of Rs 204,552.54 lacs, total revenues of Rs. 22,499.41 lacs and net cash inflows amounting to Rs 505.06 lacs for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary and joint ventures and our report in terms of sub-section (3) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiary and joint ventures is based solely on the reports of the other auditors.

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements of subsidiaries and joint ventures, as noted in the 'other matter' paragraph, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

Annexure A to the Independent Auditor's Report

The Annexure referred to in the Independent Auditor's Report to the members of Magma Fincorp Limited ("the Holding Company") on the consolidated financial statements for the year ended 31 March 2018:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2018 we have audited the internal financial controls over financial reporting of Magma Fincorp Limited (herein referred to as "the Holding Company"), its subsidiary and joint ventures, as of date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary and joint ventures are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and

maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013("the Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company its subsidiaries and jointly controlled companies internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Annexure A to the Independent Auditor's Report (continued)

Auditor's Responsibility (continued)

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company, its subsidiary and joint ventures' internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary and joint ventures, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to the subsidiary and joint ventures, is based on the corresponding reports of the auditors of such companies. Our opinion is not modified in respect of this matter.

Notes to the consolidated financial statements

Note: 1 Company Overview:

Magma Fincorp Limited ('the Company'), incorporated and headquartered in Kolkata, India is a publicly held non-banking finance company and is registered as a Systemically Important Non Deposit taking Non-Banking Financial Company ('NBFC') as defined under section 45-IA of the Reserve Bank of India (RBI) Act, 1934. The Company is also registered as a corporate agent under Insurance Regulatory and Development Authority of India (Registration of Corporate Agents) Regulations, 2015. Its equity shares are listed on National Stock Exchange and Bombay Stock Exchange. The Company along with its subsidiaries and joint ventures, is engaged in providing asset finance, housing finance and general insurance business through its pan India branch network.

Note: 2 (A) Significant Accounting Policies:

(i) Principles of consolidation

- (a) Consolidated financial statements include result of Magma Fincorp Limited, the parent company, its subsidiaries and joint ventures (collectively referred to as 'the Group'). Consolidated financial statements are prepared as set out below:

Name of the company	Country of incorporation	Consolidated as
Magma Housing Finance Limited (MHFL)	India	Subsidiary
Jaguar Advisory Services Private Limited (JASPL)	India	Joint venture
Magma HDI General Insurance Company Limited (MHD)	India	Joint venture

- (b) The consolidated financial statements are in conformity with the Accounting Standard (AS) 21 "Consolidated Financial Statements" and Accounting Standard (AS) 27 "Financial Reporting of Interests in Joint Ventures" issued by The Institute of Chartered Accountants of India and prescribed under section 133 of the Companies Act, 2013.
- (c) As required by Schedule III, the Company has classified assets and liabilities into current and non-current based on the operating cycle as per the criteria set out in Schedule III to the Companies Act, 2013.
- (d) The financial statements of the Company have been combined with its subsidiaries on a line by line basis by adding together book values of like items of assets, liabilities, income and expenses and Joint ventures have been consolidated using proportionate consolidation method whereby the venturer's share of each of the assets, liabilities, income and expenses of the joint ventures is reported as separate line items in

the financial statements. Adjustments / eliminations of inter-company balances, transactions including unrealised profits have been made.

- (e) The consolidated financial statements have been prepared by using uniform accounting policies for like transactions and other events in similar circumstances in all material respect and are presented to the extent possible, in the same manner as the Company's standalone financial statements, unless otherwise stated.
- (f) Considering that the accounts of the MHFL and MHD have been prepared in accordance with and in the manner prescribed by the regulations of the National Housing Bank and the Insurance Regulatory and Development Authority respectively and the lack of homogeneity of the business, the financial statements of the housing finance company and the general insurance company have been consolidated, to the extent possible in the format as adopted by the parent, as required by Accounting Standard (AS) 21 "Consolidated Financial Statements" and Accounting Standard (AS) 27 "Financial Reporting of Interests in Joint Ventures" issued by the Institute of Chartered Accountants of India and prescribed under section 133 of Companies Act, 2013.
- (g) The excess of cost to the parent company of its investment in the subsidiaries and joint ventures over the parent's portion of equity of the subsidiaries and joint ventures or vice versa is recognised in the consolidated financial statements as goodwill or capital reserve as the case may be. Goodwill arising on consolidation of a subsidiary or joint venture has been netted-off with the capital reserve of another subsidiary or joint venture and vice versa.
- (h) Minority interest's share of net profit / loss of the consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to the shareholders of the Company.
- Minority interest's share of net assets of the consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the Company's shareholders.
- (i) The financial statements of the subsidiaries and joint ventures used in the consolidation are drawn up to

Notes to the consolidated financial statements (continued)

Note: 2 (A) Significant Accounting Policies (Contd.)

the same reporting date as that of the Company i.e. 31 March 2018.

(ii) Basis of preparation of consolidated financial statements

(a) The consolidated financial statements have been prepared and presented under the historical cost convention and on the accrual basis of accounting and comply with the Accounting Standards prescribed under section 133 of the Companies Act 2013 read with Rule 7 of the Companies (Accounts) Rule, 2014 the relevant provisions of the Companies Act, 2013 (to the extent notified and applicable), the directions prescribed by the Reserve Bank of India for Systemically Important Non-Banking Financial (Non-Deposit Accepting or Holding) Companies, directions prescribed in the Housing Finance Companies (NHB) Directions, 2010 issued by the National Housing Bank, the regulations prescribed under Insurance Regulatory and Development Authority of India (Registration of Corporate Agents) Regulations, 2015 and the guidelines issued by the Securities and Exchange Board of India (SEBI) to the extent applicable. In case of Magma HDI General Insurance Company Limited, the financial statement are drawn up in accordance with the Insurance Regulatory and Development Authority Act (IRDA), 1999, the Insurance Regulatory and Development Authority (Preparation of Financial Statements and Auditors Report of Insurance Companies) Regulations, 2002, and order and direction issued by IRDA in this behalf and the regulations framed there under read with relevant provisions of the Insurance Act, 1938 to the extent possible.

(b) No adjustments have been made to the financial statements of MHD, the insurance joint venture on account of diverse accounting policies as the same, being insurance company, is prepared under a regulated environment in contrast to those of the Company and hence not practicable to do so. Also differences in accounting policies followed by the other entities consolidated have been reviewed and no adjustments have been made, since the impact of these differences is not significant.

(c) The accounting policies set out below have been applied consistently to the periods presented in these financial statements. The financial statements are presented in Indian rupees rounded off to the nearest lac upto two decimal places.

(d) An operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. The operating cycle is considered as 12 months for classification of current and non-current assets and liabilities as required by Schedule III of the Companies Act, 2013.

(iii) Use of estimates and judgements

The preparation of financial statements in conformity with Generally Accepted Accounting Principles ('Indian GAAP') requires the management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities (including contingent liabilities) as on the date of the financial statements and the reported income and expenses during the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis and actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

(iv) Assets on finance

(a) Assets on finance includes assets given on finance / loan and amounts paid for acquiring financial assets including non-performing assets (NPAs) from other Banks / NBFCs.

(b) Assets on finance represents amounts receivable under finance / loan agreements and are valued at net investment amount including instalments due. The balance is also net of amounts securitised / assigned.

(v) Revenue recognition

(a) Interest / finance income from assets on finance / loan included in revenue from operations represents interest income arrived at based on Internal Rate of Return ('IRR') method. Interest income is recognised as it accrues on a time proportion basis taking into account the amount of principle outstanding and the interest rate applicable, except in the case of non-performing assets (NPA) where it is recognised upon realisation as per RBI Guidelines.

(b) **Income on direct assignment / securitisation :** The Company enters into arrangements for sale of loan receivables through direct assignment / securitisation. The said assets are de-recognised upon transfer of significant risks and rewards to the purchaser and on meeting the true sale criteria.

Notes to the consolidated financial statements (Continued)

Note: 2 (A) Significant Accounting Policies (Contd.)

The Company retains the contractual right to receive share of future monthly interest i.e. excess interest spread (EIS) on the transferred assets which is the difference between the pool IRR and the yield agreed with the portfolio buyer.

The Company recognises gain / excess interest spread on direct assignment / securitisation transactions in line with RBI Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 dated 01 September 2016. Accordingly, direct assignment / securitisation transactions effected post issuance of the said guidelines are accounted as under:

- (i) Gain / income realised on direct assignment / securitisation of loan receivables arising under premium structure is recognised over the tenure of securities issued by Special Purpose Vehicle (SPV) / agreements. Loss, if any, is recognised upfront.
- (ii) EIS under par structure of securitisation / direct assignment of loan receivables is recognised only when redeemed in cash, over the tenure of the securities issued by SPV / agreements. Loss, if any, is recognised upfront.
- (c) Interest on fixed deposits is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.
- (d) Upfront income / expense pertaining to loan origination is amortised over the tenure of the underlying loan contracts.
- (e) Assets given by the Company under operating lease are included in fixed assets. Lease income from operating leases is recognised in the statement of profit and loss as per contractual rentals unless another systematic basis is more representative of the time pattern in which benefit derived from the leased asset is diminished. Costs, including depreciation, incurred in earning the lease income are recognised as expenses. Initial direct costs incurred specifically for an operating lease are deferred and recognised in the statement of profit and loss over the lease term in proportion to the recognition of lease income.

- (f) Overdue interest is treated to accrue on realisation, due to uncertainty of realisation and is accounted for accordingly.
- (g) In respect of NPAs acquired, recoveries in excess of consideration paid is recognised as income in accordance with RBI guidelines.
- (h) The sale of non-performing assets is accounted for as per the guidelines prescribed by RBI. On sale, the assets are derecognised from the books. If the sale proceeds are lower than the net book value (NBV) (i.e., book value less provisions held), the shortfall is charged to the Statement of Profit and Loss in the year of sale. In case of sale other than in cash, if the sale proceeds are higher than the NBV, the excess provision is written back in the year the amounts are received, as required by the RBI.
- (i) Income on Security Receipts (SRs) are recognised only after the full redemption of the entire principal amount of SRs.
- (j) Income from collection and support services is recognised as per the terms of the respective contract on accrual basis.
- (k) Income from power generation is recognised based on the units generated as per the terms of the respective power purchase agreements with the respective State Electricity Boards.
- (l) Income from dividend is accounted for on receipt basis.
- (m) All other items of income are accounted for on accrual basis.

(vi) Provisions for non-performing assets (NPA) and doubtful debts

(a) Asset financing companies

Non-performing assets ('NPA') including loans and advances, receivables are identified as sub-standard / doubtful based on the tenor of default. The tenor is set at appropriate levels for each product. NPA provisions are made based on the management's assessment of the degree of impairment and the level of provisioning and meets the Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 dated 01 September

Notes to the consolidated financial statements (Continued)

Note: 2 (A) Significant Accounting Policies (Contd.)

2016. These provisioning norms are considered the minimum and additional provision is made based on perceived credit risk where necessary.

All contracts which as per the management are not likely to be recovered are considered as loss assets and written-off as bad debts or fully provided for. Recoveries made from previously written off contracts are included in "Other Income".

(b) Housing finance companies

Loans are classified as per the Housing Finance Companies (NHB) Directions, 2010 into standard and non-performing assets. Further, non-performing assets are classified into sub-standard, doubtful and loss assets based on criteria stipulated by NHB. Provisions and write-offs are carried out in accordance with the requirements of NHB guidelines. These provisioning norms are considered minimum and higher provision is made based on the perceived credit risk, wherever necessary. All loan contracts with overdues for more than 51 months as well as those which, as per the management are not likely to be recovered are considered as loss assets and written-off as bad debts. Recoveries made from previously written-off contracts are included in "Other income".

(vii) Property, plant and equipment

Property, plant and equipment are carried at cost of acquisition less accumulated depreciation. The cost of tangible fixed assets comprises the purchase price, taxes, duties, freight (net of rebates and discounts) and any other directly attributable costs of bringing the assets to their working condition for their intended use. Borrowing costs directly attributable to acquisition of those tangible fixed assets which necessarily take a substantial period of time to get ready for their intended use are capitalised.

Advances paid towards the acquisition of fixed assets outstanding at each balance sheet date are disclosed as long-term loans and advances. The cost of fixed assets not ready for their intended use at each balance sheet date is disclosed as capital work-in-progress.

All assets given on operating lease are shown at the cost of acquisition less accumulated depreciation.

Intangible assets are recorded at the consideration paid for acquisition / development and licensing less accumulated amortisation.

(viii) Depreciation and amortisation

Depreciation on fixed assets is provided using the straight line method at the rates specified in Schedule II to the Companies Act, 2013. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed-off.

Leasehold improvements are amortised over the underlying lease term on a straight line basis.

Depreciation on vehicles given on operating lease is provided on straight line method at rates based on tenure of the underlying lease contracts not exceeding 8 years.

Individual assets costing less than ₹ 5,000/- are depreciated in full in the year of acquisition.

For the following class of assets, based on internal assessment, the management believes that the useful lives is as given below best represent the period over which management expects to use these assets. Hence the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Desktops	6 years
Laptops / Hand Held Device	4 years

Intangible assets are amortised over their estimated useful lives, not exceeding six years, on a straight line basis, commencing from the date the asset is available to the Company for its use.

(ix) Impairment

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

(x) Investments

(a) Investments are classified as non-current or current based on intention of management at the time of purchase.

Notes to the consolidated financial statements (Continued)

Note: 2 (A) Significant Accounting Policies (Contd.)

- (b) Non-current investments are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment.
- (c) Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each investments.
- (d) Any reduction in the carrying amount and any reversal of such reduction are charged or credited to the statement of profit and loss.
- (e) Profit or loss on sale of investments is determined on the basis of weighted average carrying amount of investments disposed off.
- (f) Investment in Security Receipts (SRs) is recognised at lower of: (i) Net Book Value (NBV) (i.e., book value less provisions held) of the financial asset; and (ii) estimated redemption value of SRs at the end of each reporting period, as prescribed by RBI. Accordingly, in cases where the SRs issued by the Securitisation Company / Asset Reconstruction Company (SC/ARC) are limited to the actual realisation of the underlying financial assets, the net asset value, obtained from the SC/ARC, is reckoned for valuation of such investments. The SRs outstanding and not redeemed as at the end of the resolution period are treated as loss assets and are fully provided for.

(xi) Employee benefits

(a) Provident fund

Contributions paid / payable to the recognised Government administered provident fund scheme, which is a defined contribution scheme, are charged to the statement of profit and loss.

(b) Gratuity

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Accrued Benefit Method (same as

Projected Unit Credit Method), which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on government securities as at the balance sheet date.

Actuarial gains and losses are recognised immediately in the statement of profit and loss.

(c) Compensated absences

The employees of the Company are entitled to compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation based on the additional amount expected to be paid as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognised in the period in which the absences occur.

(xii) Employee stock option schemes

The Employees Stock Option Scheme (the Scheme) provides for grant of the equity shares of the Company to employees. The scheme provides that employees are granted an option to subscribe to the equity shares of the Company that vest in a graded manner. The options may be exercised within the specified period. The Company follows the intrinsic value method to account for its stock based employee compensation plans. The expense or credit recognised in the statement of profit and loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period.

(xiii) Income Taxes

Income-tax expense comprises of current tax (i.e. amount of tax for the period determined in accordance with the income-tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). Income-tax expense is recognised in the statement of profit and loss.

(a) Current tax

Current tax is measured at the amount expected to be paid to (recovered from) the taxation authorities, using the applicable tax rates and tax laws.

Notes to the consolidated financial statements (Continued)

Note: 2 (A) Significant Accounting Policies (Contd.)

(b) Deferred tax

Deferred tax is recognised in respect of timing differences between taxable income and accounting income i.e. differences that originate in one period and are capable of reversal in one or more subsequent periods. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and deferred tax assets and deferred taxes relate to same taxable entity and same taxation authority.

(c) Minimum alternative tax

Minimum alternative tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

(xiv) Provision and contingencies

A provision is recognised if, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. The provisions are measured on an undiscounted basis.

(a) Onerous Contracts

A contract is considered as onerous when the expected economic benefits to be derived by the Company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognises any impairment loss on the assets associated with that contract.

(b) Contingencies

Provision in respect of loss contingencies relating to claims, litigation, assessment, fines, penalties, etc. are recognised when it is probable that a liability has been incurred, and the amount can be estimated reliably.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

(xv) Contingent liabilities and contingent assets

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

(xvi) Derivative transactions

Fair value of derivative contracts is determined based on the appropriate valuation techniques considering the terms of the contract as at the balance sheet date. Mark to market losses in derivative contracts are recognised in the statement of profit and loss in the period in which they arise. Mark to market gains are not recognised keeping in view the principle of prudence as enunciated in "Accounting Standard (AS) 1 - Disclosure of Accounting Policies".

(xvii) Borrowing costs

Interest on borrowings is recognised on a time proportion basis taking into account the amount outstanding and the

Notes to the consolidated financial statements (Continued)

Note: 2 (A) Significant Accounting Policies (Contd.)

rate applicable on the borrowings. Discount on commercial papers is amortised over the tenor of the commercial papers.

Brokerage and other ancillary expenditure directly attributable to a borrowing is amortised over the tenure of the respective borrowing. Unamortised borrowing costs remaining, if any, is fully expensed off as and when the related borrowing is prepaid / cancelled.

(xviii) Operating lease

Lease payments for assets taken on an operating lease are recognised as an expense in the statement of profit and loss on a straight line basis over the lease term.

(xix) Earnings per share

The basic earnings per share ('EPS') is computed by dividing the net profit after tax attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit after tax attributable to the equity shareholders for the year and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The diluted potential equity shares have been adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. the average market value of the outstanding shares). In computing dilutive earnings per share, only potential equity shares that are dilutive and that reduce profit / loss per share are included.

(xx) Foreign currency transactions

Foreign currency transactions are accounted for at the rates prevailing on the date of the transaction. Exchange differences, if any arising out of transactions settled during the year are recognised in the Statement of Profit and Loss. Monetary assets and liabilities denoted in foreign currencies as at the Balance Sheet date are translated at the closing exchange rates. Resultant exchange differences, if any, are recognised in the Statement of Profit and Loss and related assets and liabilities are accordingly restated in the Balance Sheet. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency at the Balance Sheet date are reported using exchange rates at the date of the transaction.

(xxi) Cash and cash equivalents

Cash and cash equivalents comprise cash, cash-in-transit and cash on deposit with banks and corporations. The

Company considers all highly liquid investments with an original maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

Note: 2 (B) Significant Accounting Policies - Insurance Companies (to The Extent, Different and Unique from The Parent)

(i) Basis of preparation

The financial statements have been prepared and presented under the historical cost convention, on an accrual basis and in accordance with the applicable provisions of the Insurance Act, 1938, as amended by Insurance Laws (Amendment) Act, 2015, the Insurance Regulatory and Development Authority Act, 1999, the Insurance Regulatory and Development Authority (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002 and circulars/notifications issued by IRDAI from time to time, the applicable accounting standards referred to in section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules 2014, to the extent applicable, the provisions of the Companies Act, 2013, in the manner so required and conform to the statutory provisions in regard to general insurance operations in India.

(ii) Revenue recognition

(a) Premium

Premium (net of service tax), on direct business and reinsurance accepted, is recognized as income over the contract period or the period of risk, whichever is appropriate. Any subsequent revisions to or cancellations of premiums are recognized in the year in which they occur.

(b) Premium / discount on purchase of investments

Accretion of discount and amortisation of premium relating to debt securities is recognised over the holding / maturity period on a straight-line basis.

(c) Profit / loss on sale of securities

Profit/loss on sale/redemption of securities is recognized on trade date basis. In determining the profit/loss on sale/redemption of securities, the cost of securities is arrived at on weighted average cost basis. Further, in case of mutual funds the profit and loss also includes accumulated changes in the fair value previously recognized in the fair value change account and includes effects on accumulated fair value changes, previously recognized, for specific investments sold/redeemed during the year. Sale consideration for the purpose of realised gain/loss is

Notes to the consolidated financial statements (Continued)

Note: 2 (B) Significant Accounting Policies - Insurance Companies (to The Extent, Different and Unique from The Parent) (Contd.)

net of brokerage and taxes, if any, and excludes interest received on sales.

(d) Commission on reinsurance ceded

Commission on reinsurance ceded is recognised as income in the year in which reinsurance premium is ceded.

Profit commission under reinsurance treaties wherever applicable, is recognised on accrual basis. Any subsequent revisions of profit commission are recognised for in the year in which final determination of the profits are intimated by the reinsurers.

(e) Dividend income

Dividend income is recognized when the right to receive the dividend is established.

(iii) Reinsurance ceded

Reinsurance premium ceded is accounted in the year in which the risk commences and over the period of risk in accordance with the treaty arrangements with the reinsurers. Any subsequent revision to or cancellations of premiums are accounted for in the year in which they occur.

Premium on excess of loss reinsurance cover is accounted as per the terms of reinsurance agreements.

(iv) Acquisition costs

Acquisition costs are costs that vary with and are primarily related to acquisition of insurance contracts including reinsurance accepted and are expensed in the year in which they are incurred.

(v) Premium received in advance

Premium received in advance represents premium received in respect of policies issued during the year, where the risk commences subsequent to the balance sheet date.

(vi) Reserve for unexpired risk

Reserve for unexpired risk is made on the amount representing that part of the net premium written which attributable to, and to be allocated to the succeeding accounting period using 1/365 method.

(vii) Reserve for premium deficiency

Premium deficiency reserve (PDR) is recognized if the cost of expected net claim cost, related expenses and maintenance cost exceeds the sum of related premium carried forward to

subsequent accounting period as the reserve for unexpired risk. Premium deficiency reserve is recognised for the Company at reportable segmental revenue account level (i.e. Fire, Marine and Miscellaneous) excluding Motor Third Party portfolio including erstwhile Motor Pool, Declined Risks Pool. The expected claim cost is calculated and duly certified by the Appointed Actuary and Mentor to the Appointed Actuary of the Company.

(viii) Claims incurred

Claims incurred comprise claims paid (net of salvage and other recoveries), change in estimated liability for outstanding claims made following a loss occurrence reported and change in estimated liability for claims Incurred But Not Reported ('IBNR') and claims Incurred But Not Enough Reported ('IBNER') net of amounts receivable from reinsurers/coinsurers. Further, claims incurred also include specific claim settlement costs such as survey / legal fees and other directly attributable costs.

Claims (net of amounts receivable from reinsurers/coinsurers) are recognised on the date of intimation on management estimates of ultimate amounts likely to be paid on each claim based on the past experience. These estimates are progressively revalidated on availability of further information.

IBNR represents that amount of claims that may have been incurred during the accounting period but have not been reported or claimed. The IBNR provision also includes provision, if any, required for claims IBNER. Estimated liability for claims Incurred But Not Reported ('IBNR') and claims Incurred But Not Enough Reported ('IBNER') is based on actuarial estimate duly certified by the appointed actuary and Mentor to the appointed actuary of the Company in accordance with guidelines issued by IRDAI and acturial practice standard issued by the Institute of Actuaries of India.

(ix) Depreciation and amortisation

Intangible assets are amortised over their estimated useful lives, not exceeding ten years, on a straight-line basis, commencing from the date the asset is available to the Company for its use.

(x) Investments

Investments are carried at weighted average cost and includes brokerage, securities transactions tax, stamp duty and other charges incidental to transactions and excludes pre-acquisition interest, if any.

(a) Classification

Investments maturing within twelve months from balance sheet date or investments made with the

Notes to the consolidated financial statements (Continued)

Note: 2 (B) Significant Accounting Policies - Insurance Companies (to The Extent, Different and Unique from The Parent) (Contd.)

specific intention to dispose off within twelve months from balance sheet date are classified as short-term investments. Investments other than short term investments are classified as long-term investments.

(b) Valuation

Debt securities

All debt securities are shown at weighted average cost subject to amortization of premium or accretion of discount on straight line basis in the revenue accounts and profit & loss account over the period of maturity/holding.

Mutual fund

Investment in Mutual Funds units are stated at latest available Net Asset Value (NAV) at the Balance Sheet date. Unrealized gains/losses are credited / debited to fair value change account.

Fair value change account

In accordance with the Regulations, any unrealized gains/losses arising due to change in fair value of mutual fund investments are accounted in "Fair Value Change Account" and carried forward in the Balance Sheet and is not available for distribution.

Impairment of investment

The Company assesses at each Balance Sheet date whether there is any indication that any investment in units of mutual funds is impaired. If any such indication exists, the carrying value of such investment is reduced to its recoverable amount and the impairment loss is recognized in the revenue(s)/profit and loss account. If at the Balance Sheet date there is any indication that a previously assessed impairment loss no longer exists, then such loss is reversed and investment is restated to that extent.

(xi) Allocation of income and expenses

- (a) Investment Income has been allocated between revenue accounts and profit and loss account on the basis of the ratio of average policyholders funds to average shareholders funds respectively; average being the balance at the beginning of the year and at the end of the year. Further, investment income between policyholders is allocated on the basis of the ratio of

average policyholders' funds comprising reserves for unexpired risks, IBNR, IBNER, PDR, outstanding claims and other liabilities (net of other assets).

- (b) Expenses, which are attributable and identifiable to the business segments, are directly charged to relevant business segment.
- (c) Other expenses, that are not identifiable to a segment, are allocated on the basis of ratio of gross written premium in each business class.
- (d) Expenses related to investment activities are charged to statement of profit and loss.

(xii) Foreign currency transactions

Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of transaction. Monetary items denominated in foreign currencies at the year end are reinstated at the year end rates. Non-monetary foreign currency items are carried at cost. Any gain or loss on account of exchange difference either on settlement or on translation is recognized in the statement of profit and loss and revenue accounts as applicable.

(xiii) Share Issue Expenses

Share issue expenses are charged to Profit and Loss account.

(xvi) Terrorism Pool

In accordance with the requirements of IRDAI, the Company, together with other Insurance Companies, participates in the Terrorism Pool. This Pool is managed by the General Insurance Corporation of India ("GIC"). Amount collected as Terrorism premium in accordance with the requirements of the Tariff Advisory Committee ("TAC") are ceded at 100% of the Terrorism Premium collected to the Terrorism Pool.

In accordance with the Terms of the Agreement, GIC, retrocedes, to the company, terrorism premium to the extent of the Company's share in the risk, which is recorded as reinsurance accepted. Such reinsurance accepted is recorded based on quarterly statements received from the GIC. The reinsurance accepted on account of terrorism pool has been recorded in accordance with the Last statement received from the GIC. The company has created liability, to the extent of 100% of premium (net of claims and expenses) retroceded to the company during the year, through reserve for unexpired risks.

Consequent to the said allotment, the total paid-up equity share capital of the Company stands increased to 26,92,86,736 equity shares of ₹ 2/- each aggregating to ₹ 5,385.73 lacs. The equity shares issued and allotted as aforesaid rank pari passu with the existing equity shares of the Company in all respect.

During the year ended 31 March 2018, the amount of per share dividend recommended by the Board as distribution to equity shareholders is ₹ 0.80 (40%) per equity share of the face value of ₹ 2/- each including shares allotted post 31 March 2018, pursuant to Qualified Institutional Placement (QIP) and ESOP scheme. Total dividend on 26,92,86,736 equity shares for the year ended 31 March 2018 would amount to ₹ 2,597.11 lacs including corporate dividend tax of ₹ 442.82 lacs, subject to approval of shareholders.

Notes to the consolidated financial statements (Continued)

Note 3 : Share Capital (Contd.)

Preference shares

The Company declares and pays dividend on preference shares in both Indian rupees and foreign currencies.

In the event of liquidation of the Company, the holders of preference shares will have priority over equity shares in payment of dividend and repayment of capital.

For the financial year ended 31 March 2017, the Company has recommended dividend based on the 6 months US Dollar Libor applicable as on 30 December 2016 and closing exchange rate applicable as on 31 March 2017 and which was liable to vary depending on the actual date of payment of the dividend. Accordingly, the excess dividend and tax thereon of ₹ 0.90 lacs (2017: ₹ 2.50 lacs) has been provided with respect to above preference shares for the previous financial year ended 31 March 2017 in the current financial year.

Shares allotted as fully paid-up without payment being received in cash / by way of bonus shares:

The Company has not issued bonus shares or shares for consideration other than cash during the five year period immediately preceding the reporting date.

Employee stock options

The Company instituted the Magma Employee Stock Option Plan (MESOP) in 2007 and Magma Restricted Stock Option Plan 2014 (MRSOP) in 2014, which were approved by the Board of Directors

MESOP, 2007

Under MESOP, the Company provided for the creation and issue of 1,000,000 options, that would eventually convert into equity shares of ₹ 10/- each in the hands of the Company's employees. The options are to be granted to the eligible employees at the discretion of and at the exercise price determined by the Nomination and Remuneration Committee of the Board of Directors. The options generally vest in a graded manner over a five year period and are exercisable within 3 years from the date of vesting. The options will get settled by issue of equity shares at the exercise price. Following the sub-division of one equity share of the face value of ₹ 10/- each into five equity shares of the face value of ₹ 2/- each during the financial year ended 31 March 2011, the number of options increased from 1,000,000 to 5,000,000.

During the year, the Nomination and Remuneration Committee of the Board of Directors has granted 5,15,000 options (2017: 1,25,000) under MESOP 2007) to the eligible employees of the Company (each options entitles the option holder to 1 equity share of ₹ 2/- each).

MRSOP, 2014

Under MRSOP, the Company provided for the creation and issue of 5,000,000 options, that would eventually convert into equity shares of ₹ 2/- each in the hands of the Company's employees. The options are to be granted to the eligible employees at the discretion of the Nomination and Remuneration Committee of the Board of Directors and at the exercise price of the face value of ₹ 2/- each. The options will vest in a graded manner and are exercisable within 3 years from the date of vesting. The options will get settled by issue of equity shares at the exercise price.

During the year, the Nomination and Remuneration Committee of the Board of Directors has granted 3,00,000 options (2017: Nil) under MRSOP 2014 to the eligible employees of the Company (each options entitles the option holder to 1 equity share of ₹ 2/- each).
